

Dear Customer

Greetings from SBI!!

We hope you are enjoying the services of the State Bank Foreign Travel Card (SBFTC).

We are continually committed to improving your banking experience by optimising our products and services. To this end, we are happy to inform you that we have revised the transaction limits of your State Bank Foreign Travel Card (SBFTC) for PoS and e-commerce to facilitate an enhanced experience. The revised transactions limits as mentioned below will come into **effect from 09.09.2024**.

Channel	Existing (Per day)		Revised (Per day)	
	No. of Transactions	Limit (USD or equivalent)	No. of Transactions	Limit (USD or equivalent)
ATM	3	3000	No change	No change
PoS	5	5000	20	10000
e-comm	3	5000	20	10000

Please follow the steps mentioned below to manage and avail the enhanced transaction limits for your SBFTC.

Steps for POS /ATM /ECOM/Contactless transaction Enable/Disable	Steps to Set Card Limit
<ol style="list-style-type: none">1. Visit prepaid customer portal https://prepaid.sbi2. Log into your card account credentials3. After logging in go to: SBFTC/My Task >> My Task Flow Enable/Disable Transactions type4. Select the toggle button to enable or disable POS/ATM or ECOM/Contactless transaction for your card.5. That's it, your selection will be saved and applied to your card.	<ol style="list-style-type: none">1. Visit prepaid customer portal https://prepaid.sbi2. Log into your card account credentials3. After logging in go to: My task >> My task Flow >> Card Limit >> Click on ATM Configuration or POS Configuration or E-commerce Configuration >> Enter number of transactions and Amount of transaction >> Click on Update.4. You will receive an OTP. Please enter the OTP in the portal to confirm the Card limit to be set.5. That's it, your selection will be saved and applied to your card.

We are confident that these changes will significantly enhance your experience for international PoS and ecomm transactions.

Thanks & Regards, SBI
