 - Final bill within one month

- (k) Submitting report to the Bank after verification the account of cement and other important materials as Bank may specify and certifying the quantities utilized in the works.
- (l) Obtaining final building completion certificate and securing permission of Municipal Corporation or other authority for occupation of the building and obtaining refund of deposits, if any, made by the Bank to the Municipal Corporation or other authority. The Architects shall be also fully responsible for obtaining all other NOCs like those of Fire, Aviation and other departments/ offices of Govt./ Semi Govt./ Public Bodies in connection with getting approvals to the plans, commencement of works, completion of works etc.
- (m) Appearing on behalf of the Bank before the Municipal Assessor & Collector or other authority in connection with the final settlement of the initial ratable value of the building/s and tendering advice in the matter to the Bank.
- (n) Any other service connected with the said works usually and normally rendered by Architects and not included in any of the items referred to above.

2. Conditions of Engagement:

- a) The Architects shall submit to the Bank the sketch plans, detailed plans, cost estimates, tender documents etc. within the period stipulated in the schedule hereto annexed.
- b) The Architects shall exercise all reasonable skill, care and diligence in the discharge of duties hereby covenanted to be performed by them and shall exercise such general superintendence and inspection in regard to the said works as may be necessary to ensure that the work being executed by the contractors under day to day supervision of the site Engineer/PMC/ Resident's Architect Engineer is in accordance with the architectural working drawings and the finishes etc. as provided for by them. In the event of their finding out/ observing any deviations there from, they shall immediately bring it to the notice of the site Engineer/PMC / Resident's Architect Engineer/Contractors at the site and write to the contractors for the same. All such letters addressed to the contractors by the architects shall be routed, without exception through the PMC if any site Engineer/PMC is engaged, so that if there is any point of difference or there is any genuine technical / administrative / contractual difficulty in following the architects' directions, the site Engineer/PMC can first talk to the architects and or to the Bank before the architects' letter/s reach to the contractors. Simultaneously, copies of all such correspondence with the PMC/ Contractors shall be sent to the Bank by the architects periodically.

Architects' overall responsibility will continue during the defect liability period to see that the PMC are persuaded to get the defects, if any, removed by the contractors and they shall give a "No Objection Certificate" at the end of the defect liability period of twelve months to the contractors if any Site Engineer/PMC is appointed otherwise Architects will take the responsibility themselves.
