The bidder must have successfully completed atleast one EPC Contract (Residential or Non-Residential building project) of minimum value of 40% of Estimated Project cost.

3.Green Building Experience:

The bidder must have successfully completed at least one project certified with a GRIHA 4-Star rating, IGBC Gold rating, or an equivalent nationally/internationally recognized green building certification.

4. The bidders should demonstrate experience in any one of Rapid construction technology (Monolithic / Shear Wall technology) except Pre-cast Technology in completed project of office / residential construction in last 7 years ending 30th June 2025. (in any contract).

Note:

- Godowns /Warehouses/factory sheds/industrial building shall not be considered as eligible similar works.
- Mumty and machine room shall not to be considered in storey.
- Each stilt constructed in the building shall be considered as a storey.

d. For the purpose of similar works, works executed in India only shall be considered.

(ii) They should undertake to open their office at project site at their cost, if work is allotted to them. The selected bidder should have adequate knowledge of local byelaws/ statutory requirements and to have expertise to liaise with Local Civic Authorities for getting the statutory approvals.

(iii) The bidding capacity of the agency should be equal to or more than the estimated cost of the work put to bid. The bidding capacity shall be worked out by the following formula:

$$\text{Bidding Capacity} = \{[A \times N \times 1.5] - B\}$$

Where,

A = Maximum turnover in construction works executed in any one year during the last seven years taking into account the completed as well as works in progress. The value of completed works shall be brought to the current costing level by enhancing at a simple rate of 7% per annum.

N = Number of years prescribed for completion of work for which bids have been invited.

B = Value of existing commitments and ongoing works to be completed during the period of completion of work for which bids have been invited.

(iv) The applicant should have adequate organizational structure with qualified Senior Architects, Structural Engineer, Planning, Electrical, Civil, Environmental Engineers, Specialists and other technical officers and staff along with associates / consultants, if any, to execute a work of such nature and magnitude. The firm can also have tie-ups with Architectural firms having requisite expertise and experience in designing similar projects.

The applicant should have a **Structural Engineer, knowledge of the latest structural design software & adequate knowledge about green building concepts** and should provide credentials of their in-house or outsourced green building consultant. In case the green building agency is outsourced, proof of association with the consultant to be submitted.

(v) The firm should not have incurred any loss (profit after tax should be positive) in more than two years during last five consecutive balance sheets ending 31st March, 2024 duly certified and audited by the Chartered Accountant (Scanned copy of certificate from CA to be uploaded)

(vi) The bidder should have an average annual financial turnover of Rs. 108,90,00,000 of the estimated cost during the last three consecutive financial years ending 31st March of the previous financial year.

(vii) The bidder should submit a solvency certificate of Rs. 108,90,00,000 of the estimated cost from any Scheduled Commercial Bank in India. (FORM 'B2')

(viii) The bidder should submit Net worth certificate in prescribed format and /or banker's certificate from a commercial/ scheduled bank in the standard format.

B. Other Information:

- I. The bidder should not have been blacklisted/debarred by State Bank of India/Central Government/PSU, from participating in the tender and if the blacklisting/debarment subsists on

the due date of bid submission, such bidder shall not be eligible to submit the bid. (Refer Office Memorandum No. F.1/20/2018-PPD dated 2nd November, 2021 of Department of Expenditure Ministry of Finance, Procurement Policy Division, GOI, Guidelines on Debarment of firms from Bidding)

- II. The bidder should submit a declaration that eligible works(s) as mentioned in eligibility criteria has/have not been got executed through another contractor on a back-to-back basis.
- III. The bidder shall submit the affidavit on a Rs.200/- non judicial stamp paper duly notarized, to this effect, as per prescribed format (Form "I"). The performance of the bidder for the completed works shall be rated by the Client as satisfactory or above.
- IV. Those who had done work/doing work in SBI shall produce completion/ progress certificate from the premised department. The bidder shall be considered for further evaluation only if the performance of the bidder for the work is rated as 'good or above'. This is mandatory.
 - i. The bidders who have initiated litigation against SBI shall be considered only after the litigation is completed.
 - ii. The works completed/being executed by the bidders if required will be inspected by a technical officer /expert authorized by SBI. If it is found after inspection that the performance of the bidder for the inspected works is not satisfactory in terms of quality/ time overrun/overall performance etc., the bidder may get disqualified after due verification even though the documents submitted by them will meet the other eligibility criteria as above.
 - iii. The bidder shall have GST registration. A copy of the GST registration shall be submitted.
 - iv. **GST** registration Certificate of the state in which the work is to be taken up, if already obtained by the bidder, is also to be submitted. If the bidder has not obtained GST registration in the State in which the work is to be taken up or as required by GST authorities, then in such case the bidder shall scan and upload following undertaking in their letter head along with other bid documents. "If work is awarded to me, I/we shall obtain GST registration Certificate of the State, in which work is to be taken up within one month from the date of receipt of award letter or before release of any payment by Client / Funding Agency, whichever is earlier, failing which I/We shall be responsible for any delay in payments which will be due towards me/us on a/c of the work executed and/or any action taken by Client Funding Agency or GST department in this regard."
 - v. The bidder shall have ESI/ EPF registration. The copy of valid ESI/EPF registration shall be submitted.
 - vi. The bidder shall submit an affidavit that 'The work if awarded to us, subcontractors will be employed only for specialized works after getting the concurrence of PMC/SBI' as per prescribed format (Form "N").
 - vii. The bidder shall submit hard copies of the Power of Attorney and Earnest Money Deposit (EMD).
 - viii. The Agency shall submit within 45 days after award of work an undertaking from the OEMs for specialized E&M works of Lifts & DG Sets etc. that "OEM shall unconditionally support the lowest tenderer technically throughout the execution of contract as well as for Maintenance Contract for the useful life of the system, and they shall also provide all the spares required for healthy functioning of the equipment for at least seven years from the date of supply of equipment". This undertaking is to be given in Form- O.

- ix. Specialized Civil, Electrical & Mechanical works:
The bidders shall possess the Class A Electrical license. In case the tenderer do not have the license, they must associate himself with agencies of the appropriate eligibility for each of specialized nature of items/work of E&M. Such works shall be got executed only through associated agencies specialized in these fields. The tenderer whose tender is accepted shall indicate the name(s) of his associated specialized agencies those fulfilling the eligibility criteria laid down for E&M after award of work and at least 30 days before commencement of such items / work but within 90 days of award of work with their credentials whichever is earlier for the approval of the Engineer-in-Charge of that component, whose decision shall be final and binding.
- x. The bidders shall submit along with the bid a declaration as per FORM-J of this document duly signed by authorized representative of bidder after site visit. This is mandatory. Bids submitted without FORM-J duly signed by nominated representative of Client and bidder will be summarily rejected and will not be considered for evaluation.
- xi. Site Visit: The bidder is advised to visit the site of work, at his own cost, and examine it and its surroundings to himself collect all information that he considers necessary for proper assessment of the prospective assignment.
- xii. The time allowed for carrying out the work will be 36 months from the date of issue of LOA, in accordance with the milestones indicated in the tender documents.

C.

- 1. The site for the work is available.
- 2. As the proposed site is located near an operational office and residential apartments, the contractor shall take special care to avoid any disturbance to the functioning of both the office and residential areas.
- 3. The Contractor shall settle labour problems if any occurred at site during the construction stage.

D.

- 1. The bid documents consisting of plans, specifications, design basis report and the set of terms and conditions of the contract to be complied with and other necessary documents is available online free of cost.
- 2. The bidder shall have In-house design capabilities to provide the required services as per the scope of work. The bidder, within 15 days of award of work, shall submit details of such in-house design capabilities or details of the design consultant proposed to be engaged by the bidder along with requisite credentials.
- 3. The bid documents consisting of Notice Inviting Tenders (NIT) & Instructions to Bidders (ITB), General Conditions of Contract, Pre-Contract Integrity Pact, Special Conditions of Contract, Design Basis Report, Technical Specifications, Tender Drawings in PDF Format, Financial Bid and other necessary documents (if any) are available online at <https://sbi.co.in/web/sbi-in-the-news/procurement-news> in the News procurement news.

- 3.1 Tender drawings in the PDF format have been provided in PART -F of the Tender documents. However, set of drawings in Auto-Cad format, will be issued to only those bidders who get registered on the tender <https://etender.sbi>. The bidder shall submit the above documents in the office of the tender inviting authority or through e-mail with a request letter for obtaining the above set of drawings in Auto-Cad format. On receipt of these documents inclusive of tender, SBI shall provide the Auto-Cad copy of drawings. Such bidders shall not be required to submit the tender fee/processing fee separately as a part of Technical Package.

3.2 It is clarified that the set of drawings in PDF format provided as PART – F. Tender Drawings shall only be the part of tender documents. The set of drawings in Auto-Cad format issued shall be for reference only. The copyright of all these drawings under this tender shall remain with Client.

4. The bid submitted shall become invalid if:
 - 4.1 The bidder is found ineligible.
 - 4.2 If any discrepancy is noticed in the documents as uploaded at the time of submission of bid.
5. The Technical Package and Financial Package shall be submitted as per the stipulated date & time of submission of bid.
6. The Contractor, whose tender is accepted, will be required to furnish Initial Security Deposit 2% (Two Percent) of the tendered amount within the period specified in “Schedule F” in form of Bank Guarantee or DD of any scheduled commercial bank based in India, in favour of “State Bank of India” as per “Form K”. Initial Security Deposit to be valid up to Six months beyond the stipulated date of project completion or the extended period, thereof.
7. In case the contractor fails to deposit the said Initial Security Deposit within the period, including the extended period if any, the earnest money deposited by the contractor shall be forfeited automatically without any notice to the contractor.
8. The Contractor whose Tender is accepted will also be required to furnish either copy of applicable licenses/ registration or proof of applying for obtaining labour licenses, as per central labour laws registration with EPFO, ESIC and BOCW welfare board and programme chart (time and progress) and manpower deployment schedule within the period specified in “Schedule F”.
9. Evaluation of performance:

Evaluation of the performance of contractors for eligibility shall be done by the PMC/SBI. If required, the works being executed by the bidders who otherwise qualify will be inspected by a Technical Officer / Expert authorized by the Client. If it is found that the performance of the bidder for the inspected works is not satisfactory in terms of quality/ time overrun/overall performance etc, the bidder may get disqualified even though the documents submitted by them will meet the eligibility criteria as laid down.
10. Tenderers are instructed to compulsorily inspect and examine the site and its surroundings at their own cost and satisfy themselves before submitting their tenders as to the nature of the ground and sub soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. The bidder shall be responsible for arranging and maintaining at its own cost all materials, tools & plants, water, electricity, access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a bidder implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and local conditions and other factors having a bearing on the execution of the work. The bidders shall submit along with the bid a declaration as per FORM-J of this document after site visit. This is mandatory. Client shall not be liable for such costs, regardless of the outcome of the selection process.
11. The Competent Authority of the SBI does not bind itself to accept the lowest or any other tender and reserves for itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed conditions are not fulfilled

or any condition including that of conditional rebate is put forth by the bidder shall be summarily rejected.

12. Canvassing, whether directly or indirectly, in connection with tenders is strictly prohibited, and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
13. The competent authority of SBI reserves to himself the right to accept the whole or any part of the tender and the bidder shall be bound to perform the same at the rate quoted.
14. The contractor shall not be permitted to tender works if his near relative is a Gazette officer in Client or in the Managerial cadres of SBI and is directly dealing with the Project. Any breach of this condition by the contractor would disqualify him from participation and consideration in the tender process.
15. No Engineer of Gazette rank or other Gazette officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the prior permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
16. The Tender for the works shall remain open for acceptance for a period of 180 (ONE HUNDRED AND EIGHTY) days from the LAST date of submission of bid or any extension thereto. If any bidder withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the SBI, then the SBI shall, without prejudice to any other right or remedy, be at liberty to forfeit 100% of the said earnest money as aforesaid. Further, the bidder shall not be allowed to participate in the re-tendering process of the work.
17. This is a Time Bound Project.
18. The scope of the work shall be as per section III of this document. The Bidder must cooperate with the other agencies working at the site.
19. The Scope of work envisages a number of specialized Civil/ Electrical/ Mechanical/IT/ Electronic Engineering services as required, etc. to be executed as integral part of this Contract. However, in case the Bidder does not have in house capacity for execution of such component(s) of work and intends to engage outside agency for execution, the bidder shall ensure that such specialized agencies in each case meet the eligibility criteria as follows. The EPC contractor shall submit to the PMC/Authority Engineer in charge for approval, the capability of the specialized agencies proposed to be engaged by him who fulfills the conditions mentioned below before execution of such works:
 - a) Any other specialized works specified in Tender.
 - b) For all other specialized works, for which the contractor intends to engage with a specialized agency for execution of work, the Contractor shall take approval of the SBI / PMC before the assignment of such agency.
 - c) The bidder shall submit an undertaking as per "Form- O" in Rs. 200/- stamp paper and submit after receiving LOA and before issuing work order.

Sub-contracting: The works contract may provide for the contractor to get specified works executed from sub-contractors included in the pre-qualification application or later agreed to by the Procuring entity, with a caveat that the responsibility for all sub-contract work rests with the prime Contractor. Sub-contracting will generally be for specialized items of work as per the direction of

EIC. Procurement of material, hire of equipment or engagement of labour will not mean sub-contracting. The total value of subcontracting work will not exceed the percentage of the contract price as specified in the contract say 49% (Forty-nine percent). Sub-contracting by the contractor without the approval of the SBI shall be a breach of contract, unless explicitly permitted in the contract.

1. Eligibility Criteria for Association of Specialised firms for E&M Services

1.1 The estimated cost of various Electrical and Mechanical Services with PQ Criteria and the definition of Similar Work, where required, are given below:

1.1.1 Internal Electrical Installations (IEI):

- a) Estimated cost - Rs. 16.20 Crores
- b) PQ Criteria:
 - a) Three similar works each of value not less than Rs. 6.48 Crores.
or
Two similar works each of value not less than Rs. 8.10 Crores.
or
One similar work of value not less than Rs. 12.96 Crores.
 - b) Should have a current electrical license valid for taking up electrical works in Telangana
 - c) Similar works shall mean "Supply, Installation, testing & commissioning of Internal Electrical Installations in Building having at least 15 floors".

1.1.2 Lifts and Home Elevators (Lifts):

- a) Estimated cost: 11.74 Crores.
- b) PQ Criteria:
 - (a) Three similar works each of value not less than Rs. 4.70 Crores.
OR
Two similar works each of value not less than Rs. 5.87 Crores.
OR
One similar work of value not less than Rs. 9.40 Crores.
 - b) Should have a current electrical license valid for taking up electrical works in Telangana
 - c) Similar works shall mean "Supply, Installation, testing & commissioning of Lifts serving at least 12 floors".
 - d) Lifts shall be got installed by the Lift manufacturer only.
 - e) The following conditions (issued vide DG/SE(E)/PPP-MII Order/22 dated 28.09.2020) shall be satisfied:
 - (a) The lift manufacturer shall comply with BIS standards, duly certified by the manufacturer itself.
 - (b) The manufacturer shall be compliant to the Public Procurement (Preference to Make In India), Order 2017 (as amended from time to time) issued by the Department of Industrial Policy and Promotion (DIPP), Ministry of Commerce and Industry.
 - (c) The manufacturer shall furnish an undertaking regarding availability of spares for the entire expected life of the lift i.e. 15 to 20 years.
 - (d) The complete lift installation including its components, safety devices, various types of controls etc., testing, inspection, operation & maintenance shall conform to relevant Codes, Standards, code of practices, guidelines, safety rules, inspection manual(s), rules issued by Bureau of Indian Standards, as amended up to the last date of receipt of tenders.
 - (e) Quality standards shall conform to latest IS/ISO- 9001:2015.
 - (f) The down time of installed lifts being maintained by the manufacturer shall not be more than 8 hours (average) in case of minor faults and 7 days

(average) in case of major faults during the last one financial year

1.1.3 Sub-Station (SStn):

- a) Estimated cost - Rs. 11.52 Crores.
- b) PQ Criteria:
 - (a) Three similar works each of value not less than Rs. 4.60 Crores.
OR
Two similar works each of value not less than Rs. 5.76 Crores.
OR
One similar work of value not less than Rs. 9.21 Crores.
- c) Should have a current electrical license valid of appropriate class for taking up electrical works in Telangana
- d) Similar works shall mean "Supply, Installation, testing & commissioning of Sub-Station with minimum capacity of individual transformer not less than 1600 KVA".

1.1.4 Fire Fighting System (FFS):

- a) Estimated cost – 11.29 Crores.
- b) PQ Criteria:
 - (a) Three similar works each of value not less than Rs. 4.51 Crores.
OR
Two similar works each of value not less than Rs. 5.64 Crores.
OR
One similar work of value not less than Rs. 9.03 Crores.
- c) Should have a current electrical license valid for taking up electrical works in Telangana
- d) Similar works shall mean "Supply, Installation, testing & commissioning of water based wet riser and sprinkler system work in high rise building not less than 15 storeys".

1.1.5 Intelligent Addressable Fire Alarm System with integrated Public Address System (FAS):

- a) Estimated cost - Rs. 5.62 Crores.
- b) PQ Criteria:
 - (a) Three similar works each of value not less than Rs. 2.24 Crores.
OR
Two similar works each of value not less than Rs. 2.81 Crores.
OR
One similar work of value not less than Rs. 4.50 Crores.
- c) Similar works shall mean "Supply, Installation, testing & commissioning of intelligent automatic fire alarm system work in high rise building of not less than 15 storeys".

1.1.6 Sewerage treatment plant (STP):

- a) Approx. Cost - Rs. 5.6 Crores.(Excluding civil cost)
- b) PQ Criteria:
 - (a) Three similar works each of value not less than Rs. 2.24 Crores.
OR
Two similar works each of value not less than Rs. 2.80 Crores.
OR
One similar work of value not less than Rs. 4.48 Crores.
- c) Should have a current electrical license valid for taking up electrical works in Telangana
- d) Similar works shall mean "Supply, Installation, testing & commissioning of STP plant of at least 56 KLD"

Registration/ License: The bidder should have their registration for GST, PF, ESIC, Building Cess Registration etc. (whichever is applicable), with the appropriate Authorities. In case the firm is not registered at the time of submission of bid, they will submit an undertaking that they will get themselves registered with the concerned authorities in case they are awarded the work.

20. The Contractor/firm will indemnify SBI, as the case may be, against all penal action that may be levied/effectuated by any concerned authority for default in any labour regulation/PF/ESI and other statutory requirements of the relevant Acts/Laws related to the work of the contractor and will bear the legal charges, if any, and will pay the legal charges/dues directly to the concerned authority. An undertaking in this regard is required to be submitted by applicants along with prequalification.

This Notice Inviting bid shall form a part of the contract document. The successful Tenderer/Contractor, on acceptance of his tender by the Accepting Authority, shall, within 25 days from the date of issue of the Letter of Acceptance, sign the Contract consisting of: - The Notice Inviting Tender, all the documents including General Conditions of the Contract, tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto including amendments, corrigendum etc. if any.

Bid document consists of:

- i. PART A - (Notice Inviting Tenders (NIT) & Instructions to Bidders (ITB))
- ii. PART B - (General Conditions of Contract)
- iii. PART C - (Specific Conditions of Contract)
- iv. PART D - (Design Basis Report)
- v. PART E - (Technical Specifications)
- vi. PART F - (Tender Drawings)
- vii. PART G - (Financial Bid)
- viii. All amendments(s)/ corrigendum, minutes of pre bid meeting, if any.

21. SBI reserves the right to accept or reject any or all the tenders without assigning any reason, No Bidder shall have any cause of action or claim against the SBI for rejection of his tender.

22. Payments to the selected Contractor will be made directly through SBI through bank transfer.

Completion Period:

The total time allowed for carrying out the works will be as mentioned in **NIT** above from the date of start as defined in Schedule 'F'.

Pre-bid Meeting:

Pre-bid meeting shall be held with the eligible and intending bidders in State Bank of India, Administrative Office (AO) Cyberabad, 1st floor, Gachibowli, Hyderabad – 500 019. as per NIT.

The bidders having queries/clarification regarding the tender can submit their queries at mentioned in Notice Inviting Bid. The pre bid meeting will be held as per the details mentioned in Section – I (Notice Inviting Tender). No other queries shall be entertained or replied to, after the date of submission of queries. SBI' response (including an explanation on the query but without identifying the source of the inquiry) will be uploaded on website of SBI [www.sbi.co.in /tenders/](http://www.sbi.co.in/tenders/) and SBI portal <https://sbi.co.in/web/sbi-in-the-news/procurement-news/> / <https://etender.sbi> for clarifications.

Contractor requiring any clarification with regards to the BID document may utilize the forum of pre-bid to submit queries/clarification regarding the tender can submit their queries at an Email: agmpre.lhohyd@sbi.co.in SBI will respond to any request for clarification which is received within date specified in the NIT. The response (including an explanation on the query but without identifying the source of the inquiry) will be uploaded in the www.sbi.co.in/ SBI in the News procurement news portal. Only written communication/ clarification can be considered valid.

Based on Prebid meeting, addendum / Corrigendum if any will be issued and the same shall form a part of tender document.

Guidelines / Procedure to be followed in introduction on procurement Solution

1. **Submission of Bids:** The bidders who are desirous of participating in tenders shall submit the technical bids at <https://etender.sbi> through online on or before the last date of tender submission.
Price Bid: **Price bid to be submitted through online only in <https://etender.sbi>**
2. **Payment of Bid Security (Earnest Money Deposit):** - The EMD shall be in the form of:
 - Banker's Cheque or Demand Draft
 - **Bank Guarantee** of any Commercial Bank in favor of Assistant General Manager (P&E), SBI Premises & Estate Dept. Local Head Office, 3rd Floor, Bank Street, Koti, Hyderabad. The original EMD should be deposited either in the office of inviting bids within the period of bid submission. The EMD receiving officer shall issue a receipt of deposition of earnest money to the bidder in a prescribed format (FORM-G) in the NIT. This receipt shall also be uploaded to the tendering website by the intending bidder up to the specified bid submission date and time.
3. **Processing of Tenders:** -The concerned officer/officers will evaluate and process the tenders as done in the conventional tenders and will communicate the decision to the bidder.
4. **Price Bid opening:** - The Price Bid of the eligible EPC Contractor will be opened by the Tender opening committee on the specified date and time. The date of opening will be communicated via email only to the bidders who have been shortlisted.
5. **Participation of Bidders at the time of opening bids:** Bidders are required to participate in the tendering process at the time of bid opening. They may attend the bid opening in person at the designated venue, the details of which will be communicated via email.
6. **Signing of agreement:** - After the award of the contract, an agreement may be signed as done in Conventional Tenders.

1.0 General Information:

1.1 Letter of transmittal and forms for deciding eligibility are given in Section V.

1.2 All the information called for in the enclosed forms should be furnished against the relevant columns in the forms. If for any reason, information is furnished on a separate sheet, this fact should be mentioned in the relevant column. Even if no information is to be provided in a column, a 'nil' or 'no such case' entry should be made in that column. If any particulars/query is not applicable in the case of the bidder, it should be stated as 'Not applicable'. The bidders are cautioned that not giving complete information called for in the application forms or not giving it in clear terms or making any change in the prescribed forms (or) deliberately suppressing the information may result in the bid being summarily disqualified. Bids made by telegram or telex and those received late will not be entertained.

1.3 The bid should be type written. The bidder should sign each page of application, forms and documents before submitting the tenders.

1.4 References, information and certificate from the respective clients certifying suitability, technical knowledge or capability of the bidder should be signed by a respective department officer not below the rank of Executive Engineer or equivalent.

1.5 The bidder may furnish any additional information, which he thinks is necessary to establish his capabilities to successfully complete the envisaged work. He is, however, advised not to furnish

superfluous information.

1.6 No information/documents shall be entertained after submission of bid unless it is required to clarify the query raised by Employer. No fresh/revised mandatory document is permitted at this stage.

1.7 If the works executed under Public Limited (listed) companies are shown in support of eligibility, certified copy of the tax deducted at source certificate (TDS) shall be submitted along with the experience certificate and the TDS amount shall tally with the actual amount of work done.

2.0 Definitions:

2.1 In this document the following words and expressions have their meaning here by assigned to them.

2.2 **Client/ Employer:** SBI/ Bank

2.3 **SBI** – Shall means State Bank of India (client) a body Corporate created under State Bank of India Act 1995, having its corporate centre at State Bank Bhavan, Madame Cama Road, Mumbai 400021 and LHO at Hyderabad and includes the client's representatives, successors and assigns.

2.4 **Architects/Consultants /PMC (Project Management Consultants)**– shall mean **M/s. Rdx Architects** No B8, Kala Flats, 44th street, 4th Avenue, Ashok Nagar, Chennai – 600083 or any other consultants appointed by the SBI.

2.5 **BIDDER:** Means the individual, proprietary firm, firm in partnership, limited company (private or public) or corporation.

2.6 **"YEAR"** means "Financial year" unless stated otherwise.

2.7 **BID/Tender**" shall mean documents issued by Technical Cell, EPC (Engineering, Procurement, And Construction) Mission, Planning Department to the prospective Bidder. The word **"Tender"** is synonymous with **"Bid"**.

2.8 **"Bid Security/ Earnest Money"** shall mean the amount to be deposited by the Bidder with the Tender.

2.9 **Bid Validity**" shall mean the period for which the Bids shall remain valid.

3.0 Method of Application:

3.1 If the bidder is an individual, the application shall be signed by him above his/her full type written name and current address. If the bidder is a proprietary firm; the application shall be signed by the proprietor above, his/her full type written name and the full name of his firm with its current address.

3.2 If the bidder is a firm in partnership, the application shall be signed by all the partners of the firm above their full type written names and current addresses or alternatively by a partner holding power of attorney for the firm. In the latter case a certified copy of the power of attorney should accompany the application. In both cases a certified copy of the partnership deed and the current address of all the partners of the firm should accompany the application.

3.3 If the bidder is a limited company or a corporation, the bid shall be signed by a duly authorized person holding power of attorney for signing the application and a certified copy of such power

of attorney shall also be furnished. The bidder should also furnish a copy of a memorandum of articles of association duly attested by a Public Notary.

4.0 Final Decision – Making Authority:

The Employer reserves the right to accept or reject any bid and to annul the process and reject all bids at any time without assigning any reason or incurring any liability to the bidders.

5.0 Particulars – Provisional:

The particulars of the work given in Section - I are provisional. They are liable to change and must be considered only as advance information to assist the bidder.

6.0 Site Visit:

The bidder is advised to visit the site of work, at his own cost, and examine it and its surroundings to himself collect all information that he considers necessary for proper assessment of the prospective assignment.

7.0 For Specialized Agency:

For specialized components of civil, horticulture and E & M works (Components of specialized work shall only be considered while calculating the cost of specialized work). The specialized agency should have satisfactorily completed the said specialized work of amount as mentioned below during the last 7 (seven) years. The value of executed works shall be brought to the current costing level by enhancing the actual value of work at a simple rate of 7% per annum, calculated from the date of completion to previous day of last day of submission of tenders. The bidder should either meet the eligibility conditions mentioned in the NIT or otherwise he will have to associate with an agency meeting the eligibility requirements for specialized work. The bidder shall submit details of such agency(s) as given below to the PMC/SBI of concerned component at least one month in advance from taking up specific company.

8.0 Financial Information:

Bidder should furnish the following financial information:

Annual financial statement for the last Five years in Form 'A'. This should be supported by audited balance sheets and profit and loss accounts duly certified by a Chartered Accountant as submitted by the applicant to the income tax department.

Bankers Certificate Issued by Commercial Bank in Form B

OR

Net worth Certificate issued by CA in Form B-1

9.0 Organization Information:

Bidder is required to submit the information in respect of its organization in Form 'E'

The Bidder should furnish the list of construction plants and equipment required to be used in carrying out the work.

SECTION – 2

Earnest Money Deposit (Bid Security)

1. EMD – Earnest Money Deposit:

- a. The Bidder shall submit EMD for an amount, as mentioned in Notice Inviting tender, in the form of:
- Banker's Cheque or Demand Draft
 - **Bank Guarantee** of any Commercial Bank in favor of Assistant General Manager (P&E), SBI LHO Hyderabad.
 - Banker's Check or Bank Guarantee (including e-Bank Guarantee) from any scheduled commercial bank based in India, in favour of SBI LHO." as per Form B-1, having validity for 180 days or more from the last date of receipt of tenders or any extension thereof.
- a) The earnest money amount in the form of Account Payee Demand Draft, Fixed Deposit Receipt, Banker's Cheque or Bank Guarantee (including e-Bank Guarantee) shall be scanned and uploaded to the Tendering website within the period of bids submissions and original should be deposited in the office of **The Assistant General Manager (P&E), SBI, Premises & Estate Dept. Local Head Office, 3rd Floor, Bank Street, Koti, Hyderabad – 500 095** before the last Date & Time for submission of Bids.
- b) The Bid securities of unsuccessful Bidders shall be discharged/ returned after expiry of the final bid validity and latest on or before the 30th day after the award of contract. However, in case of two packet or two stage bidding, bid securities of unsuccessful bidders during first stage, i.e., technical evaluation etc. should be returned within 30 days of declaration of result of first stage i.e., technical evaluation etc.
- c) The EMD shall be forfeited if a bidder withdraws his bid during the period of bid validity or in the case of the successful bidder, if he fails to furnish the necessary performance security or enter into the Contract within the specified time limit.
- d) The Bid Security Bank Guarantee of the successful bidder shall be returned after receipt of **the Initial Security Deposit (ISD)** as per Clause 1 of the General Conditions of Contract (PART-B).
- e) EMD (Form G) in original as per the required forms should be submitted in the envelope and marked clearly as Envelope No: 1 "**EMD**".

2. Forfeiture of Earnest Money:

- I. If any tenderer with draws his tenders or makes any modifications in the terms & condition of the tender which is not acceptable to the department within 7 days after last date of submission of bids, opening of tender (excluding date of opening of tender) then the bank shall without prejudice to any other right or remedy, be at liberty to forfeit 50% of the Earnest money absolutely, irrespective of letter of acceptance for the work is issued or not.
- II. If any tenderer withdraws his tender or makes any modification in the terms and conditions of the Tender which is not acceptable to the department after expiry of seven days after last date of submission of bids, then the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 100% of the Earnest money absolutely irrespective of letter of acceptance for the work is issued or not. After 7 days of opening of tender the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 100% of the earnest money absolutely, irrespective of letter of acceptance for the work is issued or not.

- III. If Contractor fails to furnish the prescribed Initial security deposit within the prescribed period, the earnest money is absolutely forfeited with SBI automatically without any notice. In case of forfeiture of Earnest money as prescribed in Para (i), (ii) and (iii) above, the bidders shall not be allowed to participate in the rebidding process of the same work.

SECTION -3**Brief description of work**

The State Bank of India (SBI), India's largest public sector bank and a premier financial institution, proposes to develop institutional infrastructure on a strategically located parcel of land that has been specifically earmarked for this purpose. The site is ideally suited for the development of both residential and office infrastructure, enabling the creation of a comprehensive and integrated campus to support SBI's long-term operational and organizational needs.

The scope of work involves the Planning, Designing and Construction of Residential flats and Office Building including statutory approvals for the State Bank of India, SBI Enclave Hyderabad. The development shall feature an RCC framed structure and include all associated miscellaneous works, such as site development, bulk services, and to make the premises fully fit for occupation (services including electrical, firefighting, lifts, Solar system, etc.).

The project shall be executed on an Engineering, Procurement, and Construction (EPC) basis, adopting rapid construction technologies to ensure timely delivery without compromising quality or safety standards.

The responsibility of investigations, MEP, Architectural drawing, planning, designing, procurement, construction, statutory approvals, safety, quality and risk of engineering lies completely with the agency.

The cost of labour, material, tools and plants, machinery required for execution of the whole project as per Layout plan & approved drawings, specifications etc. is within the scope of this work.

The layout plan and conceptual Architectural plans of buildings are provided by the department in this bid document. In case of any deviation from the approved drawings, the same shall be regulated as per Clause 12 of the General Conditions of the Contract.

The details of buildings, approximate area, and particulars are indicated in the table below.

| Type of Building | Designation | Basement | Stilt / Ground | Floors | Towers | Flats | Carpet area per unit in sq.ft |
|----------------------|-------------|----------|----------------|--------|--------|------------------------|-------------------------------|
| Residential Quarters | DGM | 1 | 1 | 27 | 1 | 104+Recreational area | 2000 |
| Residential Quarters | GM | 1 | 1 | 11 | 1 | 22 | 2500 |
| | CGM | - | - | 10 | - | 8 + Recreation al area | 3000 |
| Office Building | LHO / AO / | 2 | 1 | 20 | 1 | - | - |
| Club House | All | 1 | 1 | 4 | 1 | - | - |
| DMD Bungalow | DMD | - | - | 2 | 1 | - | 4312 |

Note: The areas shown are indicative only, and EPC Contractor can make minor changes while making detailed working drawings in consultation with PMC/ SBI. The contractor is advised to calculate the area based on the drawings.

Calculation of Plinth area

For calculation of plinth area, rules for working out the plinth area from plans as given in the **Annexure II of CPWD PAR 2023** available in CPWD website, shall be followed. Specifications mentioned in **CPWD PAR 2023** with up-to-date correction/amendment for relevant building types will have to be adhered to unless specified otherwise.

Mode of measurement

- 1) Measurement will be done on the basis of actual plinth area constructed.
- 2) Plinth area calculation norms as mentioned in Annexure – II of CPWD PAR 2023.

General

1. The work shall be executed on (Engineering, Procurement & Construction) EPC basis including getting all local body clearances as per operational building requirement, carrying out geotechnical investigation (if required by the agency), structural design & drawings, construction and commissioning of buildings & services, obtaining completion certificate and handing over in accordance with approved layout plan and architectural / structural drawings. The layout plan, architectural drawings are provided in the tender document. The contractor to arrange vetting of structural drawings/design from reputed Engineering Institutions like IITs, NITs, Central/State government Institutes with in the project.
2. EPC Contractors have to obtain mandatory pre and post construction approvals from local bodies / Statutory authorities required for commencing the work including occupancy certificate from the local bodies / authorities. The EPC Contractor shall take the general drawings as a reference and develop detailed designs/drawings/MEP drawings suitably by coordinating with all the specialized agencies engaged by them for making the buildings and campus functional and aesthetically appealing. The user department through PMC/SBI may suggest changes within the given scope for accommodating future needs which have to be carried out by the EPC contractor as part of the scope of the work. Any changes, modifications, revision etc. required to be done by PMC/SBI, Hyderabad (end user), Environmental Clearance (EC), Fire safety authorities, Local bodies, proof consultant etc. will have to be attended by the EPC contractor.
3. The bidder has to include cost of services of engaging consultant(s) towards preparation of necessary Architectural/Structural/Service drawings, GRIHA /LEED/IGBC Consultant, obtaining mandatory pre and post construction approvals from local bodies /authorities required for commencing the work including occupancy certificate from the local bodies / authorities and nothing extra shall be payable on this account. The buildings are to be planned and designed in such a way that they derive maximum benefit of the natural resources like sun, wind, etc. The building should be ECBC (Issued by Bureau of Energy Efficiency, Ministry of Power, Govt. Of India) compliant.
4. Prepare all GFC drawings relevant to the construction (based on the approved drawings including modifications etc. if any) including structural and service drawings, retaining walls etc. for all Civil, E&M works involved in the scope and obtain the approval of the SBI/PMC/Authority Engineer-in-charge. Any changes, modifications, revision etc. required to be done by PMC/ SBI (end user), CFO, Local bodies, proof consultant etc. will have to be attended by the EPC Contractor & nothing extra shall be payable.
5. The EPC Contractor shall construct the Buildings, Development and Bulk services as per the Approved drawings. The work in general is to be executed on the basis of the Approved Architectural, Structural & Service drawings and as per the schedule of finishes mentioned, by following the other conditions of bid document, CPWD Specifications, relevant IS codes, National Building Code 2016, LEED/ GRIHA/IGBC, CPWD norms, ECBC Norms, CPWD hand book on barrier free and accessibility, CPWD manual on Accessible Built environment 2019 and other standard specifications shall be followed in general except otherwise mentioned in bid document. Samples of the materials of preferred make or otherwise shall be got approved from the SBI/Officer-

in- charge before use in the work. The above scope of work includes cost of all materials, manpower, equipment, T&P, fixtures, accessories, royalties (Seigniorage), taxes (and all other Taxes/levies), watch & ward and all other essential elements for completion and maintenance of works whatsoever as already stated.

6. On Completion of Work, EPC Contractor shall get required post-construction permissions from the local body, Fire department and other statutory authorities whose permission is required after completion of the construction including completion/occupancy certificate required to complete the building in all respects to make it habitable and ready for occupation and submit a copy of such approvals/certificates to the Engineer-in-charge. (The statutory fees required shall be reimbursed by the BANK upon submission of the receipts, but other expenses towards obtaining the statutory approvals /permission shall be borne by the EPC contractor)
7. The site is a mixed terrain, and the contour map of site (as a guideline) is placed at Part 'F' of this bid document. The contractor may work out his rates considering all the leads, lifts, material transportation including head loads, less output of labor etc. involved in execution, if any, and quote his rates accordingly. No claims on account of difficult terrain conditions or contour difference etc. shall be entertained later on, and nothing extra shall be payable on this account.
8. Necessary detailed survey and soil investigation has to be carried out by the successful bidder for co-relating data and results as indicated in the surveyed site plan, drawings & soil investigation report as attached with bidding document. Any improvement in bearing capacity of soil/variation in soil strata properties, if required as per the soil investigation results, will also be within the scope of this bid. Successful bidder shall also arrange to get the Final results vetted by the reputed Engineering Institutions like IITs, NITs, Central/State government Institutes and approved by PMC/SBI before the same are used in structural design purposes. No claim about the change in site condition or soil strata/bearing capacity shall be entertained in future. No claim whatsoever will be entertained in the future in this regard.
9. The work shall be carried out in accordance with true intent and meaning of the specifications and the drawings read together, regardless of whether the same may or may not be particularly shown on the drawings and / or described in the specifications, provided that the same can be reasonably inferred there from.
10. In case specifications of some of items are not explicitly mentioned in the bid documents same shall be adopted as given in the CPWD Specifications, NBC-2016, BIS Codes or according to sound engineering practices so as to make the building and services fully functional. No claim whatsoever shall be entertained on this account.
11. The cost of labor, material, tools and plants and machinery required for execution of the whole project as per approved Layout plan& detailed design and drawings to be approved, specifications etc. is within the scope of this work.
12. The EPC contractor is required to connect all the external services like Water Supply, Sewerage, Drainage, Electric Supply, LAN/WAN, Telephone Lines, Gas pipe line etc. to the main lines of the authorized service providers of local bodies or any other agency and this shall be considered as integral part of scope of work and such cost shall be included in the price quoted by the EPC contractor.
13. The agency shall be responsible for the safety and watch & ward of fittings and fixtures provided and installed by it in all buildings against pilferage and breakage during the period of installations and thereafter till the building is physically handed over to the department. No extra payment shall be made on this account.

Building Information Models (BIM) Modeling:

14. The 3D Architectural Models of the project will be prepared on any BIM applications with minimum **LOD 350 and IFC format** of the same shall be made available for interoperability of building information to all stakeholders of the project.
15. The comprehensive **BIM model with minimum LOD 350** of project shall have all the architectural, structural, horticulture and MEP services elements. All the BIM Models shall be uploaded on Autodesk construction cloud Build Platform by the contractor and shared with the SBI/PMC/Engineer-in-Charge.

The scope of work includes preparing building information Models (BIM), 3D Design and coordinated drawing of entire Architectural, MEP works and entire services by use of latest Software in vogue like – Revit, AutoCAD 3D, Autodesk Civil 3D etc.

15.1 The level of detail in **BIM** to be done as under: -

- a. **LOD-350** Level corresponding to “Good for Construction” drawings to be issued to the EPC contractor for actual execution after award of work by the Authority Engineer-in- Charge.
- b. **LOD-350/400** (Fabrication& Shop drawings) EPC contractor shall submit it to the PMC/ Engineer-in-charge. These are to be verified and approved as “Good for Construction” for issue to the Contractor by the Officer-in-charge.
- c. **LOD-350/400** (As built drawings) EPC contractor shall submit after completion of execution work. These are to be checked for correctness and approved for handing over.
- d. EPC Contractor shall get approval of the software used for BIM from the PMC/SBI/Engineer- In-Charge.
- e. EPC Contractor shall provide **2** licenses of Autodesk construction Cloud (Build License) exclusively for the PMC/SBI team and advise the EPC contractor's design and site team to use their own Licenses for seamless coordination of the Project.

15.2 The Basic concept drawings of various buildings enclosed in this bid has to be given due regard and this may further be developed and detailed to accommodate all services. Necessary vertical shafts or ducts if required, may be created to accommodate all kinds of services. The accessibility of shafts be ensured at every floor level for necessary maintenance. RCC Ducts/trenches are to be constructed for external services.

16. Local body approval: -

The following are the list of approvals (indicative only) for which the contractor is required to liaison and coordinate with local bodies, State/Central Govt. bodies, PMC/ Architect appointed by Bank for getting necessary permissions/ approvals/ NOC/ License. The statutory payments demanded either in the name of Bank for obtaining these shall be borne by the Bank/ Employer. If this fee is paid by the contractor, the same shall be reimbursed on submission of Original Receipt.

- i. Consent to Establishment & Operate
- ii. Tree Cutting from Local authority and trees transplanting.
- iii. Obtain commencement certificate from the Building Proposal Office and pay development charges (Premium FSI, TDR)
- iv. Permission for Excavation including dewatering

- v. Electric substation NOC for all substation Transformers in building (Electric Service Provider)
 - vi. Handing over of reservations (if any) to Municipal Corporation/ Development Authority.
 - vii. Demarcation of Roads from A.E. (survey)
 - viii. Obtain Building completion certificate from the Municipal Corporation/ Development Authority
 - ix. Apply for permanent power connection and pay fees at Electricity Department
 - x. Obtain permanent water connection (with inspection) (Municipal)
 - xi. Obtain permanent sewerage connection (Municipal)
 - xii. Obtaining Final NOC from Fire department
 - xiii. Occupancy certificate
 - xiv. Completion certificate
 - xv. Lift NOC
 - xvi. Fire NOC
 - xvii. NOC from Civil Aviation, if applicable.
 - xviii. Environmental clearance, if applicable.
 - xix. Labour license
 - xx. Mutation of building
 - xxi. Any other approvals as required.

| III. | Fire Fighting with wet riser and sprinkler system & Automatic Fire Alarm System |
| IV. | Pressurized mechanical ventilation system in the basements |
| V. | Hydro pneumatic water supply system |
| VI. | 33 KV Receiving Substation and 33 KV/11 KV Cabling, Solar Power Plant, Substation |
| VII. | Diesel Generator sets, Uninterrupted Power Supply (UPS) system, Gas pipeline system (only for Residential Buildings) |
| C | CIVIL EXTERNAL DEVELOPMENT AND BULK SERVICES – |
| i. | Development of Site, levelling |
| ii. | Earth work excavation for the approaches from both sides to the rear side of building by ramps with necessary RCC retaining walls and for disposal of hard rock and surplus earth from site to the dumping grounds as per GHMC provisions. |
| iii | Approach roads to building and Main Roads, Internal roads (CC pavement with VDF) |
| iv | Storm water drain, Distribution pipelines |
| v | Rainwater harvesting (RWH) |
| vi | RCC Retaining wall |
| vii | Over Head Tanks (OHT) without independent staging, Underground Sumps (domestic, flushing, firefighting) |
| viii | STP/ETP Plant |
| ix | Electromechanical boom barrier & Motorized Steel gates |
| X | Boundary Walls |
| D | Horticulture works |
| i | Jogging track, Outdoor Amphitheatre |
| E | Specialized E&M Works |
| i | Solar Water Heating System (Club House) |

- I. The above scope is indicative and suggestive. The EPC Contractor may have to execute all required works, if left omitted in above scope, for making the building fit for occupation and functional use by the user department.
- II. The Layout Plan, tender drawings, and Soil test report forming part of this NIT are indicative only. There can be changes in the scope of work as per the requirement of the Local Body, Hyderabad Fire Services etc. due to Building byelaws or statutory requirements. Agency shall carry out such changes during the construction phase.

- III. Construction of all Civil, Electrical, Mechanical and their integration and installation and commissioning including development of area, internal roads, street lighting, other amenities etc. as required having compliance to the relevant statutory norms, compliances; functionality and safety requirement etc. are in the scope of work.
- IV. Scope of work, Detailed specifications General Conditions, Additional and other conditions/specifications for Civil, E&M and Horticultural works have been given in detail in respective chapters & schedules of this bid document in **Part 'B', Part 'C' and Part 'D'** and same may be referred.

2. Defects Liability Period:

- a) Scope of work includes rectifying all defects/ repair including building and services of all Civil, Electrical & Mechanical services, and the equipment /components provided, for a **period of 24 months** after the completion of work up to the Satisfaction of the PMC/SBI/Engineer-in- Charge.
- b) During this period, the defects noticed in the work shall be rectified by the **EPC Contractor** at his own cost. In case he fails to do so after intimation to him in writing by the SBI / Engineer-in-charge, the same shall be carried out by the Department at his risk and cost. However, maintenance of other building activities such as cleaning, sweeping of pocket & de-silting of sewer lines, S.W. Drain shall be done only once, at the time prior to handing over the building/campus.
- c) Defects of serious nature causing inconvenience such as leakage, reverse floor slopes affecting the drainage (ponding of water), warping and opening of joints in doors and window shutters etc. shall be undertaken by the **EPC contractor** immediately on receipt of the complaint but not exceeding one-week time, failing which the defects will be got rectified at his risk and cost.
- d) All other defects notified to the contractor during the DLP shall be rectified to the entire satisfaction of officer-in-Charge or item replaced as soon as possible but not later than one month in any case. Failure to do so in a reasonable period, the officer -in-Charge shall get it done at the **EPC Contractor's** cost after final notice of 10 days. The decision of the officer-in-Charge regarding a defect being of a serious nature or otherwise shall be final and binding.

3. Health & Safety Manual provisions

The EPC Contractor will comply of the provisions contained safety, Health and Environment health book 2019 available CPWD web site www.cpwd.gov.in failing which he / they will be liable for the penalties on each violation subject to compounding of the same to maximum of such default as mentioned in the various unsafe act / unsafe conditions in this manual.

This, apart from the other fines/ levies/ penalties, is mentioned in the documents elsewhere. It is incumbent upon the **EPC contractor** to ensure in undertaking all health and safety compliance for safety of all concern to generate safety conscious and safety regulatory as his primary statutory duties or responsibilities in the contract.

4. SAFETY MEASURES: Insurance Policies

Before commencing the execution of work, the Contractor shall, without in any way limiting his obligations and liabilities, insure at his own cost and expense against any damage or loss or injury, which may be caused to any person or property, at site of work.

The EPC Contractor shall obtain and submit to the PMC/SBI/Officer-in-Charge a proper Contractor All Risk (CAR) Insurance Policy for 100% of Contract amount for this work, with officer in-Charge as the first beneficiary.

The insurance shall be obtained in joint names of officer-in-Charge and the Contractor (who shall be second beneficiary). Also, he shall indemnify the SBI from any liability during the execution of the

work. Further, he shall obtain and submit to the PMC/SBI/officer -in-Charge, a third-party insurance policy for minimum Rs. 10 lakhs for each accident, with the PMC/SBI/officer -in-Charge as the first beneficiary. The insurance shall be obtained in joint names of PMC/SBI/officer -in-Charge and the EPC Contractor (who shall be second beneficiary).

5. Specialized Civil, Electrical & Mechanical works:

The Tenderer must associate himself with agencies of the appropriate eligibility for each of specialized nature of items/work listed in Part B, Part C & DBR. Such works shall be got executed only through associated agencies specialized in these fields. The tenderer whose tender is accepted shall indicate the name(s) of his associated specialized agencies those fulfilling the eligibility criteria laid down in Part B & C after award of work and at least 30 days before commencement of such items / but within 90 days of award of work, whichever is earlier, with their credentials for the approval of the PMC/SBI/Engineer-in-Charge of that component, whose decision shall be final and binding.

6. Site Development

- a) The entire plot shall be levelled according to formation levels by cutting or filling wherever necessary.
- b) Terracing wherever necessary by providing retaining walls, toe walls, necessary steps etc. is also included in the scope of work.

7. Rainwater harvesting Measures:

- a. The agency shall consider to plan, design and construct the Rainwater harvesting system "RWH" for the best use of the building. The system shall be so designed that the rainwater collected from the building (Roof tops + other paved areas) is best utilized either by the storage or recharging the ground water table. The requirement of water for horticulture and other purposes of the campus shall primarily be met out from the best utilization of rainwater.
- b. The CPWD publication of "Rainwater harvesting and conservation manual 2019" could be referred to for compliance.

8. Detailed Estimate

The contractor shall provide a detailed estimate of all the quantities for all items of work to be executed within 3 months of the award of work. The cost of various components shall be provided using such quantities with rates of corresponding **DSR 2023** items (Market analyzed rates for non DSR items). The modified detailed estimate with all final quantities for all items of works as executed at site shall be submitted before pre final bill payment.

9. Sample collection room, sample store, Testing Laboratory:

Scope of work includes construction/providing of Equipment Sample collection room, sample store, Testing Laboratory (semi-permanent structure) with required partitions of minimum area of 50 **Sqm**. The location, specification and plan shall be approved by the SBI / Engineer-in-Charge. The EPC Contractor shall provide this facility with all required E & M services within 45 days from award of work and nothing extra shall be payable on this account. Outside testing shall be carried out by the EPC contractor within their quoted amount.

10. Accessible India Measures (Universal Accessibility):

- a) Planning, Designing and construction shall confirm and get Certification from:
 - (i) **Platinum** rating as per IGBC.
 - (ii) Barrier free built environment & accessible for Divyangjan norms. (shall comply with the provisions of "Handbook on barrier free and accessibility", "CPWD manual on Accessible Built environment 2019" – copy for free download is available on www.cpwd.in and hence copy of the same is not included in the tender document but it forms part of tender)
 - (iii) Handbook on Safety, health and environment – 2019 – copy of free download is

available on www.cpwd.in hence copy of the same is not included in the tender document but it forms part of tender).

- b) The agency shall construct the buildings considering the built environment accessibility and implement it in the buildings. All measures shall be taken to eliminate obstacles and barriers indoors and outdoors and in workplaces. An accessible building is where people with disabilities have no barrier in entering it and using all the facilities therein. This covers the built environment – services, steps and ramps, corridors, entry gates, emergency exits, lifts, parking, toilets in GF – as well as indoor and outdoor facilities including lighting, signage, alarm systems and public toilets.
- c) The CPWD publication of “Handbook on Barrier free and accessibility”, “CPWD manual on accessible built environment 2019” (copy of free download is available on www.cpwd.gov.in) and MOUD guidelines published in 2016 “Harmonized Guidelines and Space Standards on Barrier Free Built Environment for persons with Disability and Elderly Persons” and requirements as per International Standard/ISO 21542 – 2011 could be referred for compliance.
- d) The **EPC Contractor** should follow norms of Barrier free built environment as per CPWD “Manual on Accessible Built Environment 2019” for persons with disability and elderly persons.
- e) The agency shall also be responsible for getting the accessibility audit (Post Audit) done to confirm whether the building meets the standards.

SECTION – 4 EVALUATION PROCESS

The Bids will be evaluated in the following stages.

Pre-Qualification Evaluation

During the Pre-Qualification Evaluation stage, Technical Bid will be verified for compliance with the amount and format prescribed in the tender terms and conditions. In addition, the bidder's eligibility will be assessed based on criteria such as prior experience in design, completion of similar projects, assignments, availability of qualified technical and design teams, client certifications, and submission of confidential reports, where applicable.

Technical Bid

- a) Notice inviting tenders & Instructions to the tenders.
- b) Earnest Money Deposit (EMD)
- c) Soil Investigation Report of the plot/ land.
- d) Brief Scope of work.
- e) Pre-qualification and eligibility criteria.
- f) Formats and Annexures.

Opening of Technical Bid

The Technical Bids shall be opened on the scheduled bid opening date as specified in the Notice Inviting Tender (NIT) or any subsequent corrigendum issued. As part of the technical evaluation process, all EPC bidders are required to submit a comprehensive Approach & Methodology and Construction Technology including Site Establishment, Tools, Plant & Machinery, Manpower Deployment and site organization chart along with the technical bid.

It is strictly instructed that no price, cost estimate, or any financial data shall be included or disclosed in any portion of the Technical Bid. The Evaluation Committee shall assess the submissions solely on the basis of technical merit, feasibility, sustainability, construction efficiency, and innovation—without any reference to financial aspects at this stage.

The date and time for opening the Financial Bids of the technically qualified shortlisted bidders will be intimated separately in due course.

Opening of Financial Bid

The Financial Bids of only those bidders who are declared technically qualified shall be opened through the official e-Procurement Portal. Upon opening, the e-Procurement system will automatically generate a Comparative Statement displaying the total prices quoted by all eligible bidders. This comparative statement shall be accessible to all participating bidders through the portal.

Bidders may also attend the financial bid opening session. The Employer shall award the contract to the bidder whose financial offer is determined to be the lowest evaluated bid, substantially responsive to the requirements of the Bidding Document, and who has been determined to possess the requisite qualifications to execute the contract satisfactorily.

Letter of Acceptance:

The Successful Bidder would be notified in writing by PMC/SBI by issuing the **Letter of Acceptance (LoA)** in favor of the Bidder.

A work order will be issued only after obtaining necessary Statutory approvals from respective authorities as per the stipulated time.

SECTION - 5
FORMS AND ANNEXURES

**INFORMATION REGARDING ELIGIBILITY
LETTER OF TRANSMITTAL**

From:

To:

Assistant General Manager (P&E),
State Bank of India,
Premises & Estate Dept.
Local Head Office,
3rd Floor, Bank Street,
Koti, Hyderabad – 500 095

Subject: - Construction of 134 Residential Flats (2 Towers), DMD Bungalow, Office Building and Club house for SBI Enclave, Lingampally Post, Hyderabad in EPC Mode.

Sir,

Having examined the details given in the press notice and bid document for the above work, I/we hereby submit the relevant information.

1. I/We hereby certify that all the statements made, and information supplied in the enclosed forms A to P and accompanying statements are true and correct.
2. I/We have furnished all information and details necessary for eligibility and have no further pertinent information to supply.
3. I / We, submit the requisite certified Bankers certificate and authorize the AGM (P&E), SBI LHO, Hyderabad, to approach the Bank issuing the Bankers certificate to confirm the correctness thereof. DECLARATION ABOUT SITE INSPECTION

To

Assistant General Manager (P&E),
State Bank of India,
Premises & Estate Dept.
Local Head Office,
3rd Floor, Bank Street,
Koti, Hyderabad – 500 095

Name of Work: - Construction of 134 Residential Flats (2 Towers), DMD Bungalow, Office Building and Club house for SBI Enclave, Lingampally Post, Hyderabad in EPC Mode.

Dear Sir,

It is hereby declared that as per clause of tender, I/ We the bidder(s) inspected and examined the subject site and its surrounding and satisfy myself / ourselves as to the nature of the ground and sub-soil (so far as is practicable), the forms and nature of the site before submitting the bid, the accommodation which may require and all necessary information as to risks, contingencies and other circumstances which may influence or affect our bid have been obtained. I/We the bidder shall have full knowledge of the site and no extra charge consequent upon any misunderstanding or otherwise shall be claimed at any later date.

I /We bidder shall be responsible for arranging and maintaining at own cost all materials, tools & plants, water, electricity, access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a bid by me/us implies that I / We have read this notice and all other contract documents and has / have made myself /ourselves aware of the scope and specifications of the work to be done and local conditions and other factors having a bearing on the execution of the work.

Yours faithfully,

(Duly authorized signatory of the bidder)

(Guarantee offered by Bank to SBI in connection with the execution of contracts)
Form of Bank Guarantee for Earnest Money Deposit / Initial Security Deposit /Security Deposit/Mobilization Advance

1. Whereas the AGM (P&E), SBI LHO..... (name of division)
SBI has invited bids under.....(NIT number)
dated.....for..... (name of work)
.....The SBI has further agreed to accept irrevocable Bank
Guarantee for Rs. (Rupees..... only) valid up to(date)*.....as
Earnest Money Deposit from (Name and
address of contractor) (hereinafter called "the contractor") for compliance of his obligations
in accordance with the terms and conditions of the said NIT.

OR**

Whereas the Executive Engineer..... (name of division)
SBI has entered into an agreement bearing number with
.....(name and address of the contractor) (hereinafter called "the
Contractor") for execution of work..... (name of work) The Bank has
further agreed to accept an irrevocable Bank Guarantee for Rs. (Rupees.....
only) valid up to (date) as **Initial Security Deposit /Security
Deposit/Mobilization Advance** from the said Contractor for compliance of his obligations
in accordance with the terms and conditions of the agreement.

2. We, (indicate the name of the bank) ... (herein after referred to as "the bank"),
hereby undertake to pay to the Bank an amount not exceeding Rs,,
(Rupees.....only) on demand by the Bank within 10 days of the demand.
3. We, (indicate the name of the Bank)do here by undertake to pay the
amount due and payable under this guarantee without any demur, merely on a demand from
the Bank stating that the amount claimed is required to meet the recoveries due or likely to

Bank any money so demanded notwithstanding any dispute or disputes raised by the
contractor in any suit or proceeding pending before any Court or Tribunal, our liability under
this Bank Guarantee being absolute and unequivocal. The payment so made by us under
this Bank Guarantee shall be a valid discharge of our liability for payment there under, and
the contractor shall have no claim against us for making such payment.
5. We, (indicate the name of the Bank).further agree that the
Bank shall have the fullest liberty without our consent and without affecting in any manner
our obligation here under to vary any of the terms and conditions of the said agreement or
to extend time of performance by the said contractor from time to time or to postpone for
any time or from time to time any of the powers exercisable by the Bank against the said
contractor and to forbear or enforce any of the terms and conditions relating to the said
agreement and we shall not be relieved from our liability by reason of any such variation or

extension being granted to the said contractor or for any forbearance, act of omission on the part of the Bank or any indulgence by the Bank to the said contractor or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. We, (indicate the name of the Bank)further agree that the Bank at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor at the first instance without proceeding against the contractor and notwithstanding any security or other guarantee the Bank may have in relation to the Contractor's liabilities.
7. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor.
8. We, (indicate the name of the Bank).undertake not to revoke this guarantee except with the consent of the Bank in writing.

This Bank Guarantee shall be valid up to, unless extended on demand by the Bank. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to s..... (Rupees only) and unless a claim in writing is lodged with us within the date of expiry or extended date of expiry of this guarantee, all our liabilities under this guarantee shall stand discharged.

FORM 'Q'**SELF-DECLARATION FOR USE OF BIM SOFTWARE**

(To be submitted as part of Technical Bid)

To

Assistant General Manager (P&E),
 State Bank of India,
 Premises & Estate Dept.
 Local Head Office,
 3rd Floor, Bank Street,
 Koti, Hyderabad – 500 095.

Tender No. SBI/HYD/2025-26/006

Name of work: - Construction of 134 Residential Flats (2 Towers), DMD Bungalow, Office Building and Club house for SBI Enclave, Lingampally Post, Hyderabad in EPC Mode.

Dear Sir,

With reference to the above-mentioned tender, I/We, the undersigned, hereby declare our commitment to implement **Building Information Modeling (BIM)** in the execution of the said project, in accordance with the technical specifications and tender conditions.

We undertake to use appropriate, licensed BIM software and technologies across all applicable project stages, including design coordination, construction planning, clash detection, quantity take-offs, and progress monitoring.

We will prepare and submit a comprehensive BIM Execution Plan (BEP) upon award of contract. This will include BIM roles/responsibilities, LOD standards, file naming conventions, collaboration workflows, and data exchange protocols as per the Employer's Information Requirements (EIR).

Below is a list of projects successfully executed by us using BIM:

| S.No | Project Name | Client / Employer details | Period of Construction | Scope of BIM Services |
|------|--------------|---------------------------|------------------------|-----------------------|
| | | | | |
| | | | | |

We hereby declare that the above information is true to the best of our knowledge and undertake to fulfill all BIM-related commitments as per project requirements.

Yours faithfully,**(Duly authorized signatory of the bidder)**
