2. INVITATION TO BID:

- i. **State Bank of India** (herein after referred to as ‘**SBI/the Bank**’), having its Corporate Centre at Mumbai, various other offices (LHOs/ Head Offices /Zonal Offices/Global Link Services, Global IT Centre, foreign offices etc.) of State Bank of India, branches/other offices, Subsidiaries and Joint Ventures available at various locations and managed by the Bank (collectively referred to as **State Bank Group** or ‘**SBG**’ hereinafter). This Request for Proposal (RFP) has been issued by **the Bank** on behalf of **SBG** and the Bank sponsored Regional Rural Banks (RRBs) for procurement of **IT HARDWARE INFRASTRUCTURE WITH INSTALLATION AND SUPPORT SERVICES ON INTEL X86 ARCHITECTURE**
- ii. For the purpose of RRBs, the reference of “SBI/ the Bank/ SBG” made in this document shall be construed as reference to respective RRB and Agreements will have to be executed separately between successful bidder(s) and respective RRB. The successful bidder is required to complete all formalities with each RRB separately which are required to be performed for SBI including submission of separate performance Bank guarantee (PBGs) to each RRB. However, only one EMD needs to be submitted against this document.
- iii. In order to meet the IT hardware requirements, the Bank proposes to invite online Bids from eligible Bidders to undertake supply, installation, testing, commissioning and maintenance of IT hardware as per details/scope of work mentioned in **Appendix-E** of this RFP.
- iv. Bidder shall mean any entity (i.e. juristic person) who meets the eligibility criteria given in **Appendix-B** of this RFP and willing to provide the Product and Services as required in this RFP. The interested Bidders who agree to all the terms and conditions contained in this RFP may submit their Bids with the information desired in this RFP. Consortium bidding is not permitted under this RFP.
- v. Address for submission of online Bids, contact details including email address for sending communications are given in Schedule of Events of this RFP.

- vi. The purpose of SBI behind this RFP is to seek a detailed technical and commercial proposal for procurement of the Product and Services desired in this RFP.
- vii. This RFP document shall not be transferred, reproduced or otherwise used for purpose other than for which it is specifically issued.
- viii. Interested Bidders are advised to go through the entire RFP before submission of online Bids to avoid any chance of elimination. The eligible Bidders desirous of taking up the project for providing of proposed Product and Services for SBI are invited to submit their technical and commercial proposal in response to this RFP. The criteria and the actual process of evaluation of the responses to this RFP and subsequent selection of the successful Bidder will be entirely at Bank's discretion. This RFP seeks proposal from Bidders who have the necessary experience, capability & expertise to provide SBI the proposed Services adhering to Bank's requirements outlined in this RFP.

3. DISCLAIMER:

- i. The information contained in this RFP or information provided subsequently to Bidder(s) whether verbally or in documentary form/email by or on behalf of SBI, is subject to the terms and conditions set out in this RFP.
- ii. This RFP is not an offer by State Bank of India, but an invitation to receive responses from the eligible Bidders.
- iii. The purpose of this RFP is to provide the Bidder(s) with information to assist preparation of their Bid proposals. This RFP does not claim to contain all the information each Bidder may require. Each Bidder should conduct its own investigations and analysis and should check the accuracy, reliability and completeness of the information contained in this RFP and where necessary obtain independent advices/clarifications. Bank may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information in this RFP.
- iv. The Bank, its employees and advisors make no representation or warranty and shall have no liability to any person, including any Bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this RFP or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the RFP and any assessment,

assumption, statement or information contained therein or deemed to form or arising in any way for participation in this bidding process.

- v. The Bank also accepts no liability of any nature whether resulting from negligence or otherwise, howsoever caused arising from reliance of any Bidder upon the statements contained in this RFP.
- vi. The Bidder is expected to examine all instructions, forms, terms and specifications in this RFP. Failure to furnish all information required under this RFP or to submit a Bid not substantially responsive to this RFP in all respect will be at the Bidder's risk and may result in rejection of the Bid.
- vii. The issue of this RFP does not imply that the Bank is bound to select a Bidder or to award the contract to the Selected Bidder, as the case may be, for the Project and the Bank reserves the right to reject all or any of the Bids or Bidders without assigning any reason whatsoever before issuance of purchase order and/or its acceptance thereof by the successful Bidder as defined in Award Criteria and Award of Contract in this RFP.

4. SCOPE OF WORK:

As given in **Appendix-E** of this document.

5. ELIGIBILITY AND TECHNICAL CRITERIA:

- i. Bid is open to all Bidders who meet the eligibility and technical criteria as given in **Appendix-B & Appendix-C** of this document. The Bidder has to submit the documents substantiating eligibility criteria as mentioned in this RFP document.
 - (a) If any Bidder submits Bid on behalf of Principal/OEM, the same Bidder shall not submit a Bid on behalf of another Principal/OEM under the RFP. Bid submitted with options of multiple OEMs shall also be considered Bid submitted on behalf of multiple OEMs.
 - (b) Either the Bidder on behalf of Principal/OEM or Principal/OEM itself is allowed to Bid, however both cannot Bid simultaneously.
- ii. The Bidder shall also submit **physical copy of PRE-CONTRACT INTEGRITY PACT** along with technical Bid as prescribed in **Appendix-Q** duly signed by the

Bidder on each page and witnessed by two persons. The **Pre-Contract Integrity Pact** shall be stamped as applicable in the State where it is executed. Bid submitted without Pre-Contract Integrity Pact, as per the format provided in the RFP, shall not be considered.

6. COST OF BID DOCUMENT:

The participating Bidders shall bear all the costs associated with or relating to the preparation and submission of their Bids including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstration or presentations which may be required by the Bank or any other costs incurred in connection with or relating to their Bid. The Bank shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by a Bidder regardless of the conduct or outcome of the bidding process.

7. CLARIFICATION AND AMENDMENTS ON RFP/PRE-BID MEETING:

- i. Bidder requiring any clarification on RFP may notify the Bank in writing strictly as per the format given in **Appendix-O** at the address/by e-mail within the date/time mentioned in the Schedule of Events.
- ii. A pre-Bid meeting will be held in person or online on the date and time specified in the Schedule of Events which may be attended by the authorized representatives of the Bidders interested to respond to this RFP.
- iii. The queries received (without identifying source of query) and response of the Bank thereof will be posted on the Bank's website or conveyed to the Bidders.
- iv. The Bank reserves the right to amend, rescind or reissue the RFP, at any time prior to the deadline for submission of Bids. The Bank, for any reason, whether, on its own initiative or in response to a clarification requested by a prospective Bidder, may modify the RFP, by amendment which will be made available to the Bidders by way of corrigendum/addendum. The interested parties/Bidders are advised to check the Bank's website regularly till the date of submission of Bid document specified in the Schedule of Events/email and ensure that clarifications / amendments issued by the Bank, if any, have been taken into consideration before submitting the Bid. Such amendments/clarifications, if any, issued by the Bank will be binding on the participating Bidders. Bank will not take any responsibility for any such omissions by the Bidder. The Bank, at its own discretion, may extend the deadline for submission of Bids in order to allow prospective Bidders a reasonable time to prepare the Bid, for taking the amendment into account. Nothing in this RFP

or any addenda/corrigenda or clarifications issued in connection thereto is intended to relieve Bidders from forming their own opinions and conclusions in respect of the matters addresses in this RFP or any addenda/corrigenda or clarifications issued in connection thereto.

- v. No request for change in commercial/legal terms and conditions, other than what has been mentioned in this RFP or any addenda/corrigenda or clarifications issued in connection thereto, will be entertained and queries in this regard, therefore will not be entertained.
- vi. Queries received after the scheduled date and time will not be responded/acted upon.

8. CONTENTS OF BID DOCUMENT:

- i. The Bidder must thoroughly study/analyse and properly understand the contents of this RFP, its meaning and impact of the information contained therein.
- ii. Failure to furnish all information required in this RFP or submission of Bid not responsive to this RFP in any respect will be at the Bidder's risk and responsibility and the same may finally result in rejection of its Bid. The Bank has made considerable effort to ensure that accurate information is contained in this RFP and is supplied solely as guidelines for Bidders.
- iii. The Bid prepared by the Bidder, as well as all correspondences and documents relating to the Bid exchanged by the Bidder and the Bank and supporting documents and printed literature shall be submitted in English.
- iv. The information provided by the Bidders in response to this RFP will become the property of the Bank and will not be returned. Incomplete information in Bid document may lead to non-consideration of the proposal.

9. EARNEST MONEY DEPOSIT (EMD):

- i. The Bidder shall furnish EMD for the amount and validity period mentioned in Schedule of Events of this RFP.
- ii. EMD is required to protect the Bank against the risk of Bidder's conduct.
- iii. The EMD should be directly credited to the designated account or it should be in form of Bank Guarantee (as prescribed in **Appendix-R**) issued in favour of State

Bank of India by any scheduled commercial bank in India. In case, SBI is the sole banker of the Bidder, a Letter of Comfort from SBI would be acceptable.

If EMD is directly credited to designated account, proof of remittance of EMD in the designated account should be enclosed with the technical bid. However, if EMD is in form of Bank Guarantee, scanned copy of original EMD Bank Guarantee should be uploaded on portal of e-Procurement agency along with technical bid. Original EMD Bank Guarantee should be delivered through registered post/courier or given in person to the Bank at the address specified in Schedule of Event Sl. No. 1, within the bid submission date and time for the RFP.

- iv. Any Bid not accompanied by EMD for the specified amount and not submitted to the Bank as mentioned in this RFP will be rejected as non-responsive.
- v. The EMD of the unsuccessful Bidder(s) would be refunded/returned by the Bank within 2 weeks of the Bidder being notified as being unsuccessful.
- vi. The EMD of successful Bidder will be discharged upon the Bidder signing the Contract and furnishing the Bank Guarantee for the amount and validity as mentioned in this RFP, which should be strictly on the lines of format placed at **Appendix-J**.
- vii. No interest is payable on EMD.

viii. The EMD may be forfeited:-

- (a) if a Bidder withdraws his Bid during the period of Bid validity specified in this RFP; or
 - (b) if a technically qualified Bidder do not participate in the auction by not logging in, in the reverse auction tool; or
 - (c) if a Bidder makes any statement or encloses any form which turns out to be false / incorrect at any time prior to signing of Contract; or
 - (d) if the successful Bidder fails to accept Purchase Order and/or sign the Contract with the Bank or furnish Bank Guarantee, within the specified time period in the RFP.
- ix. If EMD is forfeited for any reasons mentioned above, the concerned Bidder may be

debarred from participating in the RFPs floated by the Bank/this department, in future, as per sole discretion of the Bank.

10. BID PREPARATION AND SUBMISSION:

- i. The Bid is to be submitted separately for technical and Price on portal of e-Procurement agency for **providing of _____** in response to the **RFP No. _____ dated _____**. Documents mentioned below are to be uploaded on portal of e-Procurement agency with digital signature of authorised signatory:
- (a) Index of all the documents, letters, bid forms etc. submitted in response to RFP along with page numbers.
 - (b) Bid covering letter/Bid form on the lines of **Appendix-A** on Bidder's letter head.
 - (c) Proof of remittance of EMD (if directly credited in designated account) and Tender Fee as specified in this document. In case, EMD is submitted in form of BG, scanned copy of original BG should be uploaded subject to compliance of requirement mentioned in clause no 11 "DEADLINE FOR SUBMISSION OF BIDS" sub-clause (ii).
 - (d) Specific response with supporting documents in respect of Eligibility Criteria as mentioned in **Appendix-B** and technical eligibility criteria on the lines of **Appendix-C**.
 - (e) Bidder's details as per **Appendix-D** on Bidder's letter head.
 - (f) Audited financial statement and profit and loss account statement as mentioned in Part-II.
 - (g) Detailed explanation of functioning of hardware/firmware. Licensing details of operating software/firmware.
 - (h) Undertaking of Authenticity as per **Appendix-G**.
 - (i) Format for Manufacturer's Authorization Form as per **Appendix-H**.
 - (j) A copy of board resolution along with copy of power of attorney (POA wherever applicable) showing that the signatory has been duly authorized to sign the Bid document.
 - (k) If applicable, scanned copy of duly stamped and signed Pre-Contract Integrity Pact subject to compliance of requirement mentioned in clause no 11 "DEADLINE FOR SUBMISSION OF BIDS" sub-clause (ii).
The Bidder shall also submit **physical copy of PRE-CONTRACT INTEGRITY PACT** as prescribed in **Appendix-Q**.
 - (l) If applicable, copy of registration certificate issued by competent authority as mentioned in SI No 2 of Eligibility Criteria under Appendix-B.

- i. **Indicative Price Bid** for providing of _____ in response to the **RFP No.** _____ dated _____ should contain only indicative Price Bid strictly on the lines of **Appendix-F**. The Indicative Price must include all the price components mentioned. Prices are to be quoted in Indian Rupees only.

ii. Bidders may please note:

- (a) The Bidder should quote for the entire package on a single responsibility basis for Services it proposes to provide.
- (b) While submitting the Technical Bid, literature on the Services should be segregated and kept together in one section.
- (c) Care should be taken that the Technical Bid shall not contain any price information. Such proposal, if received, will be rejected.
- (d) The Bid document shall be complete in accordance with various clauses of the RFP document or any addenda/corrigenda or clarifications issued in connection thereto, duly signed by the authorized representative of the Bidder. Board resolution authorizing representative to Bid and make commitments on behalf of the Bidder is to be attached.
- (e) It is mandatory for all the Bidders to have class-III Digital Signature Certificate (DSC) (in the name of person who will sign the Bid) from any of the licensed certifying agency to participate in this RFP. DSC should be in the name of the authorized signatory. It should be in corporate capacity (that is in Bidder capacity).
- (f) Bids are liable to be rejected if only one Bid (i.e. Technical Bid or Indicative Price Bid) is received.
- (g) If deemed necessary, the Bank may seek clarifications on any aspect from the Bidder. However, that would not entitle the Bidder to change or cause any change in the substances of the Bid already submitted or the price quoted.
- (h) The Bidder may also be asked to give presentation for the purpose of clarification of the Bid.
- (i) The Bidder must provide specific and factual replies to the points raised in the RFP.
- (j) The Bid shall be typed or written and shall be digitally signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract.
- (k) All the enclosures (Bid submission) shall be serially numbered.
- (l) Bidder(s) should prepare and submit their online Bids well in advance before the prescribed date and time to avoid any delay or problem during the bid submission process. The Bank shall not be held responsible for any sort of delay or the difficulties faced by the Bidder(s) during the submission of online Bids.

- (m) Bidder(s) should ensure that the Bid documents submitted should be free from virus and if the documents could not be opened, due to virus or otherwise, during Bid opening, the Bid is liable to be rejected.
- (n) The Bank reserves the right to reject Bids not conforming to above.
- (o) Bidder should provide the proposed hardware/software/equipment roadmap for next 5 years to ensure no equipments/software/hardware would reach EOL/EOS

11. DEADLINE FOR SUBMISSION OF BIDS:

- i. Bids must be submitted online on portal of e-Procurement agency by the date and time mentioned in the “Schedule of Events”.
- ii. Wherever applicable, the Bidder shall submit the original EMD Bank Guarantee and Pre-Contract Integrity Pact together with their respective enclosures and seal it in an envelope and mark the envelope as “Technical Bid”. The said envelope shall clearly bear the name of the project and name and address of the Bidder. In addition, the last date for bid submission should be indicated on the right and corner of the envelope. The original documents should be submitted within the bid submission date and time for the RFP at the address mentioned in SI No 1 of Schedule of Events, failing which Bid will be treated as non-responsive.
- iii. In the event of the specified date for submission of Bids being declared a holiday for the Bank, the Bids will be received upto the appointed time on the next working day.
- iv. In case the Bank extends the scheduled date of submission of Bid document, the Bids shall be submitted by the time and date rescheduled. All rights and obligations of the Bank and Bidders will remain the same.

12. MODIFICATION AND WITHDRAWAL OF BIDS:

- i. The Bidder may modify or withdraw its Bid after the Bid’s submission, provided modification, including substitution or withdrawal of the Bids, is received on e-procurement portal, prior to the deadline prescribed for submission of Bids.
- ii. No modification in the Bid shall be allowed, after the deadline for submission of Bids.
- iii. No Bid shall be withdrawn in the interval between the deadline for submission of

Bids and the expiration of the period of Bid validity specified in this RFP. Withdrawal of a Bid during this interval may result in the forfeiture of EMD submitted by the Bidder.

13. PERIOD OF BID VALIDITY AND VALIDITY OF PRICE QUOTED IN REVERSE AUCTION (RA):

- i. Bid shall remain valid for duration of 6 calendar months from Bid submission date.
- ii. Price quoted by the Bidder in Reverse auction shall remain valid for duration of 6 calendar months from the date of conclusion of RA.
- iii. In exceptional circumstances, the Bank may solicit the Bidders' consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. A Bidder is free to refuse the request. However, in such case, the Bank will not forfeit its EMD. However, any extension of validity of Bids or price will not entitle the Bidder to revise/modify the Bid document.
- iv. Once Purchase Order or Letter of Intent is issued by the Bank, the said price will remain fixed for the entire Contract period and shall not be subjected to variation on any account, including exchange rate fluctuations and custom duty. A Bid submitted with an adjustable price quotation will be treated as non-responsive and will be rejected.

14. BID INTEGRITY:

Willful misrepresentation of any fact within the Bid will lead to the cancellation of the contract without prejudice to other actions that the Bank may take. All the submissions, including any accompanying documents, will become property of the Bank. The Bidders shall be deemed to license, and grant all rights to the Bank, to reproduce the whole or any portion of their Bid document for the purpose of evaluation and to disclose the contents of submission for regulatory and legal requirements.

15. BIDDING PROCESS/OPENING OF TECHNICAL BIDS:

- i. All the technical Bids received up to the specified time and date will be opened for initial evaluation on the time and date mentioned in the schedule of events. The technical Bids will be opened in the presence of representatives of the Bidders who choose to attend the same on portal of e-Procurement agency. However, Bids may be opened even in the absence of representatives of one or more of the Bidders.

- ii. In the first stage, only technical Bid will be opened and evaluated. Bids of such Bidders satisfying eligibility criteria and agree to comply with all the terms and conditions specified in the RFP will be evaluated for technical criteria/specifications/eligibility. Only those Bids complied with technical criteria shall become eligible for indicative price Bid opening and further RFP evaluation process.
- iii. The Bank will examine the Bids to determine whether they are complete, required formats have been furnished, the documents have been properly signed, EMD and Tender Fee for the desired amount and validity period is available and the Bids are generally in order. The Bank may, at its discretion waive any minor non-conformity or irregularity in a Bid which does not constitute a material deviation.
- iv. Prior to the detailed evaluation, the Bank will determine the responsiveness of each Bid to the RFP. For purposes of these Clauses, a responsive Bid is one, which conforms to all the terms and conditions of the RFP in toto, without any deviation.
- v. The Bank's determination of a Bid's responsiveness will be based on the contents of the Bid itself, without recourse to extrinsic evidence.
- vi. After opening of the technical Bids and preliminary evaluation, some or all the Bidders may be asked to make presentations on the hardware, operating software/firmware proposed to be offered by them.
- vii. If a Bid is not responsive, it will be rejected by the Bank and will not subsequently be made responsive by the Bidder by correction of the non-conformity.

16. TECHNICAL EVALUATION:

- i. Technical evaluation will include technical information submitted as per technical Bid format, demonstration of proposed Product and Services, reference calls and site visits, wherever required. The Bidder may highlight the noteworthy/superior features of their Product. The Bidder will demonstrate/substantiate all claims made in the technical Bid along with supporting documents to the Bank, the capability of the Product to support all the required functionalities at their cost in their lab or those at other organizations where similar Product is in use.
- ii. During evaluation and comparison of Bids, the Bank may, at its discretion ask the Bidders for clarification on the Bids received. The request for clarification shall be

in writing and no change in prices or substance of the Bid shall be sought, offered or permitted. No clarification at the initiative of the Bidder shall be entertained after bid submission date.

17. EVALUATION OF INDICATIVE PRICE BIDS AND FINALIZATION:

- i. The indicative price Bid(s) of only those Bidders, who are short-listed after technical evaluation, would be opened.
- ii. All the Bidders who qualify in the evaluation process shall have to participate in the online reverse auction to be conducted by Bank's authorized service provider on behalf of the Bank.
- iii. Shortlisted Bidders shall be willing to participate in the reverse auction process and must have a valid digital signature certificate. Such Bidders will be trained by Bank's authorized e-Procurement agency for this purpose. Bidders shall also be willing to abide by the e-business rules for reverse auction framed by the Bank / Authorised e-Procurement agency. The details of e-business rules, processes and procedures will be provided to the short-listed Bidders.
- iv. The Bidder will be selected as L1 on the basis of net total of the price evaluation as quoted in the Reverse Auction.
- v. The successful Bidder is required to provide price confirmation and price breakup strictly on the lines of **Appendix-F** within 48 hours of conclusion of the Reverse Auction, failing which Bank may take appropriate action.
- vi. Errors, if any, in the price breakup format will be rectified as under:
 - (a) If there is a discrepancy between the unit price and total price which is obtained by multiplying the unit price with quantity, the unit price shall prevail and the total price shall be corrected unless it is a lower figure. If the Bidder does not accept the correction of errors, the Bid will be rejected.
 - (b) If there is a discrepancy in the unit price quoted in figures and words, the unit price in figures or in words, as the case may be, which corresponds to the total Bid price for the Bid shall be taken as correct.
 - (c) If the Bidder has not worked out the total Bid price or the total Bid price does not correspond to the unit price quoted either in words or figures, the unit price quoted in words shall be taken as correct.

- (d) The Bidder should quote for all the items/services desired in this RFP. In case, prices are not quoted by any Bidder for any specific product and / or service, for the purpose of evaluation, the highest of the prices quoted by other Bidders participating in the bidding process will be reckoned as the notional price for that service, for that Bidder. However, if selected, at the time of award of Contract, the lowest of the price(s) quoted by other Bidders (whose Price Bids are also opened) for that service will be reckoned. This shall be binding on all the Bidders. However, the Bank reserves the right to reject all such incomplete Bids.

18. CONTACTING THE BANK:

- i. No Bidder shall contact the Bank on any matter relating to its Bid, from the time of opening of indicative price Bid to the time, the Contract is awarded.
- ii. Any effort by a Bidder to influence the Bank in its decisions on Bid evaluation, Bid comparison or contract award may result in the rejection of the Bid.

19. AWARD CRITERIA AND AWARD OF CONTRACT:

i. **Applicability of Preference to Make in India, Order 2017 (PPP-MII Order)**

Guidelines on Public Procurement (Preference to Make in India), Order 2017 (PPP-MII Order and revision thereto will be applicable for this RFP and allotment will be done in terms of said Order as under:

(a) Among all qualified bids, the lowest bid (as quoted in reverse auction) will be termed as L1. If L1 is 'Class-I local supplier', the contract will be awarded to L1.

(b) If L1 is not from a 'Class-I local supplier', the lowest bidder among the 'Class-I local supplier' will be invited to match the L1 price subject to Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such 'Class-I local supplier' subject to matching the L1 price.

(c) In case such lowest eligible 'Class-I local supplier' fails to match the L1 price, the 'Class-I local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the 'Class-I local supplier' within the margin of purchase preference matches the L1 price, then the contract will be awarded to the L1 bidder.

For the purpose of Preference to Make in India, Order 2017 (PPP-MII Order) and revision thereto:

“Local content” means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

“Class-I local supplier” means a supplier or service provider whose product or service offered for procurement meets the minimum local content as prescribed for ‘Class-I local supplier’ hereunder.

“Class-II local supplier” means a supplier or service provider whose product or service offered for procurement meets the minimum local content as prescribed for ‘Class-II local supplier’ hereunder. Class-II local supplier shall not get any purchase preference under this RFP.

“Non-local supplier” means a supplier or service provider whose product or service offered for procurement has ‘local content’ less than that prescribed for ‘Class-II local supplier’ under this RFP.

“Minimum Local content” for the purpose of this RFP, the ‘local content’ requirement to categorize a supplier as ‘Class-I local supplier’ is minimum 50%. For ‘Class-II local supplier’, the ‘local content’ requirement is minimum 20%. If Nodal Ministry/Department has prescribed different percentage of minimum ‘local content’ requirement to categorize a supplier as ‘Class-I local supplier’/ ‘Class-II local supplier’, same shall be applicable.

“Margin of purchase preference” means the maximum extent to which the price quoted by a ‘Class-I local supplier’ may be above the L1 for the purpose of purchase preference. The margin of purchase preference shall be 20%.

ii. **Verification of local content**

The ‘Class-I local supplier’/ ‘Class-II local supplier’ at the time of submission of bid shall be required to provide a certificate as per **Appendix-G** from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content requirement for ‘Class-I local supplier’/ ‘Class-II local supplier’ as the case may be.

- iii. Total cost of Products/Services along with cost of all items specified in **Appendix-F** would be the Total Cost of Ownership (TCO)/Total Project Cost and should be quoted by the Bidder(s) in indicative price bid and reverse auction **for each line item.**
- iv. Bank will notify successful Bidder in writing by way of issuance of purchase order through letter or fax/email that its Bid has been accepted. The selected **Bidder has to return the duplicate copy of the same along with SLA** to the Bank within **7 working days**, duly Accepted, Stamped and Signed by Authorized Signatory in token of acceptance.
- v. The successful Bidder will have to submit Non-disclosure Agreement, Bank Guarantee for the amount and validity as desired in this RFP and strictly on the lines of format given in Appendix of this RFP together with acceptance of all terms and conditions of RFP.
- vi. Copy of board resolution and power of attorney (POA wherever applicable) showing that the signatory has been duly authorized to sign the acceptance letter, contract and NDA should be submitted.
- vii. The successful Bidder shall be required to enter into a Contract with the Bank and submit the Bank Guarantee, within 30 days from issuance of Purchase Order or within such extended period as may be decided by the Bank.
- viii. Till execution of a formal contract, the RFP, along with the Bank's notification of award by way of issuance of purchase order and Service Provider's acceptance thereof, would be binding contractual obligation between the Bank and the successful Bidder.
- ix. The Bank reserves the right to stipulate, at the time of finalization of the Contract, any other document(s) to be enclosed as a part of the final Contract.
- x. Failure of the successful Bidder to comply with the requirements/terms and conditions of this RFP shall constitute sufficient grounds for the annulment of the award and forfeiture of the EMD and/or BG.
- xi. Upon notification of award to the successful Bidder, the Bank will promptly notify the award of contract to the successful Bidder on the Bank's website. The EMD of each unsuccessful Bidder will be discharged and returned.

20. POWERS TO VARY OR OMIT WORK:

- i. No alterations, amendments, omissions, additions, suspensions or variations of the work (hereinafter referred to as variation) under the contract shall be made by the successful Bidder except as directed in writing by Bank. The Bank shall have full powers, subject to the provision herein after contained, from time to time during the execution of the contract, by notice in writing to instruct the successful Bidder to make any variation without prejudice to the contract. The finally selected Bidder shall carry out such variation and be bound by the same conditions as far as applicable as though the said variations occurred in the contract documents. If any, suggested variations would, in the opinion of the finally selected Bidder, if carried out, prevent him from fulfilling any of his obligations under the contract, he shall notify Bank thereof in writing with reasons for holding such opinion and Bank shall instruct the successful Bidder to make such other modified variation without prejudice to the contract. The finally selected Bidder shall carry out such variation and be bound by the same conditions as far as applicable as though the said variations occurred in the contract documents. If the Bank confirms its instructions, the successful Bidder's obligations shall be modified to such an extent as may be mutually agreed, if such variation involves extra cost. Any agreed difference in cost occasioned by such variation shall be added to or deducted from the contract price as the case may be.
- ii. In any case in which the successful Bidder has received instructions from the Bank as to the requirements for carrying out the altered or additional substituted work which either then or later on, will in the opinion of the finally selected Bidders, involve a claim for additional payments, such additional payments shall be mutually agreed in line with the terms and conditions of the order.
- iii. If any change in the work is likely to result in reduction in cost, the parties shall agree in writing so as to the extent of change in contract price, before the finally selected Bidder(s) proceeds with the change.

21. WAIVER OF RIGHTS:

Each Party agrees that any delay or omission on the part of the other Party to exercise any right, power or remedy under this RFP will not automatically operate as a waiver of such right, power or remedy or any other right, power or remedy and no waiver will be effective unless it is in writing and signed by the waiving Party. Further the waiver or the single or partial exercise of any right, power or remedy by

either Party hereunder on one occasion will not be construed as a bar to a waiver of any successive or other right, power or remedy on any other occasion.

22. CHANGE IN ORDERS:

- i. The Bank may, at any time, by a written order given to Service Provider, make changes within the general scope of the Contract in any one or more of the following:
 - (a) Method of shipment or packing;
 - (b) Place of delivery;
 - (c) Quantities to be supplied subject to 25% above or below the originally declared quantities.
- ii. If any such change causes an increase or decrease in the cost of, or the time required for Service Provider's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by Service Provider for adjustment under this clause must be asserted within 15 days from the date of Service Provider's receipt of Bank's change order.

23. CONTRACT AMENDMENT:

No variation in or modification of the terms of the Contract shall be made, except by written amendment, signed by the parties.

24. BANK'S RIGHT TO ACCEPT ANY BID AND TO REJECT ANY OR ALL BIDS:

The Bank reserves the right to accept or reject any Bid in part or in full or to cancel the bidding process and reject all Bids at any time prior to contract award as specified in Award Criteria and Award of Contract, without incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Bank's action.

25. BANK GUARANTEE:

- i. Performance security in form of Bank Guarantee [BG] for the amount with validity period as specified in this RFP strictly on the format at **Appendix-J** is to be submitted by the finally selected Bidder (s). The BG has to be issued by a Scheduled Commercial Bank other than SBI and needs to be submitted within the specified

time of receipt of formal communication from the Bank about their Bid finally selected. In case, SBI is the sole Banker for the Bidder, a Letter of Comfort from SBI may be accepted.

- ii. The Bank Guarantee is required to protect the interest of the Bank against delay in supply/installation and/or the risk of non-performance of Service Provider in respect of successful implementation of the project; or performance of the material or services sold; or breach of any terms and conditions of the Agreement, which may warrant invoking of Bank Guarantee.

26. COUNTRY OF ORIGIN / ELIGIBILITY OF PRODUCTS & SERVICES:

- i. All Products and components thereof to be supplied under the Contract shall have their origin in eligible source countries, as per the prevailing import trade control regulations in India.
- ii. For purposes of this clause, “origin” means the place where the Products are mined, grown, or manufactured or produced, or the place from which the related product is supplied. Products are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially-recognized product results that is substantially different in basic characteristics or in purpose or utility from its components.

27. DELIVERY, INSTALLATION AND COMMISSIONING:

- i. Service Provider shall provide such packing of the Products as is required to prevent its damage or deterioration during transit thereof to the location given by the Bank. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperature, salt and precipitation during transit and open storage. Size and weight of packing cases shall take into consideration, where appropriate, the remoteness of the Products final destination and the absence of heavy handling facilities at all transit points.
- ii. Service Provider will have to supply the Product(s) in ‘Factory Sealed Boxes’ with System OEM seal.
- iii. Delivery, installation and commissioning of the Products shall be made by Service Provider in accordance with the system approved / ordered and within the time schedule given in the Scope of work given in **Appendix-E** of this document.
- iv. The delivery will be deemed complete when the Products/ components/ associated

software/firmware are received in good working condition at the designated locations, mentioned in this RFP.

- v. - iii. Service Provider shall also provide the MIS reports as per requirements of the Bank. Any level/ version changes and/or clarification or corrections or modifications in the above mentioned documentation should be supplied by Service Provider to the Bank, free of cost in timely manner.

42. INTELLECTUAL PROPERTY RIGHTS AND OWNERSHIP:

- i. For any technology / software / Product supplied by Service Provider for the Bank as part of this RFP, Service Provider shall have right to use as well as right to supply such Product including embedded software / hardware. The Bank shall not be liable for any license or IPR violation on the part of Service Provider.
- ii. Without the Bank's prior written approval, Service provider will not, in performing the Services, use or incorporate link to or call or depend in any way upon, any software/hardware or other intellectual property that is subject to an Open Source or Copy left license or any other agreement that may give rise to any third-party claims or to limit the Bank's rights under this RFP.
- iii. Subject to below mentioned sub-clause (iv) and (v) of this RFP, Service Provider, at its own expenses without any limitation, indemnify and keep fully and effectively

indemnified the Bank against all costs, claims, damages, demands, expenses and liabilities of whatsoever nature arising out of or in connection with all claims of infringement of Intellectual Property Rights, including patent, trade mark, copyright, trade secrets or industrial design rights of any third party arising from the Services or use of software/Product under this RFP.

- iv. The Bank will give (a) notice to Service Provider of any such claim without delay/provide reasonable assistance to Service Provider in disposing of the claim; (b) sole authority to defend and settle such claim and; (c) will at no time admit to any liability for or express any intent to settle the claim provided that (i) Service Provider shall not partially settle any such claim without the written consent of the Bank, unless such settlement releases the Bank fully from such claim; (ii) Service Provider shall promptly provide the Bank with copies of all pleadings or similar documents relating to any such claim; (iii) Service Provider shall consult with the Bank with respect to the defence and settlement of any such claim; and (iv) in any litigation to which the Bank is also a party, the Bank shall be entitled to be separately represented at its own expenses by counsel of its own selection.
- v. Service Provider shall have no obligations with respect to any infringement claims to the extent that the infringement claim arises or results from: (i) Service Provider's compliance with the Bank's specific technical designs or instructions (except where Service Provider knew or should have known that such compliance was likely to result in an Infringement Claim and Service Provider did not inform the Bank of the same); or (ii) any unauthorized modification or alteration of the product by the Bank.

43. LIQUIDATED DAMAGES:

If Service Provider fails to deliver Product and/or perform any or all the Services within the stipulated time, schedule as specified in this RFP, the Bank may, without prejudice to its other remedies under the RFP, and unless otherwise extension of time is agreed upon without the application of liquidated damages, deduct from the Project Cost, as liquidated damages a sum equivalent to 0.5% of total Project Cost for delay of each week or part thereof maximum up to 5% of total Project Cost. Once the maximum deduction is reached, the Bank may consider termination of the Agreement.

44. CONFLICT OF INTEREST:

- i. Bidder shall not have a conflict of interest (the "Conflict of Interest") that affects the bidding Process. Any Bidder found to have a Conflict of Interest shall be

disqualified. In the event of disqualification, the Bank shall be entitled to forfeit and appropriate the Bid Security and/or Performance Security (Bank Guarantee), as the case may be, as mutually agreed upon genuine estimated loss and damage likely to be suffered and incurred by the Bank and not by way of penalty for, inter alia, the time, cost and effort of the Bank, including consideration of such Bidder's proposal (the "Damages"), without prejudice to any other right or remedy that may be available to the Bank under the bidding Documents and/ or the Agreement or otherwise.

ii. Without limiting the generality of the above, a Bidder shall be deemed to have a Conflict of Interest affecting the bidding Process, if:

- (a) the Bidder, its Member or Associate (or any constituent thereof) and any other Bidder, its Member or any Associate thereof (or any constituent thereof) have common controlling shareholders or other ownership interest; provided that this disqualification shall not apply in cases where the direct or indirect shareholding of a Bidder, its Member or an Associate thereof (or any shareholder thereof having a shareholding of more than 5% (five per cent) of the paid up and subscribed share capital of such Bidder, Member or Associate, as the case may be) in the other Bidder, its Member or Associate, has less than 5% (five per cent) of the subscribed and paid up equity share capital thereof; provided further that this disqualification shall not apply to any ownership by a bank, insurance company, pension fund or a public financial institution referred to in section 2(72) of the Companies Act, 2013. For the purposes of this Clause, indirect shareholding held through one or more intermediate persons shall be computed as follows: (aa) where any intermediary is controlled by a person through management control or otherwise, the entire shareholding held by such controlled intermediary in any other person (the "Subject Person") shall be taken into account for computing the shareholding of such controlling person in the Subject Person; and (bb) subject always to sub-clause (aa) above, where a person does not exercise control over an intermediary, which has shareholding in the Subject Person, the computation of indirect shareholding of such person in the Subject Person shall be undertaken on a proportionate basis; provided, however, that no such shareholding shall be reckoned under this sub-clause (bb) if the shareholding of such person in the intermediary is less than 26% of the subscribed and paid up equity shareholding of such intermediary; or
- (b) a constituent of such Bidder is also a constituent of another Bidder; or
- (c) such Bidder, its Member or any Associate thereof receives or has received any direct or indirect subsidy, grant, concessional loan or subordinated debt from any

other Bidder, its Member or Associate, or has provided any such subsidy, grant, concessional loan or subordinated debt to any other Bidder, its Member or any Associate thereof; or

- (d) such Bidder has the same legal representative for purposes of this Bid as any other Bidder; or
 - (e) such Bidder, or any Associate thereof, has a relationship with another Bidder, or any Associate thereof, directly or through common third party/ parties, that puts either or both of them in a position to have access to each other's information about, or to influence the Bid of either or each other; or
 - (f) such Bidder or any of its affiliates thereof has participated as a consultant to the Bank in the preparation of any documents, design or technical specifications of the RFP.
- iii. For the purposes of this RFP, Associate means, in relation to the Bidder, a person who controls, is controlled by, or is under the common control with such Bidder (the "Associate"). As used in this definition, the expression "control" means, with respect to a person which is a company or corporation, the ownership, directly or indirectly, of more than 50% (fifty per cent) of the voting shares of such person, and with respect to a person which is not a company or corporation, the power to direct the management and policies of such person by operation of law or by contract.

45. CODE OF INTEGRITY AND DEBARMENT/BANNING:

- i. The Bidder and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the bidding Process. Notwithstanding anything to the contrary contained herein, the Bank shall reject Bid without being liable in any manner whatsoever to the Bidder if it determines that the Bidder has, directly or indirectly or through an agent, engaged in corrupt/fraudulent/coercive/undesirable or restrictive practices in the bidding Process.
- ii. Bidders are obliged under code of integrity to Suo-moto proactively declare any conflicts of interest (pre-existing or as and as soon as these arise at any stage) in RFP process or execution of contract. Failure to do so would amount to violation of this code of integrity.
- iii. Any Bidder needs to declare any previous transgressions of such a code of integrity with any entity in any country during the last three years or of being debarred by

any other procuring entity. Failure to do so would amount to violation of this code of integrity.

iv. For the purposes of this clause, the following terms shall have the meaning hereinafter, respectively assigned to them:

- (a) **“corrupt practice”** means making offers, solicitation or acceptance of bribe, rewards or gifts or any material benefit, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process or contract execution;
- (b) **“Fraudulent practice”** means any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefits may be obtained or an obligation avoided. This includes making false declaration or providing false information for participation in a RFP process or to secure a contract or in execution of the contract;
- (c) **“Coercive practice”** means harming or threatening to harm, persons or their property to influence their participation in the procurement process or affect the execution of a contract;
- (d) **“Anti-competitive practice”** means any collusion, bid rigging or anti-competitive arrangement, or any other practice coming under the purview of the Competition Act, 2002, between two or more bidders, with or without the knowledge of the Bank, that may impair the transparency, fairness and the progress of the procurement process or to establish bid prices at artificial, non-competitive levels;
- (e) **“Obstructive practice”** means materially impede the Bank’s or Government agencies investigation into allegations of one or more of the above mentioned prohibited practices either by deliberately destroying, falsifying, altering; or by concealing of evidence material to the investigation; or by making false statements to investigators and/or by threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or by impeding the Bank’s rights of audit or access to information;

v. **Debarment/Banning**

Empanelment/participation of Bidders and their eligibility to participate in the Bank’s procurements is subject to compliance with code of integrity and

performance in contracts as per terms and conditions of contracts. Following grades of debarment from empanelment/participation in the Bank's procurement process shall be considered against delinquent Vendors/Bidders:

(a) Holiday Listing (Temporary Debarment - suspension):

Whenever a Vendor is found lacking in performance, in case of less frequent and less serious misdemeanors, the vendors may be put on a holiday listing (temporary debarment) for a period upto 12 (twelve) months. When a Vendor is on the holiday listing, he is neither invited to bid nor are his bids considered for evaluation during the period of the holiday. The Vendor is, however, not removed from the list of empaneled vendors, if any. Performance issues which may justify holiday listing of the Vendor are:

- Vendors who have not responded to requests for quotation/tenders consecutively three times without furnishing valid reasons, if mandated in the empanelment contract (if applicable);
- Repeated non-performance or performance below specified standards (including after sales services and maintenance services etc.);
- Vendors undergoing process for removal from empanelment/participation in procurement process or banning/debarment may also be put on a holiday listing during such proceedings.

(b) Debarment from participation including removal from empaneled list

Debarment of a delinquent Vendor (including their related entities) for a period (one to two years) from the Bank's procurements including removal from empanelment, wherever such Vendor is empaneled, due to severe deficiencies in performance or other serious transgressions. Reasons which may justify debarment and/or removal of the Vendor from the list of empaneled vendors are:

- Without prejudice to the rights of the Bank under Clause 45" *CODE OF INTEGRITY AND DEBARMENT/BANNING " sub-clause (i)* hereinabove, if a Bidder is found by the Bank to have directly or indirectly or through an agent, engaged or indulged in any corrupt/fraudulent/coercive/undesirable or restrictive practices during the bidding Process, such Bidder shall not be eligible to participate in any EOI/RFP issued by the Bank during a period of 2 (two) years from the date of debarment.

- The Vendor fails to abide by the terms and conditions or to maintain the required technical/operational staff/equipment or there is change in its production/service line affecting its performance adversely, or fails to cooperate or qualify in the review for empanelment;
- If Vendor ceases to exist or ceases to operate in the category of requirements for which it is empaneled;
- Bankruptcy or insolvency on the part of the vendor as declared by a court of law; or
- Banning by Ministry/Department or any other Government agency;
- Other than in situations of force majeure, technically qualified Bidder withdraws from the procurement process or after being declared as successful bidder: (i) withdraws from the process; (ii) fails to enter into a Contract; or (iii) fails to provide performance guarantee or any other document or security required in terms of the RFP documents;
- If the Central Bureau of Investigation/CVC/C&AG or Vigilance Department of the Bank or any other investigating agency recommends such a course in respect of a case under investigation;
- Employs a Government servant or the Bank's Officer within two years of his retirement, who has had business dealings with him in an official capacity before retirement; or
- Any other ground, based on which the Bank considers, that continuation of Contract is not in public interest.
- If there is strong justification for believing that the partners/directors/proprietor/agents of the firm/company has been guilty of violation of the code of integrity or Integrity Pact (wherever applicable), evasion or habitual default in payment of any tax levied by law; etc.

(c) Banning from Ministry/Country-wide procurements

For serious transgression of code of integrity, a delinquent Vendor (including their related entities) may be banned/debarred from participation in a procurement process of the Bank including procurement process of any procuring entity of Government of India for a period not exceeding three years commencing from the date of debarment.

46. TERMINATION FOR DEFAULT:

- i. The Bank may, without prejudice to any other remedy for breach of Agreement, written notice of not less than 30 (thirty) days, terminate the Agreement in whole or in part:
 - (a) If Service Provider fails to deliver any or all the obligations within the time period specified in the RFP/Agreement, or any extension thereof granted by the Bank;
 - (b) If Service Provider fails to perform any other obligation(s) under the RFP/Agreement;
 - (c) Violations of any terms and conditions stipulated in the RFP;
 - (d) On happening of any termination event mentioned in the RFP/Agreement.

Prior to providing a written notice of termination to Service Provider under abovementioned sub-clause (i) (a) to (c), the Bank shall provide Service Provider with a written notice of 30 (thirty) days to cure such breach of the Agreement. If the breach continues or remains unrectified after expiry of cure period, the Bank shall have right to initiate action in accordance with above clause.

- ii. In the event the Bank terminates the Contract in whole or in part for the breaches attributable to Service Provider, the Bank may procure, upon such terms and in such manner as it deems appropriate, Services similar to those undelivered, and subject to limitation of liability clause of this RFP Service Provider shall be liable to the Bank for any increase in cost for such similar Product and / or Services. However, Service Provider shall continue performance of the Contract to the extent not terminated.
- iii. If the Contract is terminated under any termination clause, Service Provider shall handover all documents/ executable/ Bank's data or any other relevant information to the Bank in timely manner and in proper format as per scope of this RFP and shall also support the orderly transition to another Service Provider or to the Bank.
- iv. During the transition, Service Provider shall also support the Bank on technical queries/support on process implementation.
- v. The Bank's right to terminate the Contract will be in addition to the penalties / liquidated damages and other actions as specified in this RFP.
- vi. In the event of failure of Service Provider to render the Services or in the event of termination of Agreement or expiry of term or otherwise, without prejudice to any other right, the Bank at its sole discretion may make alternate arrangement for getting the Services contracted with another Service Provider. In such case, the

Bank shall give prior notice to the existing Service Provider. The existing Service Provider shall continue to provide services as per the terms of the Agreement until a 'New Service Provider' completely takes over the work. During the transition phase, the existing Service Provider shall render all reasonable assistance to the new Service Provider within such period prescribed by the Bank, at no extra cost to the Bank, for ensuring smooth switch over and continuity of services, provided where transition services are required by the Bank or New Service Provider beyond the term of this Agreement, reasons for which are not attributable to Service Provider, payment shall be made to Service Provider for such additional period on the same rates and payment terms as specified in this Agreement. If existing Service Provider is breach of this obligation, they shall be liable for paying a penalty of 10% of the total Project Cost on demand to the Bank, which may be settled from the payment of invoices or Bank Guarantee for the contracted period or by invocation of Bank Guarantee.

47. FORCE MAJEURE:

- i. Notwithstanding the provisions of terms and conditions contained in this RFP, neither party shall be liable for any delay in in performing its obligations herein if and to the extent that such delay is the result of an event of Force Majeure.

- iii. If a Force Majeure situation arises, Service Provider shall promptly notify the Bank in writing of such condition and the cause thereof. Unless otherwise directed by the Bank in writing, Service Provider shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- iv. If the Force Majeure situation continues beyond 30 (thirty) days, either party shall have the right to terminate the Agreement by giving a notice to the other party. Neither party shall have any penal liability to the other in respect of the termination of the Agreement as a result of an event of Force Majeure. However, Service

Provider shall be entitled to receive payments for all services actually rendered up to the date of the termination of the Agreement.

48. TERMINATION FOR INSOLVENCY:

The Bank may, at any time, terminate the Contract by giving written notice to Service Provider, if Service Provider becomes Bankrupt or insolvent or any application for bankruptcy, insolvency or winding up has been filed against it by any person. In this event, termination will be without compensation to Service Provider, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Bank.

49. TERMINATION FOR CONVENIENCE:

- i. The Bank, by written notice of not less than 90 (ninety) days, may terminate the Contract, in whole or in part, for its convenience, provided same shall not be invoked by the Bank before completion of half of the total Contract period (including the notice period).
- ii. In the event of termination of the Agreement for the Bank's convenience, Service Provider shall be entitled to receive payment for the Services rendered (delivered) up to the effective date of termination.

50. DISPUTES / ARBITRATION (APPLICABLE IN CASE OF SUCCESSFUL BIDDER ONLY):

- i. All disputes or differences whatsoever arising between the parties out of or in connection with the Contract (including dispute concerning interpretation) or in discharge of any obligation arising out of the Contract (whether during the progress of work or after completion of such work and whether before or after the termination of the Contract, abandonment or breach of the Contract), shall be settled amicably. If however, the parties are not able to solve them amicably within 30 (thirty) days after dispute occurs as evidenced through the first written communication from any Party notifying the other regarding the disputes, either party (SBI or Service Provider), give written notice to other party clearly setting out there in specific dispute(s) and/or difference(s) and shall be referred to a sole arbitrator mutually agreed upon, and the award made in pursuance thereof shall be binding on the parties. In the absence of consensus about the single arbitrator, the dispute may be referred to an arbitration panel; one to be nominated by each party and the said arbitrators shall nominate a presiding arbitrator, before commencing the arbitration

proceedings. The arbitration shall be settled in accordance with the applicable Indian Laws and arbitration proceeding shall be conducted in accordance with Arbitration and Conciliation Act 1996 and any amendment thereto. Any appeal will be subject to the exclusive jurisdiction of courts at Mumbai.

- ii. Service Provider shall continue work under the Contract during the arbitration proceedings unless otherwise directed by the Bank or unless the matter is such that the work cannot possibly be continued until the decision of the arbitrator is obtained.

APPENDIX-B**Bidder's Eligibility Criteria**

Bidders meeting the following criteria are eligible to submit their Bids along with supporting documents. If the Bid is not accompanied by all the required documents supporting eligibility criteria, the same would be rejected:

S. No.	Eligibility Criteria	Compliance (Yes/No)	Documents to be submitted
1.	The Bidder must be an Indian Company/ LLP /Partnership firm registered under applicable Act in India.		Certificate of Incorporation issued by Registrar of Companies and full address of the registered office along with Memorandum & Articles of Association/ Partnership Deed.
2.	The Bidder (including its OEM, if any) must comply with the requirements contained in O.M. No. 6/18/2019-PPD, dated 23.07.2020 order (Public Procurement No. 1), order (Public Procurement No. 2) dated 23.07.2020 and order (Public Procurement No. 3) dated 24.07.2020		Bidder should specifically certify in Appendix A in this regard and provide copy of registration certificate issued by competent authority wherever applicable.
3.	The Bidder must have an average turnover of minimum Rs. 400 crore during last 03 (three) financial year(s) i.e. FY 2021-2022, FY2022-2023 and FY 2023-2024.		Copy of the audited financial statement for required financial years. (Certificate from statutory auditor for preceding/current 2023-2024 year may be submitted.)
4.	The Bidder should be profitable organization on the basis of profit before tax (PBT) for at least 02 (two) out of last 03 (three) financial years mentioned in para 3 above.		Copy of the audited financial statement along with profit and loss statement for corresponding years and / or Certificate of the statutory auditor.
5.	Bidder should have experience of minimum 5 years in providing the Products/Services. The Bidder had		Copy of the order and / or Certificate of completion of the

	minimum 3 project (in BFSI sector) executed each of 100 Crores and above in the last 5 years.		work. The Bidder should also furnish user acceptance report.
6.	The Bidder (including its OEM, if any) should either be Class-I or Class-II local supplier as defined under this RFP.		Certificate of local content to be submitted as per Appendix-G .
7.	Client references and contact details (email/ landline/ mobile) of customers for whom the Bidder has executed similar projects in India. (Start and End Date of the Project to be mentioned) in the past (At least 3 client references are required)		Bidder should specifically confirm on their letter head in this regard as per Appendix-P
8.	Past/present litigations, disputes, if any (Adverse litigations could result in disqualification, at the sole discretion of the Bank)		Brief details of litigations, disputes related to product/services being procured under this RFP or infringement of any third party Intellectual Property Rights by prospective Bidder/ OEM or disputes among Bidder's board of directors, liquidation, bankruptcy, insolvency cases or cases for debarment/blacklisting for breach of contract/fraud/corrupt practices by any Scheduled Commercial Bank/ Public Sector Undertaking / State or Central Government or their agencies/ departments or any such similar cases, if any are to be given on Company's letter head.
9.	Bidders should not be under debarment/blacklist period for breach of contract/fraud/corrupt practices by any Scheduled Commercial Bank/ Public Sector Undertaking / State or Central Government or their agencies/		Bidder should specifically certify in Appendix A in this regard.

	departments on the date of submission of bid for this RFP.		
10.	The bidder, if participating as Channel Partner of any OEM, then OEM should have a support center and level 3 escalation (highest) located in India. For OEMs, directly participating, the conditions mentioned above for support center remain applicable.		Bidder should specifically certify in Appendix A in this regard.
11.	The Bidder should not have any Service Level Agreement pending to be signed with the Bank for more than 6 months from the date of issue of purchase order.		Bidder should specifically certify in Appendix A in this regard.

Documentary evidence must be furnished against each of the above criteria along with an index. All documents must be signed by the authorized signatory of the Bidder. Relevant portions, in the documents submitted in pursuance of eligibility criteria, should be highlighted.

Eligibility criteria mentioned at SI No 3 to 5 in table above are relaxed for Startups subject to their meeting of quality and technical specifications. Bidder to note the followings:

- i. Start-up” company should enclose the valid Certificate of Recognition issued by Department for Promotion of Industry and Internal Trade (DPIIT), (erstwhile Department of Industrial Policy and Promotion), Ministry of Commerce & Industry, Govt. of India with the technical bid.
- ii. Bidder who solely on its own, fulfils each eligibility criteria condition as per the RFP terms and conditions and who are having Start-up company status, can claim exemption for eligibility criteria mentioned at SI No 3 to 5 in table above.
- iii. If all these conditions are not fulfilled or supporting documents are not submitted with the technical Bid, then all those Bids will be summarily rejected, and no queries will be entertained.

Name & Signature of authorised signatory

Seal of Company

APPENDIX-C**Technical & Functional Specifications**

To qualify in the Technical Evaluation, a Bidder must comply with all the requirements as listed in the table below. Bidder(s) must submit their response in Yes or No only, any compliance with qualified statement shall be treated as non-compliance.

Standard Guidelines for RACKS (preferred)

Size in Rack Units ('U')	42U
Dimensions (Height x Width x Depth)	2000 x 600 x 1200 mm (Height should not exceed 2000mm inclusive of base/wheels/standons)
Capable Load	Minimum 1300kg (inclusive of frame Max. 1500kg)
Maximum Equipment Mounting Depth	900 mm
Provision for mounting Zero 'U' PDUs (Tool Less mount)	Yes (Rear Side)
Front Door	16-gauge (or less) Single Door with Lock and minimum 77% perforation providing maximum airflow. Lift of hinges for easy removal, and field reversibility
Rear Door	18-gauge (or less) Single/Vertical Split Doors with lock and minimum 77% perforation. Lift of hinges for easy removal, and field reversibility
Side Doors	18-gauge (or less) Single / Horizontal Split inter/frame lockable panels (no perforation) Rack width (600mm) should remain the same with or without sides attached
Rack Top Roof	18-gauge (or less) top roof
Rack Base	Four sides Low profile casters and levelling feet with wheels and brakes Bottom covered with 14-gauge (or less)
Top and Bottom Cable Entry Slots (Tool Less snap-in mount)	Rear – Yes, Front – Yes Slots/Holes should be able to run 63A industrial socket. All cable routing holes/vents should be covered/protected with plastic/rubber Grommets to avoid any leakage of air and avoid cuts to the cables running through.
Rack Door Locks	Lock Mount: Middle of the Rack Door for split door model. Length wise middle of the door towards the Left/Right edge for single door. Locking: Both top and bottom of the racks on the rack frame. Customization: Locks should be mechanically detachable and should have provision for customizing the lock with intelligent lock.
Cable Management Brackets (Tool Less)	2 full height rack PDU Mounting / cable management brackets (one per side)
Vertical Mounting Rails	Pair of full height 19" EIA mounting rails, accepts cage nuts, U markings (in numerical 01U to 42U) on front and rear of each rail. Rails should be Detachable and Depth adjustable.

Paint / Color	Frame, doors, side panels, top panel, rails and PDU brackets are powder coated Fire Retardant Paint. Preferably Matte Black.
Certifications	EIA-310 complaint Restriction of Hazardous Substances in Electrical and Electronic Equipment (RoHS) complaint.
Rack/Enclosure Body Earthing	Should have provision for earthing the rack both front and rear sides preferably in copper (welded on body of the rack).
Delivery and Assembly	Full Erected Rack with Shock Package, where onsite assembly not required. For assembly is required, need to be done from OEM only.
Consumables	Check Nuts (50units): Rack M6 Cage Nuts (Square) + 20mm Screw + Compatible Plastic Washers. Cable Ties: 150 x 2.5 mm self-locking nylon cable ties (100) 100 x 2.5 mm self-locking nylon cable ties (100) Velcro: 1" Reusable Velcro Tape – 50mtr roll

Standard Guidelines for Server Rack PDU (Preferred Specifications) :

1. GENERAL

Sr. No	Feature	Technical Specifications/Requirements	Compliance (Y/N)
1		Installation and implementation of products should to be done by the respective OEMs.	
2		The bidder shall propose direct highest-level OEM support 24x7x365 days for all proposed products with unlimited number of incidents and dedicated support manager should be aligned accordingly in addition to the on-site support as part of RFP.	
3		Bidder/OEM should have 24x7 support center in India and logistics center in Mumbai, Hyderabad and other major locations.	
4		The Hardware should carry minimum warranty of 3 years plus support for next 2 years, thus covering 5 years service (onsite). Besides this the Hardware with firmware and other security upgrades to be provided for at least 5 years from the date of implementation	
5		The Software should be Perpetual with ATS included back-to-back from OEM for all years. Besides this the software should be covered for Patch and security upgrades for at least 5 years from the date of implementation with no cost to the Bank.	
6	UPTIME	a)99.99% FO wise b)Bidder has to maintain inventory at local place to ensure uptime SLA as per Scope of this RFP	
7		The bidder shall ensure that all the proposed hardware/software components as part of the solution shall have the ability to run on proposed Solution based on the x86 architecture.	
8		The Proposed solution should provide configuration management capability by integration with ITSM/ITAM, and any other solution deployed in Bank environment.	
9		Bidder has to ensure that all the hardware and software components proposed are of minimum Data Centre level enterprise class solutions.	

10		A centralized console for central management and monitoring of the proposed hardware solution at DC, DR and Near Site to be provided by the bidder. The console should have capability to monitor the Data Centre Operation in terms of availability, performance, incidences, ticketing, SLA etc (at each level, ie. OS, Network, Database, Application, Middleware etc).	
11		The bidder has to ensure data replication for 3 locations i.e., DC, DR and Near Site (Near DC & Near DR). Replication between DC and DR will be asynchronous manner whereas between DC/DR and Near site will be synchronous manner to achieve zero RPO. <u>However, Bank reserves the right to change any of the methodology and architecture any point of time or as and when required.</u>	
12		Solution should be Vertical & Horizontally scalable to meet the future growth of the Bank.	
13		Solution should be able to integrate Internal Network within VM/stack and other applications (Ex-Active Directory, IT Asset Management, etc.) on SBI Connect.	
14	Dashboard	Integrated Dashboards to Monitor Cluster and Individual VM with capability of drilling down to Application/Network/Hardware level	
15		The solution should be capable to host multiple OS	
16		Bidder to ensure High Availability at all possible layer (App, Web, DB, Infra) and component level (H/w, S/w, Interconnection) to ensure NSPOF (No Single Point of Failure) by design and deployment	
17		Automated delivery of data-center services such as a) Compute b) Storage c) Networking d) Backup e) Replication	

		f) Load balancing g) Fault tolerance h) Security i) Firewall j) Deployment of AV, Firmware, Patch (H/w, s/w, OS, Application) k) DR Drill	
		Built-in replication capability which will enable efficient array-agnostic replication of virtual machine data over the LAN or WAN.	
		I/O prioritization for virtual workloads to ensure that business critical VMs are not affected due to congestion by other VMs on the same host	
		The solution should support coexistence of multiple versions of application, which would be helpful during application upgrade and compatibility check	
18	Replication	a) VM Level	
		b) Storage Level	
		c) DB Level: Through Oracle Data Guard	
19		Solution design should ensure the best practice as per Bank's IS Policy and Industry practice at all possible level to segregate Prod/Non-Prod Data, Management/Workload Data, Backup/Replication, etc. Bidder must ensure sufficient Port availability at Storage and other equipment level to avoid any performance issue.	
20		Storage Virtualization/Metro Cluster deployment capability at Storage level for Active-Active cluster deployment with AZ (Availability Zone) to ensure Zero downtime.	
21		Proposed solution should provide life cycle management capabilities as below: a. Future platform upgrade and patching with single life cycle management for cloud platform solution. b. Physical firmware life cycle management. c. Certificate Management for internal cloud platform solution components.	

22		Solution should be capable of software defined Networking capability with following features: a. Software defined switching and routing capability. b. Distributed Firewall/Micro-Segmentation for granular security across VMs and container PODs. c. Enterprise defined Load Balancers for App & Web VMs with application traffic analytics and Active-Active deployment capability.	
23	Encryption	Solution should have all data encrypted i.e. Data at Rest, Data in Motion and Data in Memory	

2. HARDWARE

A. BLADE SERVERS

Sr. No	Feature	Technical Specifications/Requirements	Compliance (Y/N)
1	Chassis	Blade Chassis with Minimum 8 Blade per chassis support	
2	Processors	2 Nos. of Intel Xeon Gold 6542 Y processors(5 th Gen) with 24 Core, 2.9 GHz base frequency, 1.5 TB RAM per server	
3	Chipset	Latest Intel chipset compatible with Intel Xeon 4th Gen or later Scalable processors	
4	Memory	Should have at least 32 DIMM slots per server and support up to 4TB of DDR5 4800 MT/s memory.	
		The Server should be configured with 1.5TB of DDR5 Memory from day one with minimum 64GB DIMMs	

		Support for advanced memory redundant technologies like Advanced error-correcting code (ECC) and memory mirroring	
5	RAID Controller	SAS RAID Controller supporting RAID 0 and 1 with 1G or higher	
6	Internal Storage	Minimum 2 x 400GB M.2 drives or higher for installing the operating system hypervisor.	
7	Operating System	Should be Software agnostic and Compatible with VMware ESXi Server version 7.0 U2 or later. Also, the hardware should support any version upgrade coming in next 5 years. If hardware supplied by selected OEM is not compatible VMware releases during 5 years from date of commissioning, they need to replace hardware without any additional cost to the Bank.	
8	Network	Should have at least 2 * 25 Gbps ports per Blade	
		The server should be provided with card level redundancy	
9	SAN Connectivity	Should provide two FC connectivity by using Converged Network Adapters or Dual port 16/32 Gbps FC HBA	
10	Management	The server should support industry standard management protocols like IPMI v2 and SNMP v3.	
		The OEM must have a management software which will manage all the servers from single GUI at physical level.	
		The management software must have the capability of providing proactive alerting wherever possible	
11	Remote Management	Should be able to manage the server and get access to critical information about the health of the server from any remote location with the help of standard web browser.	
		Integrated management ASIC with dedicated RJ45 port or chip providing out of band access	
		Hardware based and OS independent remote management. Remote management should support remote power on/off of the server and should have the capability to boot the blade server from remote CDROM drive or an image of the same.	

		Should be possible to remotely manage each blade server individually. Should support access rights for administrators for each blade server individually. Should be able to manage multiple blades in the same enclosure at the same time.	
12	Expansion Slots	Minimum 3 PCIe 3.0 Type based x16 Slots supporting Ethernet, FC adapters and Graphics Card	
13	Industry Standard Compliance	ACPI 5.1 Compliant, PCIe 3.0 Compliant; WOL Support; Microsoft Logo Certifications; USB 3.0 support or better	
14	Ethernet Controller	The bandwidth required for network per server is minimum 6 x 10G per server that must be partitioned across minimum two cards to provide card level redundancy with minimum 30G bandwidth available per card.	
		Each of the network port must be capable of tailoring network connections and speeds based on application needs.	
		One (1) NIC or Equivalent port dedicated for Remote Management	
15	Ports	One (1) USB 3.0 port for connecting USB drives	
16	Others	Supports hot swappable redundant fans.	
		Supports hot swappable redundant power supplies.	
		The power supply should be rated the highest the OEM has to offer for the specific rack type and all the power accessories such as cable/PDU etc. should be provide	
B. RACK SERVER			
(For Management Domain)			
Sr. No	Feature	Technical Specifications/Requirements	Compliance (Yes / No)
1	Form Factor	1U / 2U Rack mount Server	

2	Processors	2 Nos. of Intel Xeon Gold 6542 Y (5 th Gen) processors with 24 Core, 2.9 GHz base frequency, 1.5 TB RAM per server	
3	Chipset	Latest Intel chipset compatible with Intel Xeon 4th Gen or later Scalable processors	
4	Internal Storage	The server should Support atleast 16 hot-swappable drives SAS, SATA SSDs and NVMe or all NVMe disks	
		The server must support two identical M.2 Drives SSDs of 480 GB. These drives should not consume the 16 drive slots.	
		Depending on the node type, the server must have 6 x 3.2 TB NVMe in each server for capacity requirement.	
		Proposed server configuration should be certified with VSAN ESA architecture	
5	Memory	Should have at least 32 DIMM slots per server and support up to 4TB of DDR5 4800 MT/s memory.	
		The Server should be configured with 1.5TB of DDR5 Memory from day one with minimum 64GB DIMMs	
		Support for advanced memory redundant technologies like Advanced error-correcting code (ECC) and memory mirroring	
6	Network	Should have 3* 2 x Dual port 25/40G SFP+ Card.	
		The server should be provided with card level redundancy	
7	SAN Connectivity	Should provide two FC connectivity by using Converged Network Adapters or Dual port 16/32 Gbps FC HBA	
8	Management	Should support out of band upgrades, Agentless out-of-band management, integrated diagnostics, Power monitoring and reporting. One 1-Gbps RJ-45 management port should be provided.	

		The server should support industry standard management protocols like IPMI v2 and SNMP v3.	
		The OEM must have a management software which will manage all the servers from single GUI at physical level.	
		The management software must have the capability of providing proactive alerting wherever possible	
9	Others	Supports hot swappable redundant fans.	
		Supports hot swappable redundant power supplies.	
		The power supply should be rated the highest the OEM has to offer for the specific rack type and all the power accessories such as cable/PDU etc. should be provide	
		Rail Kit and cable management arm to be provided along with the server.	

C. BLADE ENCLOSURE

Sr. No	Feature	Technical Specification (Recommendation)	Compliance (Yes / No)
1	Blade Chassis	Chassis should be able to support Intel Xeon Gold 6542 Y processors and subsequent generation of Intel Blade Servers. OEM should have server models for the same. New chassis should be quoted for all blade servers.	
		Same enclosure should support 2 and 4 Processor based blade servers of latest generation of Intel Processor.	
		The maximum height of the Chassis should be 10U	
		Should support Hot Pluggable & Redundant chassis management modules	
		A) Blade Chassis should have a dual/single active/passive midplane OR dual active midplane OR mix of passive Mid-plane and no mid-plane where the blades and other subsystems get	

		plugged on and provide high availability and performance. B) In any case, the midplane or no midplane should not be a bottleneck to adopt future technologies like 50G, 100G, 200G. The blade chassis should provide high availability and high-performance.	
		Support simultaneous remote access for different servers in the enclosure.	
2	Interconnect Support	Should support simultaneous housing of Ethernet, FC, iSCSI offering Hot Pluggable & Redundancy as a feature. Enclosure should have minimum 6 Interconnect Bays.	
3	*Blade Server Ethernet Interconnect	Interconnect should have switching capability with at least 9000 MTU to support Jumbo Frames. Redundant network modules must be stacked over minimum of two 100G links.	
		The switching latency between chassis should be less than or equal to 1 micro-second	
		<p><u>Gachibowli</u></p> <p>Each enclosure must have total 8 x 25G ports with pair of redundant network modules with 4 x 25G uplink ports respectively in each. i.e., 4 x 25G uplink bandwidth must be maintained even after 50% of interconnect failure and without using multi-chassis aggregation.</p> <p style="text-align: center;">OR</p> <p>In case of multi-chassis aggregation (not more than 4 chassis in one set), each master enclosure must have redundant master modules to eliminate single point of failure. The multi-chassis setup should have total 32 x 25G uplink ports with 16 x 25G uplink ports for each master enclosure i.e., 16 x 25G uplink bandwidth must be maintained even after 50% of master interconnect failure for multi-chassis set.</p>	
		<p><u>Rabale & NDR Site</u></p> <p>Each enclosure must have total 20 x 10G ports with pair of redundant network modules with 10</p>	

		<p>x 10G uplink ports respectively in each. i.e. 10 x 10G uplink bandwidth must be maintained even after 50% of interconnect failure and without using multi-chassis aggregation</p> <p style="text-align: center;">OR</p> <p>In case of multi-chassis aggregation (not more than 4 chassis in one set), each master enclosure must have redundant master modules to eliminate single point of failure. The multi-chassis setup should have total 72 x 10G uplink ports with 36 x 10G uplink ports for each master enclosure i.e. 36 x 10G uplink bandwidth must be maintained even after 50% of master interconnect failure for multi-chassis set.</p>	
4	*Blade Server FC Interconnect	<p>The enclosure must have redundant Fibre Channel interconnect modules with minimum 6 x 32Gbps Uplink Ports to the SAN Switch i.e., 6 x 32G uplink bandwidth must be maintained even after one interconnect failure. Each module should be fully licensed to use all available ports.</p> <p>All required licenses to ensure interoperability with Bank's existing fabric must be provided.</p>	
5	Storage Capacity	<p>The enclosure must have provision to support internal storage capacity of minimum 50TB usable space using up to maximum 3.84TB size for 12G SAS Mixed Use SSD Drives for capacity storage and additional 10% of Caching drives, should be considered additionally. The usable storage calculated must be using Raid 1 and without any storage efficiencies like deduplication and compression. This is required to be given in one chassis per site.</p>	
6	Power Supply	<p>Enclosure should be fully populated with hot pluggable power supplies of highest capacity available and supported by the Blade enclosure. Power supplies should support N+N as well as N+1 redundancy without any performance impact on the servers when the Blade enclosure is fully populated with all the blade servers (without CPU</p>	

		throttling), where N should be greater than 1. Redundant PDUs must be provided by the OEM must be able to take load of all the hardware (servers, chassis & TOR). In case of one PDU failure, the PDU must be able to handle all the load without disruption to the solution. Power supplies should be Platinum power supplies certified by 80 Plus.	
7	Cooling	Should be provided with the capability to set power consumption limit per blade as well as per enclosure basis, based on need. Fan Module should be controlled through temperature sensors for achieving variable speed with reference to environmental conditions.	
8	System Software	Management/controlling software must be from the OEM itself.	
9	Management	All required System software must be from the OEM itself. Complete GUI with view of the individual blade chassis, multiple chassis in a rack, blade servers, power consumption at chassis level and blade level, intake air temperature and temperature of various thermal zones within the server. Management – Comprehensive web enabled system management tool that monitors the system health, environment, critical action etc. With its own data engine to store status reports, alerts and error notifications.	
10	Deployment & Remote Management	Complete Hardware based Remote Administration from a standard web browser with Event logging, detailed server status, Logs, Alert Forwarding, virtual control, remote graphical console, Remote Power Control / Shutdown, Virtual Media for Remote boot and configuration, Virtual Text and Graphical Control. The blade system should have the capability of managing all the blades in the same enclosure simultaneously. Including SNMPv3 & RESTful API support for	

		sending events and logs to external monitoring/management tools of the bank.	
11	Warranty/AMC	3 years Warranty and 2 years AMC - 24x7 comprehensive onsite support from OEM	

* NOTE: The number of ports required per interconnect has been derived considering the setup which includes 12 servers per chassis. If OEM provides a solution with lesser number of servers per chassis the number of ports required on interconnect must be provided as per the oversubscription, bandwidth and redundancy requirements per chassis.

In addition to the count of servers, for Network 1:4 oversubscription has been used whereas for Fibre Channel traffic 1:1 oversubscription is used. OEM can consider 1:2 oversubscription ratio for Fibre Channel in case they provide dual port 32G FC card inside the blade server. The OEM must make sure that the proposed solution must provide dedicated traffic at Chassis level as per the above oversubscription values considered for network and fibre channel traffic.

D. SAN STORAGE

Sr. No	Feature	Technical Specification (Recommendation)	Compliance (Yes / No)
1	Controller	Active-Active Multicontroller storage with Minimum 2 controllers scalable to 8 within the same cluster	
2	Cache	Global cache with minimum 256 GB Cache per controller	
3	Capacity	Storage should be configured with 150 TB usable capacity with all NVMe drive configuration. Proposed storage should be scalable to more than 1 PB usable capacity	
4	SAN Ports	At least 4 * 16 /32 Gb FC ports per controller	
5	SAN Switch	Redundant SAN Switches with at least 24 * 16 /32 Gbps ports. Required FC Cables to connect to servers should be provided by the bidder	

3. RACK

To be seen along with specification mentioned under Standard Guidelines(Preferred)

Sr. No	Feature	Technical Specification (Recommendation)	Compliance (Yes / No)
--------	---------	--	-----------------------

1		Industry standard Server Rack (with digital ammeter) which should accommodate Proposed Servers and Network Components	
2		Adjustable Fully Rescissible Vertical Posts/Mounting Angles	
3		Hinged, Fully Perforated Steel Doors in Front and Rear. Vertical half-width	
4		Removable, non-perforated Side Panels.	
5		Steel Top Cover, with provision for Cable Entry	
6		Steel Bottom Cover, with provision for Cable Entry	
7		Top-Cover-mounted Ventilating Fans	
8		Heavy Duty Castor Wheels with Brakes	
9		Manufactured in India by APW, APC, Rittal, HP or Netrack	
10		The Proposed solution must factor Racks for optimized sizing to achieve high availability with reduced number of racks. The Maximum Power limit of each chassis should be 10kVA.	

4. BACKUP

A. Backup Software Specification

Sr. No	Feature	Technical Specifications/Requirements	Compliance (Y/N)
1		Must have the ability to perform different backup, restore and replication jobs simultaneously	
2		The backup software should support the 3 - 2 -1 approach of data protection and security	
		The solution should support the existing tape libraries at DC and DR site. The bidder has to make the necessary configuration changes for conversion of existing Backup Tapes in compliance with new backup software and provide training to Bank officials for using the Backup software. Also, the bidder is required to manage backup, restoration, other activities related to backup activity, of both new	

		and existing tapes, during the entire contract period.	
3	Backup platform	The proposed backup solution should support heterogeneous Operating system platforms including Microsoft Windows Server 2008R2 and above Windows 10/11, Solaris OS, SUSE Linux Enterprise Server, IBM AIX, Oracle Enterprise Linux (Oracle VM), VMware, Hyper-V, Xen Server, Red Hat Linux, VDI, Ubuntu etc.	
		Backup software should be able to protect the following through online agents enabling granular restores. Major DBs like Oracle, MS SQL, MySQL, Maria DB, etc. and Applications likes SAP, Oracle-Web logic, Oracle-EBS, MS Active Directory, etc. across wide range of popular Windows / Linux / AIX and Unix flavours. All Software licenses should be included in the solution	
		The proposed solution should have the capability to take Backup of Network Shares and UNC path and should support NDMP backup	
		The Proposed solution should be provided with multi streaming backup facility in order to ensure faster backups.	
		The Proposed backup support VMware , Hyper Visor VM image level backup with option to granular restoration at file level, database instance level etc. It should provide Instant recoveries for any backup to VMware machine.	
4	Deduplication/Compression	Backup software should be a Hardware Agnostic software and it should support snapshot integration with hypervisors like VMware, Hyper-V and RHEV and support de-duplication on any storage target. It should be able to backup data to tapes (like LTO) as well for long term retention.	
5	Truncation	Should support Log truncation of SQL/Exchange/Oracle DBs in VMs which were backed up as VM images	
6	Backup Media	Disk to Disk to Tape/Cloud OR Disk to Disk with all specific requirement for Backup as per the RFP	

7	Ransomware Protection	The backup stored at D2D hardware should be immutable from Ransomware or equivalent attack with below scenario- In case the Media agent is offered using Windows/ RH Linux the mount point should be protected against Ransomware attacks like file encryptions, formatting of disk etc.	
8	Oracle	Should be able to integrate with RMAN based backups to perform consistent oracle backups and recoveries	
9	Encryption (Data at Rest, Data in Motion and Data in Memory)	Backup Should be encrypted. The encryption should be software/hardware based. The proposed backup solution must support at least AES 256-bit encryption capabilities.	
10	Storage Integration	The backup software should integrate with all industry leading storage platforms like HP/ NetApp Dell EMC/HDS/IBM etc. to integrate with their snapshot technologies such as BCV, Flash copy, Snapshot etc. and should be licensed along with the offer	
11	Management	Automatic scheduling for daily, weekly and monthly backup.	
		Backup Software must support GUI with centralized management / Single interface for management of all backup activities across the entire storage capacity supplied. The backup software must have firewall support	
		It should be possible to create a user, assign a role, delete a role, limiting user logon attempts and viewing users logged onto the backup server	
12	Logs/Truncation	As a backup tool all audit trails must be logged for tracking any changes on backup server. Should support Log truncation of SQL/Exchange DBs either on daily, weekly or monthly basis depending on the customer's requirement. The backup software should also support purge of archive logs in case of Oracle DB. The log truncation should e supported in both agent-based and agentless backup	

13	Reporting Capabilities	Backup software should have Capability to do trend analysis for capacity planning of backup environment, extensive alerting and reporting with pre-configured and customizable formats. Any specialized reporting modules needed must be quoted along with associated hardware to achieve this functionality. All necessary hardware resources required to run this module should be supplied.	
		Proposed solution should support 24x7 real-time monitoring, with at-a-glance and drill-down views of health, performance and workload of the virtual hosts.	
		Proposed solution should support reporting of all workloads which are backing up in cloud vendors like AWS, Azure, GCP, etc	
		Proposed solution should report the details around VM which include number of disks in VM, centre location, Datastore location, ESX host etc. The solution should also report automatically on number of VMs that are protected, NOT protected and are over protected (backed up more than once). The solution should allow for restore of a VM to another vCentre, ESX host from single management console.	
		Proposed solution should support automated action for popular alarms (automated or semi-automated), with at-a-glance and drill-down views of health, performance and workload of the virtual hosts.	
14	RPO/ RTO and Recovery Assurance	Backup software must have a feature of data validation, whereby a workload (VM with OS and application) is powered-on in a sandbox environment and tested for its recoverability.	
		Recovery verification should automatically boot the server from backup and verify the recoverability of VM image, Guest OS and Application Consistency and then publish automated reports to be used in backup / recovery audits.	
		Backup software should provide Backup and Replication capabilities to DR site in one console only and also allow users to integrate with RBAC capabilities of the hypervisor, so that users can initiate backup and restore only those VMs to which	

		they have access, without administrator intervention, thereby delivering self-serve capabilities.	
		Proposed backup software should be able to Harden the Linux/OS Repository. This service will prevent backup copies of data from any corruption or ransomware attacks.	
		The software should support Group Managed Service Accounts which should have an option to users to allow change passwords after every 30 days and allows for complex password policy.	
		The proposed backup software should be able to integrate with anti-virus software and scan before recovery of VMs and ensure that any infected VM is not restored or restore it with disabled network adapters to prevent any infection to spread through the network	
		Proposed backup software should have the ability to perform staged restores to enable admins to comply to regulations by selectively deleting files / records which should not be restored from the backup copies. This will help in complying to "right to be forgotten" regulations like GDPR, where user data is deleted from restored backup copies in an auditable manner.	
		Backup software should support instant file share recovery in NAS storages to allow users to access files fast after disaster.	
15	Retention	As per Bank Policy	

B. Backup Storage Specification

Sr. No	Feature	Technical Specification (Recommendation)	Compliance (Yes / No)
1	Controller	Active-Active Multicontroller storage with Minimum 4 controllers scalable to 8 within the same cluster	
2	Cache	Global cache with minimum 64 GB Cache per controller	
3	Capacity	Storage should be configured with 700 TB usable capacity with all SATA / SSD disks. Proposed storage should be scalable to more than 5 PB usable capacity	
4	Network Ports	At least 4 * 16 /32 Gb FC ports and 2 * 25 Gbps Ports per controller	

5	Compression / Deduplication	Storage should natively support Compression and deduplication features to have better storage efficiency for backup	
6	Other	Bidders are free to propose purpose built backup appliance (PBPA) but should ensure high availability and no single point of failure as part of the proposed solution	
7	Tape Library	Tape Library with LTO-9 or Latest tapes to be incorporated for long term backup and offsite copy in case part of the Solution offering

APPENDIX-L**Other Terms and Penalties**

1. The Vendor warrants that the Products supplied under the Contract are new, unused, of the most recent or current model and they incorporate all recent improvements in design and / or features. The Vendor further warrants that all the Products supplied under this Contract shall have no defect, arising from design or from any act of omission of the Vendor that may develop under normal use of the supplied Products in the conditions prevailing in India.
2. Warranty for Hardware Components: Onsite comprehensive warranty for all the hardware components including free replacement of spares, parts, kits as and when necessary will be 36 months from date of First FO Go-Live.
3. On-site comprehensive warranty and AMC: **The warranty 36 months from date of First FO Go-Live and AMC for further 24 months** would be on-site and comprehensive in nature and back to back support from the OEM. Vendor will warrant all the hardware and software against defects arising out of faulty design, materials and media workmanship etc. for a specified warranty period. Vendor will provide support for operating systems and other preinstalled software components during the warranty period of the hardware on which these software & operating system will be installed. Vendor shall repair or replace worn out or defective parts including all plastic parts of the Equipment at his own cost including the cost of transport.
4. During the term of the Contract, Vendor will maintain the equipment in perfect working order and condition and for this purpose will provide the following repairs and maintenance services:
 - (a) Free maintenance services during the period of warranty and AMC (if opted). Professionally qualified personnel who have expertise in the hardware and system software supplied by Vendor will provide these services.
 - (b) Vendor shall rectify any defects, faults and failures in the equipment and shall repair/replace worn out or defective parts of the equipment as per SLA. In case any defects, faults and failures in the Equipment could not be repaired or rectified during

the said period, the engineers of the Vendor are required to accomplish their duties beyond the said schedules in case of any situation if it warrants. In cases where unserviceable parts of the Equipment need replacement, the Vendor shall replace such parts, at no extra cost to the Bank, with brand new parts or those equivalent to new parts in performance. For this purpose the Vendor shall keep sufficient stock of spares at its premises.

- (c) The maximum response time for a maintenance complaint from the site of installation (i.e. time required for Vendor's maintenance engineers to report to the installations after a request call / fax /e-mail is made or letter is written) shall not exceed 2 hours.
- (d) Vendor shall ensure that faults and failures intimated by the Bank as above are set right within 4 hours of being informed of the same. In any case the Equipment should be made workable and available not later than the next working day of the Bank.
- (e) Vendor shall ensure that the full configuration of the Equipment is available to the Bank in proper working condition viz. uptime of 99.99 % of the time on a 24*7*365 basis.
- (f) For purpose of calculating penalty, uptime is calculated as under :

$$\text{Uptime (\%)} = \frac{\text{Sum of total hours during month} - \text{Sum of downtime hours during month}}{\text{Sum of total hours during the month}} \times 100$$

Total hours during the month = No. of days in a month X 24 hours

- (g) Penalties for SLA uptime shall be as under;

S. No.	Uptime Range	Penalty
1	99.99%	No Penalty
2.	99.98% to 99.95%	1% of Total Project Cost* for every occurrence

3	99.94% to 99.90%	2% of Total Project Cost* for every occurrence.
4.	99.89% to 99.5%	3% of Total Project Cost * for every occurrence
5.	<99.5%	5% of Total Project Cost for every occurrence. Also Bank reserves the right to terminate the contract and invoke the PBG.

*Shall be Calculated on Pro-rata basis, in case only selective FO is down

Example: Let Total Project Cost = X

Impacted FO: 2

So, in case of S.No. 2

Penalty Amount = [$\frac{((X * 3 / 100) / 24) * 2}{12}$] (Considering 24 FO)

NB:

1. **Uptime SLA to be monitored on Monthly as well as yearly basis**
2. **Total penalty amount in a given year will be capped to 10% of TCO (as mentioned in Appendix-F) , except clause 17.3 including sub-clause**

- (h) Vendor shall ensure that the Mean Time between Failures (MTBF) (including any malfunctioning, breakdown or fault) in the Equipment or any part thereof, during Contract period, not more than four occasions in preceding 90 days, it shall be replaced by equivalent/ superior new Equipment or part thereof by Vendor immediately at free of cost during warranty and AMC period.
- (i) **Preventive maintenance:** Vendor shall conduct preventive maintenance (including but not limited to inspection, testing, satisfactory execution of all diagnostics, cleaning and removal of dust and dirt from the interior and exterior of the Equipment, and necessary repair of the Equipment) once within first 15 days of the installation once within the first 15 days of every alternate month during the currency of the Contract on a day and time to be mutually agreed upon. Notwithstanding the foregoing Vendor recognizes the Bank's operational needs and agrees that the Bank shall have the right to require Vendor to adjourn preventive maintenance from any scheduled time to a date and time not later than 15 working days thereafter.

- (j) All engineering changes generally adopted hereafter by Vendor for Equipment similar to that covered by the Contract, shall be made to the Equipment at no cost to the Bank.
 - (k) Qualified maintenance engineers totally familiar with the Equipment shall perform all repairs and maintenance service described herein.
 - (l) The Bank shall maintain a register at its site in which, the Bank's operator/supervisor shall record each event of failure and /of malfunction of the Equipment. Vendor's engineer shall enter the details of the action taken in such register. Additionally every time a preventive or corrective maintenance is carried out, the Vendor's engineer shall make, effect in duplicate, a field call report which shall be signed by him and thereafter countersigned by the Bank's official. The original of the field call report shall be handed over to the Bank's official.
 - (m) The VENDOR shall provide replacement equipment if any equipment is out of the premises for repairs.
5. Any worn or defective parts withdrawn from the Equipment and replaced by Vendor shall become the property of Vendor and the parts replacing the withdrawn parts shall become the property of Bank. Notwithstanding anything contained contrary, if any hard disk or storage device is required to be replaced, the same shall not be handed over to vendor and same will continue to remain in possession of the Bank.
 6. Subject to the security requirement, Vendor's maintenance personnel shall, be given access to the Equipment when necessary, for purpose of performing the repair and maintenance services indicated in this RFP.
 7. If Bank desires to shift the Equipment to a new site and install it thereof, the Vendor shall be informed of the same. The Bank shall bear the reasonable mutually agreed charges for such shifting and Vendor shall provide necessary arrangement to the Bank in doing so. The terms of this RFP, after such shifting to the alternate site and reinstallation thereof would continue to apply and binding on Vendor.
 8. The Bank shall arrange to maintain appropriate environmental conditions, such as those relating to space, temperature, power supply, dust within the acceptable limits required for Equipment similar to that covered by this RFP.
 9. If, in any month, Vendor does not fulfill the provisions of clauses 4 (b), (c), (d), (e) and (h) only the proportionate maintenance charges for that period during the month will be

considered payable by the Bank without prejudice to the right of the Bank to terminate the contract. In such event Vendor was credited without deducting the proportionate maintenance charges for that month, the Bank can deduct the same from future payments payable or Vendor shall refund the amount forthwith to Bank on demand by the Bank.

10. Future additions of Hardware / Software:

(a) The Bank would have the right to:

- i. Shift supplied systems to an alternative site of its choice.
- ii. Disconnect / connect / substitute peripherals such as printers, etc. or devices or any equipment / software acquired from another vendor.
- iii. Expand the capacity / enhance the features / upgrade the hardware / software supplied, either from Vendor, or third party, or developed in-house.

Provided such changes or attachments do not prevent proper maintenance, from being performed or unreasonably increase Vendor cost of performing repair and maintenance service.

(b) The warranty terms would not be considered as violated if any of 10(a) above takes place. Should there be a fault in the operations of the system, Vendor, would not unreasonably assume that the causes lie with those components / software not acquired from them.

prohibited by law. In any case, the compelled Party will furnish only that portion of the Confidential Information which is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to the Confidential Information.

7.2.6 In the event of termination or expiry of this Agreement, each Party shall either (i) promptly destroy all copies of the written (including information in electronic form) Confidential Information in its possession or that of its representatives; or (ii) promptly deliver to the other Party at its own expense all copies of the written Confidential Information in its possession or that of its representatives, provided, however, each Party shall be permitted to retain one copy of the Confidential Information for the purposes of dispute resolution, compliance with regulatory agency or authority and internal compliance procedures, provided such copies being held and kept confidential.

7.2.7 By furnishing the Confidential Information, no Party makes an express or implied representation or warranty as to the accuracy or completeness of the Confidential Information that it has disclosed and each Party expressly disclaims any liability that may be based on the Confidential Information, errors therein or omissions there from, save in the case of fraud or wilful default.

7.3 Receiving party undertakes to promptly notify disclosing party in writing any breach of obligation of the Agreement by its employees or representatives including confidentiality obligation. Receiving party acknowledges that monetary damages may not be the only and / or a sufficient remedy for unauthorized disclosure of Confidential Information and that disclosing party shall be entitled, without waiving any other rights or remedies, to injunctive or equitable relief as may be deemed proper by a Court of competent jurisdiction.

7.4 Service Provider shall not, without the Bank's prior written consent, disclose the Agreement, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Bank in connection therewith, to any person other than a person employed by Service Provider in the Performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far, as may be necessary to purposes of such performance.

7.5 Service Provider shall not, without the Bank's prior written consent, make use of any document or information received from the Bank except for purposes of performing the services and obligations under this Agreement.

7.6 Any document received from the Bank shall remain the property of the Bank and subject to clause 7.2.6 shall be returned (in all copies) to the Bank on completion of Service Provider's performance under the Agreement.

7.7 The foregoing obligations (collectively referred to as "Confidentiality Obligations") set out in this Agreement shall survive the term of this Agreement and for a period of Seven (7) years thereafter provided Confidentiality Obligations with respect to individually identifiable information, customer's data of Parties or software in human-readable form (e.g., source code) shall survive in perpetuity.

8. RELATIONSHIP BETWEEN THE PARTIES

8.1 It is specifically agreed that Service Provider shall act as independent service provider and shall not be deemed to be the Agent of the Bank except in respect of the transactions/services which give rise to Principal-Agent relationship by express agreement between the Parties.

8.2 Neither Service Provider nor its employees, agents, representatives, Sub-Contractors shall hold out or represent as agents of the Bank.

8.3 None of the employees, representatives or agents of Service Provider shall be entitled to claim permanent absorption or any other claim or benefit against the Bank.

8.4 This Agreement shall not be construed as joint venture. Each Party shall be responsible for all its obligations towards its respective employees. No employee of any of the two Parties shall claim to be employee of other Party.

8.5 All the obligations towards the employee(s) of a Party on account of personal accidents while working in the premises of the other Party shall remain with the respective employer and not on the Party in whose premises the accident occurred unless such accident occurred due to gross negligent act of the Party in whose premises accident occurred.

8.6 For redressal of complaints of sexual harassment at workplace, Parties agree to comply with the policy framed by the Bank (including any amendment thereto) in pursuant to the

Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 including any amendment thereto.

9. SUB-CONTRACTING

As per the scope of this Agreement sub-contracting is not permitted.

10. LIQUIDATED DAMAGES

If Service Provider fails to deliver product and/or perform any or all the Services within the stipulated time, schedule as specified in this Agreement, the Bank may, without prejudice to its other remedies under the Agreement, and unless otherwise extension of time is agreed upon without the application of liquidated damages, deduct from the Project Cost, as liquidated damages a sum equivalent to **0.5%** of total Project Cost for delay of each week or part thereof maximum up to **5%** of total Project Cost. Once the maximum deduction is reached, the Bank may consider termination of the Agreement.

11. BANK GUARANTEE & PENALTY

11.1 Service Provider shall furnish performance security in the form of Bank Guarantee for an amount of Rs. _____ valid for a period of **5 year(s) 3 month(s)** from a Scheduled Commercial Bank other than State Bank of India in a format provided/ approved by the Bank.

11.2 The Bank Guarantee is required to protect the interest of the Bank against delay in supply/installation and/or the risk of non-performance of Service Provider in respect of successful implementation of the project; or performance of the material or services sold; or breach of any terms and conditions of the Agreement, which may warrant invoking of Bank Guarantee.

11.3 Performance of the obligations under the Agreement shall be made by Service Provider in accordance with the time schedule³ specified in this Agreement.

³ Please ensure that the time scheduled is suitably incorporated in the Agreement.

11.4 Subject to clause 17 of this Agreement, any unexcused delay by Service Provider in the performance of its Contract obligations shall render this Agreement to be terminated.

11.5 If at any time during performance of the Contract, Service Provider should encounter unexpected conditions impeding timely completion of the Services under the Agreement and performance of the services, Service Provider shall promptly notify the Bank in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable, after receipt of Service Provider's notice, the Bank shall evaluate the situation and may at its discretion extend Service Provider's time for performance, in which case the extension shall be ratified by the Parties by amendment of the Agreement.

11.6 Service Provider shall be liable to pay penalty at the rate mentioned below in Annexure 'A' in respect of any delay beyond the permitted period in providing the Services.

11.7 No penalty shall be levied in case of delay(s) in deliverables or performance of the Contract for the reasons solely and directly attributable to the Bank. On reaching the maximum of penalties specified the Bank reserves the right to terminate the Agreement.

12. FORCE MAJEURE

12.1 Notwithstanding anything else contained in the Agreement, neither Party shall be liable for any delay in performing its obligations herein if and to the extent that such delay is the result of an event of Force Majeure.

12.2 For the purposes of this clause, 'Force Majeure' means and includes wars, insurrections, revolution, civil disturbance, riots, terrorist acts, public strikes, hartal, bundh, fires, floods, epidemic, quarantine restrictions, freight embargoes, declared general strikes in relevant industries, Vis Major, acts of Government in their sovereign capacity, impeding reasonable performance of the Contractor and /or SubContractor but does not include any foreseeable events, commercial considerations or those involving fault or negligence on the part of the party claiming Force Majeure.

12.3 If a Force Majeure situation arises, Service Provider shall promptly notify the Bank in writing of such conditions, the cause thereof and the likely duration of the delay. Unless otherwise directed by the Bank in writing, Service Provider shall continue to perform its

obligations under the Agreement as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

12.4 If the event of Force Majeure continues beyond 30 (thirty) days, either Party shall have the right to terminate this Agreement by giving a notice to the other Party. Neither party shall have any penal liability to the other in respect of the termination of this Agreement as a result of an Event of Force Majeure. However, Service Provider shall be entitled to receive payments for all services actually rendered up to the date of the termination of this Agreement.

13. INSPECTION AND AUDIT

13.1 It is agreed by and between the Parties that Service Provider be subject to annual audit by internal/external Auditors appointed by the Bank/ inspecting official from the Reserve Bank of India or any regulatory authority, covering the risk parameters finalized by the Bank/ such auditors in the areas of products (IT hardware/ software) and services etc. provided to the Bank and Service Provider shall submit such certification by such Auditors to the Bank. Service Provider and or his / their outsourced agents / sub – contractors (if allowed by the Bank) shall facilitate the same. The Bank can make its expert assessment on the efficiency and effectiveness of the security, control, risk management, governance system and process created by Service Provider. Service Provider shall, whenever required by such Auditors, furnish all relevant information, records/data to them. All costs for such audit shall be borne by the Bank. Except for the audit done by Reserve Bank of India or any statutory/regulatory authority, the Bank shall provide reasonable notice not less than 7 (seven) days to Service Provider before such audit and same shall be conducted during normal business hours.

13.2 Where any Deficiency has been observed during audit of Service Provider on the risk parameters finalized by the Bank or in the certification submitted by the Auditors, it is agreed upon by Service Provider that it shall correct/ resolve the same at the earliest and shall provide all necessary documents related to resolution thereof and the auditor shall further certify in respect of resolution of the Deficiencies. It is also agreed that Service Provider shall provide certification of the auditor to the Bank regarding compliance of the observations made by the auditors covering the respective risk parameters against which such Deficiencies observed.

13.3 Service Provider further agrees that whenever required by the Bank, it will furnish all relevant information, records/data to such auditors and/or inspecting officials of the Bank/ Reserve Bank of India and/or any regulatory authority (ies). The Bank reserves the right to call for and/or retain any relevant information/ audit reports on financial and security review with their findings undertaken by Service Provider. However, Service Provider shall not be obligated to provide records/data not related to Services under the Agreement (e.g. internal cost break-ups etc.).

14. FEES, TAXES DUTIES & PAYMENTS

14.1 Service Provider shall be paid fees and charges in the manner detailed in hereunder, the same shall be subject to deduction of income tax thereon wherever required under the provisions of the Income Tax Act by the Bank. The remittance of amounts so deducted and issuance of certificate for such deductions shall be made by the Bank as per the laws and regulations for the time being in force. Nothing in the Agreement shall relieve Service Provider from his responsibility to pay any tax that may be levied in India on income and profits made by Service Provider in respect of this Agreement.

14.2 All duties and taxes (excluding GST or any other tax imposed by the Government in lieu of same), if any, which may be levied, shall be borne by Service Provider and Bank shall not be liable for the same. All expenses, stamp duty and other charges/ expenses in connection with execution of this Agreement shall be borne by Service Provider. GST or any other tax imposed by the Government in lieu of same shall be borne by the Bank on actual upon production of original receipt wherever required.

14.3 Service Provider shall provide a clear description quantifying the service element and goods element in the invoices generated by them.

14.4 Payments

14.4.1 The Bank will pay properly submitted valid invoices within reasonable period but not exceeding 30 (thirty) days after its receipt thereof. All payments shall be made in Indian Rupees.

14.4.2 The Bank may withhold payment of any product/services that it disputes in good faith, and may set-off penalty amount or any other amount which Service provider owes to the Bank against amount payable to Service provider under this Agreement. However, before levying penalty or recovery of any damages, the Bank shall provide a written notice

to Service Provider indicating the reasons for such penalty or recovery of damages. Service Provider shall have the liberty to present its case in writing together with documentary evidences, if any, within 21 (twenty one) days. Penalty or damages, if any, recoverable from Service Provider shall be recovered by the Bank through a credit note or revised invoices. In case Service Provider fails to issue credit note/ revised invoice, the Bank shall have right to withhold the payment or set-off penal amount from current invoices.

15. GENERAL INDEMNITY

15.1 Service Provider agrees and hereby keeps the Bank indemnified against all claims, actions, loss, damages, costs, expenses, charges, including legal expenses (Attorney, Advocates fees included) which the Bank may suffer or incur on account of (i) Services Provider's breach of its warranties, covenants, responsibilities or obligations; or (ii) breach of confidentiality obligations mentioned in this Agreement; or (iii) any willful misconduct and gross negligent acts on the part of employees, agents, representatives or sub-contractors (if allowed) of Service Provider. Service Provider agrees to make good the loss suffered by the Bank.

15.2 Subject to clause 15.2.1 and 15.2.2 of this Agreement, Service Provider, at its own expenses without any limitation, indemnify and keep fully and effectively indemnified the Bank against all costs, claims, damages, demands, expenses and liabilities of whatsoever nature arising out of or in connection with all claims of infringement of Intellectual Property Rights, including patent, trade mark, copyright, trade secrets or industrial design rights of any third party arising from the Services or use of software/product under this Agreement.

15.2.1 The Bank will give (a) notice to Service Provider of any such claim without delay/provide reasonable assistance to Service Provider in disposing of the claim; (b) sole authority to defend and settle such claim and; (c) will at no time admit to any liability for or express any intent to settle the claim provided that (i) Service Provider shall not partially settle any such claim without the written consent of the

Bank, unless such settlement releases the Bank fully from such claim; (ii) Service Provider shall promptly provide the Bank with copies of all pleadings or similar documents relating to any such claim; (iii) Service Provider shall consult with the Bank with respect to the

defense and settlement of any such claim; and (iv) in any litigation to which the Bank is also a party, the Bank shall be entitled to be separately represented at its own expenses by counsel of its own selection.

15.2.2 Service Provider shall have no obligations with respect to any infringement claims to the extent that the infringement claim arises or results from: (i) Service Provider's compliance with the Bank's specific technical designs or instructions (except where Service Provider knew or should have known that such compliance was likely to result in an Infringement Claim and Service Provider did not inform the Bank of the same); or (ii) any unauthorized modification or alteration of the product by the Bank.

15.2.3 Service Provider hereby undertakes the responsibility to take all possible measures, at no additional cost, to avoid or rectify any issues which thereby results in nonperformance of software/ hardware/ deliverables within reasonable time. The Bank shall report as far as possible all material defects to Service Provider without undue delay. Service Provider also undertakes to co-operate with other service providers thereby ensuring expected performance covered under scope of work.

16. TERMINATION

16.1 The Bank may, without prejudice to any other remedy for breach of Agreement, by written notice of not less than 30 (thirty) days, terminate the Agreement in whole or in part:

- (i) If Service Provider fails to deliver any or all the obligations within the time period specified in the Agreement, or any extension thereof granted by the Bank;
- (ii) If Service Provider fails to perform any other obligation(s) under the Agreement;
- (iii) Violations of any terms and conditions stipulated in the RFP;
- (iv) On happening of any termination event mentioned herein above in this Agreement.

Prior to providing a written notice of termination to Service Provider under clause 16.1 (i) to 16.1 (iii), the Bank shall provide Service Provider with a written notice of 30 (thirty) days to cure such breach of the Agreement. If the breach continues or remains unrectified after expiry of cure period, the Bank shall have right to initiate action in accordance with above clause.

16.2 The Bank, by written notice of not less than 90 (ninety) days, may terminate the Agreement, in whole or in part, for its convenience, provided same shall not be invoked by

the Bank before completion of half of the total Contract period (including the notice period). In the event of termination of the Agreement for the Bank's convenience, Service Provider shall be entitled to receive payment for the Services rendered (delivered) up to the effective date of termination.

16.3 In the event the Bank terminates the Agreement in whole or in part for the breaches attributable to Service Provider, it may procure, upon such terms and in such manner as it deems appropriate, products and services similar to those undelivered, and subject to clause 17 Service Provider shall be liable to the Bank for any increase in cost for such similar products and/or services. However, Service Provider shall continue performance of the Agreement to the extent not terminated.

16.4 The Bank shall have a right to terminate the Agreement immediately by giving a notice in writing to Service Provider in the following eventualities :

16.4.1 If any Receiver/Liquidator is appointed in connection with the business of Service Provider or Service Provider transfers substantial assets in favour of its creditors or any orders / directions are issued by any Authority / Regulator which has the effect of suspension of the business of Service Provider.

16.4.2 If Service Provider applies to the Court or passes a resolution for voluntary winding up of Service Provider or any other creditor / person files a petition for winding up or dissolution of Service Provider.

16.4.3 If any acts of commission or omission on the part of Service Provider or its agents, employees, sub-contractors or representatives, in the reasonable opinion of the Bank tantamount to fraud or prejudicial to the interest of the Bank or its employee(s).

16.4.4 Any document, information, data or statement submitted by Service Provider in response to RFP, based on which Service Provider was considered eligible or successful, is found to be false, incorrect or misleading.

16.5 In the event of the termination of the Agreement, Service Provider shall be liable and responsible to return to the Bank all records, documents, data and information including Confidential Information pertains to or relating to the Bank in its possession.

16.6 In the event of termination of the Agreement for material breach, the Bank shall have the right to report such incident in accordance with the mandatory reporting obligations under the applicable law or regulations.

16.7 Upon termination or expiration of this Agreement, all rights and obligations of the Parties hereunder shall cease, except such rights and obligations as may have accrued on the date of termination or expiration; the obligation of confidentiality and indemnity; obligation of payment; Governing Law clause; Dispute resolution clause; and any right which a Party may have under the applicable Law.

17. LIMITATION OF LIABILITY

17.1 The maximum aggregate liability of Service Provider, subject to clause 17.3, in respect of any claims, losses, costs or damages arising out of or in connection with this Agreement shall not exceed the total Project Cost.

17.2 Under no circumstances shall either Party be liable for any indirect, consequential or incidental losses, damages or claims including loss of profit, loss of business or revenue.

17.3 The limitations set forth in clause 17.1 shall not apply with respect to:

17.3.1 claims that are the subject of indemnification pursuant to infringement of third party Intellectual Property Right;

17.3.2 damage(s) occasioned by the Gross Negligence or Willful Misconduct of Service Provider;

17.3.3 damage(s) occasioned by Service Provider for breach of Confidentiality Obligations;

17.3.4 Regulatory or statutory fines imposed by a Government or Regulatory agency for non-compliance of statutory or regulatory guidelines applicable to the Bank, provided such guidelines were brought to the notice of Service Provider.

For the purpose of clause 17.3.2 “Gross Negligence” means any act or failure to act by a party which was in reckless disregard of or gross indifference to the obligation of the party under this Agreement and which causes injury, damage to life, personal safety, real property, harmful consequences to the other party, which such party knew, or would have known if it was acting as a reasonable person, would result from such act or failure to act for which such Party is legally liable. Notwithstanding the forgoing, Gross Negligence shall not include any action taken in good faith.

“Willful Misconduct” means any act or failure to act with an intentional disregard of any provision of this Agreement, which a party knew or should have known if it was acting as

a reasonable person, which would result in injury, damage to life, personal safety, real property, harmful consequences to the other party, but shall not include any error of judgment or mistake made in good faith.

18. CONTINGENCY PLANS & CONTINUITY ARRANGEMENTS.

18.1 Service Provider shall arrange and ensure proper contingency plans to meet any unexpected obstruction to Service Provider or any employees or sub-contractors (if allowed) of Service Provider in rendering the Services or any part of the same under this Agreement to the Bank.

18.2 Service Provider agrees for the following continuity arrangements to ensure the business continuity of the Bank.

18.2.1 In the event of failure of Service Provider to render the Services or in the event of termination of Agreement or expiry of term or otherwise, without prejudice to any other right, the Bank at its sole discretion may make alternate arrangement for getting the Services contracted with another vendor. In such case, the Bank shall give prior notice to the existing Service Provider. The existing Service Provider shall continue to provide services as per the terms of the Agreement until a 'New

Service Provider' completely takes over the work.

18.2.2 During the transition phase, the existing Service Provider shall render all reasonable assistances to the new Service Provider within such period prescribed by the Bank, at no extra cost to the Bank, for ensuring smooth switch over and continuity of Services, provided where transition services are required by the Bank or New

Service Provider beyond the term of this Agreement, reasons for which are not attributable to Service Provider, payment shall be made to Service Provider for such additional period on the same rates and payment terms as specified in this Agreement. If existing vendor is found to be in breach of this obligation, they shall be liable for paying a penalty of Rs. _____ **(10% of the total project cost)** on demand to the Bank, which may be settled from the payment of invoices or bank guarantee for the contracted period.

19. ARBITRATION

19.1 Any and all disputes, controversies and conflicts ("Disputes") arising out of this Agreement or in connection with this Agreement or the performance or nonperformance of the rights and obligations set forth herein, or the breach, termination, invalidity or interpretation thereof shall be referred for arbitration in terms of the Arbitration and Conciliation Act, 1996 (Arbitration Act) or any amendments thereof. Prior to submitting the Disputes to arbitration the parties shall make all endeavors to settle the dispute/s through mutual negotiation and discussions. In the event that the said dispute/s are not settled within 30 days of the arising thereof as evidenced through the first written communication from any party notifying the other regarding the disputes, the same shall finally be settled and determined by arbitration as above.

19.2 The place of arbitration shall be at **Mumbai, Maharashtra** and the language used in the arbitral proceedings shall be English. Arbitration shall be conducted by a mutually appointed sole arbitrator. If the Parties are unable to agree upon a sole Arbitrator, each Party shall appoint one arbitrator and the two arbitrators so appointed by the Parties shall appoint the third arbitrator, who shall be the Chairman of the Arbitral Tribunal.

19.3 The arbitral award shall be in writing and subject to the provisions of the Arbitration and Conciliation Act, 1996 Act shall be enforceable in any court of competent jurisdiction.

19.4 Pending the submission to arbitration and thereafter, till the Arbitrator or the Arbitral Tribunal renders the award or decision, the Parties shall, except in the event of termination of this Agreement or in the event of any interim order/award is granted under the afore stated Act, continue to perform their obligations under this Agreement.

20. GOVERNING LAW & JURISDICTION

20.1 The Agreement shall be governed and construed in accordance with the Laws of Republic of India.

20.2 The Parties agree to submit to the exclusive jurisdiction of the appropriate court in **Mumbai, Maharashtra** in connection with any dispute between the Parties under the Agreement.

21. SEVERABILITY

If any part or any provision of this Agreement is or becomes illegal, invalid or unenforceable, that part or provision shall be ineffective to the extent of such invalidity or

unenforceability only, without in any way affecting the validity or enforceability of the remaining parts of said provision or the remaining provisions of this Agreement. The Parties hereby agree to attempt to substitute any invalid or unenforceable provision with a valid or enforceable provision, which achieves to the greatest extent possible the economic, legal and commercial objectives of the invalid or unenforceable provision.

22. OWNERSHIP

All information processed by Service provider belongs to the Bank. Service provider shall not acquire any other right in respect of the information for the license to the rights owned by the Bank. Service provider will implement mutually agreed controls to protect the information. Service provider also agrees that it will protect the information appropriately. Failure to protect information may attract civil, criminal, or administrative penalties.

23. POWER TO VARY OR OMIT WORK

23.1 No alterations, amendments, omissions, additions, suspensions or variations of the work (hereinafter referred to as variation) under the Agreement shall be made by Service provider except as directed in writing by Bank. The Bank shall have full powers, subject to the provision herein after contained, from time to time during the execution of the Agreement, by notice in writing to instruct Service Provider to make any variation without prejudice to the Agreement. Service Provider shall carry out such variations and be bound by the same conditions, though the said variations occurred in the Agreement documents. If any suggested variations would, in the opinion of Service Provider, if carried out, prevent them from fulfilling any of their obligations under the Agreement, they shall notify the Bank, thereof, in writing with reasons for holding such opinion and Bank shall instruct Service Provider to make such other modified variation without prejudice to the Agreement. Service Provider shall carry out such variations and be bound by the same conditions, though the said variations occurred in the Agreement documents. If Bank confirms their instructions Service Provider's obligations will be modified to such an extent as may be mutually agreed. If such variation involves extra cost, any agreed difference in cost occasioned by such variation shall be mutually agreed between the parties. In any case in which Service Provider has received instructions from the Bank as to the requirement of

carrying out the altered or additional substituted work, which either then or later on, will in the opinion of Service Provider, involve a claim for additional payments, such additional payments shall be mutually agreed in line with the terms and conditions of the order.

23.2 If any change in the work is likely to result in reduction in cost, the parties shall agree in writing so as to the extent of reduction in payment to be made to Service Provider, before Service provider proceeding with the change.

24. ENTIRE AGREEMENT

24.1 This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior written agreements, undertakings, understandings and negotiations, both written and oral, between the Parties with respect to the subject matter of the Agreement, except which are expressly annexed or attached to this Agreement and saved by this Agreement. No representation, inducement, promise, understanding, condition or warranty not set forth herein has been made or relied upon by any Party hereto.

24.2 The following documents along with all addenda issued thereto shall be deemed to form and be read and construed as integral part of this Agreement and in case of any contradiction between or among them the priority in which a document would prevail over another would be as laid down below beginning from the highest priority to the lowest priority:

- 24.2.1 This Agreement;
- 24.2.2 Annexure of Agreement;
- 24.2.3 Purchase Order No. _____ dated _____; and
- 24.2.4 RFP

25. NOTICES

25.1 Any notice or any other communication required to be given under this Agreement shall be in writing and may be given by delivering the same by hand or sending the same by prepaid registered mail, postage prepaid, telegram or facsimile to the relevant address set forth below or such other address as each Party may notify in writing to the other Party from time to time. Any such notice given as aforesaid shall be deemed to be served or

received at the time upon delivery (if delivered by hand) or upon actual receipt (if given by postage prepaid, telegram or facsimile).

- Vendor shall ensure that the Mean Time between Failures (MTBF) (including any malfunctioning, breakdown or fault) in the Equipment or any part thereof, during Contract period, not more than four occasions in preceding 90 days, it shall be replaced by equivalent/ superior new Equipment or part thereof by Vendor immediately at free of cost during warranty and AMC period.
- **Preventive maintenance:** Vendor shall conduct preventive maintenance (including but not limited to inspection, testing, satisfactory execution of all diagnostics, cleaning and removal of dust and dirt from the interior and exterior of the Equipment, and necessary repair of the Equipment) once within first 15 days of the installation once within the first 15 days of every alternate month during the currency of the Contract on a day and time to be mutually agreed upon. Notwithstanding the foregoing Vendor recognizes the Bank's operational needs and agrees that the Bank shall have the right to require Vendor to adjourn preventive maintenance from any scheduled time to a date and time not later than 15 working days thereafter.
- All engineering changes generally adopted hereafter by Vendor for Equipment similar to that covered by the Contract, shall be made to the Equipment at no cost to the Bank.
- Qualified maintenance engineers totally familiar with the Equipment shall perform all repairs and maintenance service described herein.
- The Bank shall maintain a register at its site in which, the Bank's operator/ supervisor shall record each event of failure and /of malfunction of the Equipment. Vendor's engineer shall enter the details of the action taken in such register. Additionally every time a preventive or corrective maintenance is carried out, the Vendor's engineer shall make, effect in duplicate, a field call report which shall be signed by him and thereafter countersigned by the Bank's official. The original of the field call report shall be handed over to the Bank's official.
- The VENDOR shall provide replacement equipment if any equipment is out of the premises for repairs.
- Any worn or defective parts withdrawn from the Equipment and replaced by Vendor shall become the property of Vendor and the parts replacing the withdrawn parts shall become the property of Bank. Notwithstanding anything contained contrary, if any hard disk or storage device is required to be replaced, the same shall not be handed over to vendor and same will continue to remain in possession of the Bank. • Subject to the security requirement, Vendor's maintenance personnel shall, be given access to the Equipment when necessary, for purpose of performing the repair and maintenance services indicated in this RFP.
- If Bank desires to shift the Equipment to a new site and install it thereof, the Vendor shall be informed of the same. The Bank shall bear the reasonable mutually agreed charges for such shifting and Vendor shall provide necessary arrangement to the Bank in doing so. The terms of this RFP, after such shifting to the alternate site and reinstallation thereof would continue to apply and binding on Vendor.

No waiver of any provision of this Agreement shall constitute a waiver of any other provision(s) or of the same provision on another occasion.
- (f) In case of any dispute, both the parties agree for neutral third party arbitration. Such arbitrator will be jointly selected by the two parties and he/she may be an auditor, lawyer, consultant or any other person of trust. The said proceedings shall be conducted in English language at Mumbai and in accordance with the provisions of Indian Arbitration and Conciliation Act 1996 or any Amendments or Re-enactments thereto. Nothing in this clause prevents a party from having recourse to a court of competent jurisdiction for the sole purpose of seeking a preliminary injunction or any other provisional judicial relief it considers necessary to avoid irreparable damage. This Agreement shall be governed by and construed in accordance with the laws of Republic of India. Each Party hereby irrevocably submits to the exclusive jurisdiction of the courts of Mumbai.
- (g) Subject to the limitations set forth in this Agreement, this Agreement will inure to the benefit of and be binding upon the parties, their successors and assigns.
- (h) If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid or unenforceable, the remaining provisions shall remain in full force and effect.
- (i) The Agreement shall be effective from _____ ("Effective Date") and shall be valid for a period of _____ year(s) thereafter (the "Agreement Term"). The foregoing obligations as to confidentiality shall survive the term of this Agreement and for a period of five (5) years thereafter provided confidentiality obligations with respect to individually identifiable information, customer's data of Parties or software in human-readable form (e.g., source code) shall survive in perpetuity.

5. **Suggestions and Feedback**

Either party from time to time may provide suggestions, comments or other feedback to the other party with respect to Confidential Information provided originally by the other party (hereinafter "feedback"). Both party agree that all Feedback is and shall be entirely voluntary and shall not in absence of separate agreement, create any confidentially obligation for the receiving party. However, the Receiving Party shall not disclose the source of any feedback without the

providing party’s consent. Feedback shall be clearly designated as such and, except as otherwise provided herein, each party shall be free to disclose and use such Feedback as it sees fit, entirely without obligation of any kind to other party. The foregoing shall not, however, affect either party’s obligations hereunder with respect to Confidential Information of other party.

The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.

- 2.11 The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- 2.12 The BIDDER shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.
- 2.13 If the BIDDER or any employee of the BIDDER or any person acting on behalf of the BIDDER, either directly or indirectly, is a relative of any of the officers of the BUYER, or alternatively, if any relative of an officer of the BUYER has financial Interest/stake in the BIDDER's firm, the same shall be disclosed by the BIDDER at the time of filing of tender. The term 'relative' for this purpose would be as defined in Section 6 of the Companies Act 1956.
- 2.14 The BIDDER shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the BUYER.

3. **Previous Transgression**

- 3.1 The BIDDER declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise / Public Sector Banks in India or any Government Department in India or RBI that could justify BIDDER's exclusion from the tender process.
- 3.2 The BIDDER agrees that if it makes incorrect statement on this subject, BIDDER can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

4. **Earnest Money (Security Deposit)**

- 4.1 While submitting commercial Bid, the BIDDER shall deposit an amount (specified in RFP) as Earnest Money/Security Deposit, with the BUYER through any of the mode mentioned in the RFP / Bid document and no such mode is specified, by a Bank Draft or a Pay Order in favour of State Bank of India from any Bank including SBI . However payment of any such amount by way of Bank Guarantee, if so permitted as per Bid documents / RFP should be from any Scheduled Commercial Bank other than SBI and promising payment of the guaranteed sum to the BUYER on demand within three working days without any demur whatsoever and without seeking any reasons whatsoever. The demand

for payment by the BUYER shall be treated as conclusive proof for making such payment to the BUYER.

- 4.2 Unless otherwise stipulated in the Bid document / RFP, the Earnest Money/Security Deposit shall be valid upto a period of five years or the complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and the BUYER, including warranty period, whichever is later.
- 4.3 In case of the successful BIDDER a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same- without assigning any reason for imposing sanction for violation of this Pact.
- 4.4 No interest shall be payable by the BUYER to the BIDDER on Earnest Money/Security Deposit for the period of its currency.

5. **Sanctions for Violations**

- 5.1 Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the BUYER to take all or any one of the following actions, wherever required:
- (i) To immediately call off the pre contract negotiations without assigning any reason and without giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue, unless the BUYER desires to drop the entire process.
 - (ii) The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit/Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the BUYER and the BUYER shall not be required to assign any reason therefore.
 - (iii) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
 - (iv) To recover all sums already paid by the BUYER, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Base Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract for any other stores, such outstanding could also be utilized to recover the aforesaid sum and interest.
 - (v) To encash the advance bank guarantee and performance bond/warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
 - (vi) To cancel all or any other Contracts with the BIDDER. The BIDDER shall be

liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation/rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.

- (vii) To debar the BIDDER from participating in future bidding processes of the BUYER or any of its Subsidiaries for a minimum period of five years, which may be further extended at the discretion of the BUYER.
- (viii) To recover all sums paid, in violation of this Pact, by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
- (ix) Forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.
- (x) Intimate to the CVC, IBA, RBI, as the BUYER deemed fit the details of such events for appropriate action by such authorities.

5.2 The BUYER will be entitled to take all or any of the actions mentioned at para 5.1(i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of the Indian Penal code, 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.

5.3 The decision of the BUYER to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the Independent Monitor(s) appointed for the purposes of this Pact.

6. **Fall Clause**

The BIDDER undertakes that it has not supplied/is not supplying similar product/systems or subsystems at a price lower than that offered in the present Bid in respect of any other Ministry/Department of the Government of India or PSU or any other Bank and if it is found at any stage that similar product/systems or sub systems was supplied by the BIDDER to any other Ministry/Department of the Government of India or a PSU or a Bank at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the BUYER, if the contract has already been concluded.

7. **Independent Monitors**

7.1 The BUYER has appointed Independent Monitors (hereinafter referred to as Monitors) for this Pact in consultation with the Central Vigilance Commission (Names and Addresses of the Monitors to be given).

--	--

- 7.2 The task of the Monitors shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.
- 7.3 The Monitors shall not be subjected to instructions by the representatives of the parties and perform their functions neutrally and independently.
- 7.4 Both the parties accept that the Monitors have the right to access all the documents relating to the project/procurement, including minutes of meetings. Parties signing this Pact shall not approach the Courts while representing the matters to Independent External Monitors and he/she will await their decision in the matter.
- 7.5 As soon as the Monitor notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the BUYER.
- 7.6 The BIDDER(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the BUYER including that provided by the BIDDER. The BIDDER will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor shall be under contractual obligation to treat the information and documents of the BIDDER/Subcontractor(s) with confidentiality.
- 7.7 The BUYER will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the Monitor the option to participate in such meetings.
- 7.8 The Monitor will submit a written report to the designated Authority of BUYER/Secretary in the Department/ within 8 to 10 weeks from the date of reference or intimation to him by the BUYER / BIDDER and, should the occasion arise, submit proposals for correcting problematic situations.

8. Facilitation of Investigation

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BUYER or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

9. Law and Place of Jurisdiction

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER.

10. Other Legal Actions

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

11. Validity

11.1 The validity of this Integrity Pact shall be from date of its signing and extend upto 5 years or the complete execution of the contract to the satisfaction of both the BUYER and the BIDDER/Seller, including warranty period, whichever is later. In case BIDDER is unsuccessful, this Integrity Pact shall expire after six months from the date of the signing of the contract, with the successful Bidder by the BUYER.

11.2 Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.

Data Processing Agreement

≤ Applicable in case of activities for which selection of vendor/outsourcing of activities has been initiated involve access/sharing/transfer of Personal Data/PII of EU/UK NRI customers>

This Data Processing Agreement ("Agreement") forms part of the Contract for Services ("Principal Agreement") dated _____ between:

(i) State Bank of India ("Controller")

And

(ii) M/s. _____ ("Data Processor")

WHEREAS:

(A) State Bank of India (hereafter referred to as "SBI") acts as a Data Controller.

(B) SBI wishes to contract certain Services (provided in Schedule 1), which imply the processing of personal data (provided in Schedule 2), to the Data Processor.

The Parties seek to implement a data processing agreement that complies with the requirements of the current legal framework in relation to data processing and with the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation) and any other data protection and privacy laws applicable to the Services.

(C) The Parties wish to lay down their rights and obligations (Processor obligations in Clause 3).

IT IS AGREED AS FOLLOWS:

1. Definitions and Interpretation:

1.1 Unless otherwise defined herein, terms and expressions used in this Agreement shall have the following meaning:

1.1.1 "Agreement" means this Data Processing Agreement and all schedules.

1.1.2 "Controller" has the meaning given to "data controller" in the UK Data Protection Act 1998 and "controller" in the General Data Protection Regulation (as applicable).

1.1.3 “Client” means a customer of State Bank of India.

1.1.4 “Data Protection Legislation” means as applicable, the UK Data Protection Act 1998, Directive 95/46/EC of the European Parliament and any laws or regulations implementing it, the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (General Data Protection Regulation) and any equivalent or replacement law in the UK and any other data protection and privacy laws applicable to the Services.

1.1.5 “Data subject” has the meaning given to it in the Data Protection Legislation.

1.1.6 "Personal Data" has the meaning given to it in the Data Protection Legislation and relates only to Personal Data processed by a Contracted Processor on behalf of SBI pursuant to or in connection with the Principal Agreement in relation to the Services provided.

1.1.7 "Processor" means a data processor providing services to SBI.

1.1.8 “Subprocessor” means any person appointed by or on behalf of Processor to process Personal Data on behalf of SBI in connection with the Agreement.

1.1.9 "Data Protection Laws" means EU Data Protection Laws and, to the extent applicable, the data protection or privacy laws of any other country.

1.1.10 "EEA" means the European Economic Area.

1.1.11 "EU Data Protection Laws" means EU Directive 95/46/EC, as transposed into domestic legislation of each Member State and as amended, replaced or superseded from time to time, including by the GDPR and laws implementing or supplementing the GDPR.

1.1.12 "GDPR" means EU General Data Protection Regulation 2016/679.

1.1.13 "Data Transfer" means:

1.1.13.1 a transfer of Personal Data from SBI to a Processor; or

1.1.13.2 an onward transfer of Personal Data from a Processor to a Subcontracted Processor, or between two establishments of a Processor, in each case, where such transfer would be prohibited by Data Protection Laws (or by the terms of data transfer agreements put in place to address the data transfer restrictions of Data Protection Laws).

1.1.14 "Services" means the services to be performed by the Processor described in the Principal Agreement (as provided in Schedule 1).

1.1.15 “Supervisory authority” has the meaning given to it in the Data Protection Legislation.

1.1.16 “Personal data breach” has the meaning given to it in the Data Protection Legislation.

1.1.17 “Personnel” means the personnel of the Processor, Subcontractors and Sub processors who provide the applicable Services; and

1.1.18 “Third country” has the meaning given to it in the Data Protection Legislation.

2. Processing of Personal Data:

2.1 In the course of providing Services to State Bank of India, the Processor may process Personal Data on behalf of State Bank of India.

2.2 Processor shall:

2.2.1 comply with all applicable Data Protection Laws in the Processing of Personal Data; and

2.2.2 not Process Personal Data other than on the relevant documented instructions of SBI.

3. PROCESSOR OBLIGATIONS:

3.1 Processor Personnel:

Processor shall take reasonable steps to ensure the reliability of any employee, agent or sub-processor who may have access to Personal Data, ensuring in each case that access is strictly limited to those individuals who need to know / access the relevant Personal Data, as strictly necessary for the purposes of the Principal Agreement, and to comply with Applicable Laws in the context of that individual's duties to the Processor, ensuring that all such individuals are subject to confidentiality undertakings or professional or statutory obligations of confidentiality.

3.1.1. The Processor shall process Personal Data only on the documented instructions from State Bank of India from time to time. State Bank of India shall notify the Processor of any amendments to existing instructions or additional instructions in relation to the processing of Personal Data in writing and Processor shall promptly comply with such instructions.

3.1.2. Notwithstanding clause 3.1, the Processor (and its Personnel) may process the Personal Data if it is required to do so by European Union law, Member State law or to satisfy any other legal obligations to which it is subject. In such circumstance, the Processor shall notify State Bank of India of that requirement before it processes the Personal Data, unless the applicable law prohibits it from doing so.

3.1.3. The Processor shall immediately notify State Bank of India if, in Processor’s

opinion, State Bank of India's documented data processing instructions breach the Data Protection Legislation. If and to the extent the Processor is unable to comply with any instruction received from State Bank of India, it shall promptly notify State Bank of India accordingly.

3.1.4. The purpose of the Processor processing Personal Data is the performance of the Services pursuant to the Principal Agreement.

3.2 Security:

3.2.1 Taking into account the nature, scope, context and purposes of Processing (provided in Schedule 2) as well as the risk of varying likelihood and severity for the rights and freedoms of natural persons, Processor shall in relation to Personal Data implement appropriate technical and organizational measures (Processor obligations in Schedule 3) to ensure a level of security appropriate to that risk, including, as appropriate, the measures referred to in Article 32(1) of the GDPR.

3.2.2 In assessing the appropriate level of security, Processor shall take into account, in particular, risks related to processing of Personal Data.

3.2.3 The Processor shall use appropriate technical and organisational measures to prevent the unauthorised or unlawful processing of Personal Data and protect against accidental loss or destruction of, or damage to, any Personal Data during processing activities. It shall implement and maintain the security safeguards and standards based on the IS policy of State Bank of India as updated and notified to the Processor by State Bank of India from time to time. The Processor will not decrease the overall level of security safeguards and standards during the term of this Agreement without State Bank of India's prior consent.

3.3 Sub-Processing:

3.3.1 The Processor shall not appoint (or disclose any Personal Data to) any Sub-Processors without prior written authorisation from State Bank of India. The Processor shall provide State Bank of India with [no less than [xx days] prior written (including email) notice before engaging a new Sub processor thereby giving State Bank of India an opportunity to object to such changes. If State Bank of India wishes to object to such new Sub processor, then State Bank of India may terminate the relevant Services without penalty by providing written notice of termination which includes an explanation of the reasons for such objection.

3.3.2 The Processor shall include in any contract with its Sub processors who will process Personal Data on State Bank of India's behalf, obligations on such Sub processors which are no less onerous than those obligations imposed upon the Processor in this Agreement relating to Personal Data. The Processor shall be liable for the acts and omissions of its Sub processors to the same extent to which the Processor would

be liable if performing the services of each Sub processor directly under the terms of this Agreement.

3.4 Data Subject Rights:

Data subjects (SBI NRI customers) whose Personal Data is processed pursuant to this Agreement have the right to request access to and the correction, deletion or blocking of such Personal Data under Data Protection Legislation. Such requests shall be addressed to and be considered by State Bank of India responsible for ensuring such requests are handled in accordance with Data Protection Legislation.

3.4.1 Taking into account the nature of the Processing, Processor shall assist SBI by implementing appropriate technical and organisational measures (Processor obligations in Schedule 3), insofar as this is possible, for the fulfilment of SBI's obligations, as reasonably understood by SBI, to respond to requests to exercise Data Subject rights under the Data Protection Laws.

3.4.2 In case Data Subject Requests are received by Processor, then the Processor shall:

3.4.2.1 promptly notify SBI if it receives a request from a Data Subject under any Data Protection Law in respect of Personal Data; and

3.4.2.2 ensure that it does not respond to that request except on the documented instructions of SBI or as required by Applicable Laws to which the Processor is subject, in which case Processor shall to the extent permitted by Applicable Laws

3.4.2.3 inform SBI of that legal requirement before the Processor responds to the request.

3.5 Personal Data Breach:

3.5.1 Processor shall notify SBI without undue delay upon Processor becoming aware of a Personal Data Breach affecting Personal Data, providing SBI with sufficient information to allow SBI to meet any obligations to report or inform Data Subjects of the Personal Data Breach under the Data Protection Laws.

3.5.2 Processor shall co-operate with SBI and take reasonable commercial steps as are directed by SBI to assist in the investigation, mitigation and remediation of each such Personal Data Breach.

3.6 Data Protection Impact Assessment and Prior Consultation:

Processor shall provide reasonable assistance to SBI with any data protection impact assessments, and prior consultations with Supervising Authorities or other competent data privacy authorities, which SBI reasonably considers to be required by article 35 or 36 of

the GDPR or equivalent provisions of any other Data Protection Law, in each case solely in relation to Processing of Personal Data by and taking into account the nature of the Processing and information available to, the Processors.

3.7 Deletion or return of Personal Data:

3.7.1 Subject to this section 3.7 Processor shall, promptly and in any event within <XX> business days of the date of cessation of any Services involving the Processing of Personal Data (the "Cessation Date"), delete all copies of those Personal Data.

3.7.2 Processor shall provide written certification to SBI that it has fully complied with this section 3.7 within < XX > business days of the Cessation Date.

3.8 Audit Rights:

The Processor shall make available to State Bank of India and any supervisory authority or their representatives the information necessary to demonstrate its compliance with this Agreement and allow for and contribute to audits and inspections by allowing State Bank of India, its Client, a supervisory authority or their representatives to conduct an audit or inspection of that part of the Processor's business which is relevant to the Services [on at least an annual basis (or more frequently when mandated by a relevant supervisory authority or to comply with the Data Protection Legislation) and] on reasonable notice, in relation to the Processing of Personal Data by the Processor.

3.9 Data Transfer:

The Processor may not transfer or authorize the transfer of Data to countries outside the EU/ India and/or the European Economic Area (EEA) without the prior written consent of SBI. If personal data processed under this Agreement is transferred from a country within the European Economic Area to a country outside the European Economic Area, the Parties shall ensure that the personal data are adequately protected. To achieve this, the Parties shall, unless agreed otherwise, rely on EU approved standard contractual clauses / EU-US Privacy Shield for the transfer of personal data.

3.10 Records:

The Processor shall maintain written records of its data processing activities pursuant to providing the Services to State Bank of India in accordance with Data Protection Legislation.

3.11 Notify:

The Processor shall immediately and fully notify State Bank of India in writing of any communications the Processor (or any of its Sub processors) receives from third parties in connection with the processing of the Personal Data, including (without limitation) subject access requests or other requests, notices or other communications from individuals, or their representatives, or from the European Data Protection Board, the UK's Information

Commissioner's Office (in the case of the United Kingdom) and/or any other supervisory authority or data protection authority or any other regulator (including a financial regulator) or court.

3.12 Agreement Termination:

Upon expiry or termination of this Agreement or the Services for any reason or State Bank of India's earlier request, the Processor shall: (i) return to State Bank of India; and (ii) delete from all computer systems and other data storage systems, all Personal Data, provided that the Processor shall not be required to return or delete all or part of the Personal Data that it is legally permitted to retain. The Processor shall confirm to State Bank of India that it has complied with its obligation to delete Personal Data under this clause.

4. STATE BANK OF INDIA'S OBLIGATIONS:

State Bank of India shall:

4.1 in its use of the Services, process the Personal Data in accordance with the requirements of the Data Protection Legislation.

4.2 use its reasonable endeavours to promptly notify the Processor if it becomes aware of any breaches or of other irregularities with the requirements of the Data Protection Legislation in respect of the Personal Data processed by the Processor.

5. General Terms:

5.1 Confidentiality:

Each Party must keep this Agreement and information it receives about the other Party and its business in connection with this Agreement ("Confidential Information") confidential and must not use or disclose that Confidential Information without the prior written consent of the other Party except to the extent that:

- (a) disclosure is required by law.
- (b) the relevant information is already in the public domain.

5.2 Notices:

All notices and communications given under this Agreement must be in writing and will be delivered personally, sent by post or sent by email to the address or email address set out in the heading of this Agreement at such other address as notified from time to time by the Parties changing address.

5.3 Governing Law and Jurisdiction:

5.3.1 This Agreement is governed by the laws of INDIA.

5.3.2 Any dispute arising in connection with this Agreement, which the Parties will not be able to resolve amicably, will be submitted to the exclusive jurisdiction of the courts of MUMBAI.

IN WITNESS WHEREOF, this Agreement is entered into and becomes a binding part of the Principal Agreement with effect from the date first set out below.

Technical and Organisational Data Protection Measures

1. The Processor shall ensure that, in respect of all Personal Data it receives from or processes on behalf of SBI, it maintains security measures to a standard appropriate to:

1.1. the nature of the Personal Data; and

1.2. Safeguard from the harm that might result from unlawful or unauthorised processing or accidental loss, damage, or destruction of the Personal Data.

2. In particular, the Processor shall:

2.1. have in place, and comply with, a security policy which:

2.1.1. defines security needs based on a risk assessment.

2.1.2. allocates responsibility for implementing the policy to a specific individual (such as the Processor's Data Protection Officer) or personnel and is provided to SBI on or before the commencement of this Agreement.

2.1.3. ensure that appropriate security safeguards and virus protection are in place to protect the hardware and software which is used in processing the Personal Data in accordance with best industry practice.

2.1.4. prevent unauthorised access to the Personal Data.

2.1.5. protect the Personal Data using pseudonymisation and encryption.

2.1.6. ensure the confidentiality, integrity and availability of the systems and services in regard to the processing of Personal Data.

2.1.7. ensure the fast availability of and access to Personal Data in the event of a physical or technical incident.

2.1.8. have in place a procedure for periodically reviewing and evaluating the effectiveness of the technical and organisational measures taken to ensure the safety of the processing of Personal Data.

2.1.9. ensure that its storage of Personal Data conforms with best industry practice such that the media on which Personal Data is recorded (including paper records and records stored electronically) are stored in secure locations and access by personnel to Personal Data is strictly monitored and controlled.

2.1.10. have secure methods in place for the transfer of Personal Data whether in physical form (for example, by using couriers rather than post) or electronic form (for example, by using encryption).

2.1.11. password protect all computers and other devices on which Personal Data is stored, ensuring that all passwords are secure, and that passwords are not shared under any circumstances.

2.1.12. not allow the storage of the Personal Data on any mobile devices such as laptops or tablets unless such devices are kept on its premises at all times.

2.1.13. take reasonable steps to ensure the reliability of personnel who have access to the Personal Data.

2.1.14. have in place methods for detecting and dealing with breaches of security (including loss, damage, or destruction of Personal Data) including:

2.1.14.1. having a proper procedure in place for investigating and remedying breaches of the GDPR; and

2.1.14.2. notifying SBI as soon as any such security breach occurs.

2.1.15. have a secure procedure for backing up all Personal Data and storing back-ups separately from originals; and

2.1.16. adopt such organisational, operational, and technological processes and procedures as are required to comply with the requirements of ISO/IEC 27001:2013 and SBI's Information Security Policy as appropriate.

At the time of signing this Agreement, the Processor has the following technical and organizational measures in place: (To be vetted by SBI)

S. No	Controls to be implemented	Compliance (Yes / No)	If under implementation, give date by which implementation will be done
1	Whether the Processor has Information security policy in place with periodic reviews?		
2	Whether the Processor have operational processes with periodic review, including but not limited to:	a. Business Continuity Management	
		b. Backup management	
		c. Desktop/system/server/network device hardening with baseline controls	
		d. Patch Management	
		e. Port Management Media Movement	
		f. Log Management	
		g. Personnel Security	
		h. Physical Security	
		i. Internal security assessment processes	
3	Whether a proper documented Change Management process has been instituted by the Processor?		
4	Whether the Processor has a documented policy and process of Incident management /response?		
5	a. Firewall		

S. No	Controls to be implemented	Compliance (Yes / No)	If under implementation, give date by which implementation will be done
	Whether the Processor's environment is suitably protected from external threats by way of:	b. WAF	
		c. IDS/IPS	
		d. AD	
		e. AV	
		f. NAC	
		g. DLP	
		h. Any other technology	
6	Whether rules are implemented on Firewalls of the Processor environment as per an approved process?		
7	Whether firewall rule position is regularly monitored for presence of any vulnerable open port or any-any rule?		
8	Whether proper log generation, storage, management and analysis happens for the Processor application?		
9	Is the Processor maintaining all logs for forensic readiness related to:	a. Web	
		b. Application	
		c. DB	
		d. Configuration	
		e. User access	
10	Whether the Processor maintains logs for privileged access to their critical systems?		
11	Whether privilege access to the Processor environment is permitted from internet?		
12	Whether the Processor has captive SOC or Managed Service SOC for monitoring their systems and operations?		
13	Whether the Processor environment is segregated into militarized zone (MZ) and demilitarized zone (DMZ) separated by Firewall, where any access from an external entity is permitted through DMZ only?		
14		a. Production	

S. No	Controls to be implemented	Compliance (Yes / No)	If under implementation, give date by which implementation will be done
	Whether Processor has deployed secure environments for their applications for:	b. Disaster recovery	
		c. Testing environments	
15	Whether the Processor follows the best practices of creation of separate network zones (VLAN Segments) for:	a. Web	
		b. App	
		c. DB	
		d. Critical applications	
		e. Non-Critical applications	
		f. UAT	
16	Whether the Processor configures access to officials based on a documented and approved Role Conflict Matrix?		
17	Whether Internet access is permitted on:	a. Internal servers	
		b. Database servers	
		c. Any other servers	
18	Whether the Processor has deployed a dedicated information security team independent of IT, reporting directly to MD/CIO for conducting security related functions & operations?		
19	Whether CERT-IN Empaneled ISSPs are engaged by the third party for ensuring security posture of their application?		
20	Whether quarterly vulnerability assessment and penetration testing is being done by the Processor for their infrastructure?		
21	Whether suitable Security Certifications (ISO, PCI-DSS etc.) of the security posture at vendor environment are in place?		
22	Whether the Processor has deployed any open source or free software in their environment?		
	If yes, whether security review has been done for such software?		
23	Whether the data shared with the Processor is owned by SBI (SBI = Information Owner)?		

S. No	Controls to be implemented	Compliance (Yes / No)	If under implementation, give date by which implementation will be done
24	Whether the data shared with the Processor is of sensitive nature?		
25	Whether the requirement and the data fields to be stored by the Processor is approved by Information Owner?		
26	Where shared, whether the bare minimum data only is being shared? (Please document the NEED for sharing every data field)		
27	Whether the data to be shared with Processor will be encrypted as per industry best standards with robust key management?		
28	Whether the Processor is required to store the data owned by State Bank?		
29	Whether any data which is permitted to be stored by the Processor will be completely erased after processing by the Processor at their end?		
30	Whether the data shared with the Processor is stored with encryption (Data at rest encryption)?		
31	Whether the data storage technology (Servers /Public Cloud/ Tapes etc.) has been appropriately reviewed by IT AO?		
32	Whether the Processor is required to share SBI specific data to any other party for any purpose?		
33	Whether a system of obtaining approval by the Processor from the IT Application Owner is put in place before carrying out any changes?		
34	Whether Processor is permitted to take any crucial decisions on behalf of SBI without written approval from IT Application Owner?		
	If not, are such instances being monitored? IT Application Owner to describe the system of monitoring such instances.		
35	Whether Application Owner has verified that the Processor has implemented efficient and sufficient preventive controls to protect SBI's interests against any damage under section 43 of IT Act?		

S. No	Controls to be implemented	Compliance (Yes / No)	If under implementation, give date by which implementation will be done
36	Whether the selection criteria for awarding the work to Processor vendor is based on the quality of service?		
37	Whether the SLA/agreement between SBI and the Processor contains these clauses:	a. Right to Audit to SBI with scope defined	
		b. Adherence by the vendor to SBI Information Security requirements including regular reviews, change management, port management, patch management, backup management, access management, log management etc.	
		c. Right to recall data by SBI.	
		d. Regulatory and Statutory compliance at vendor site. Special emphasis on section 43A of IT Act 2000 apart from others.	
		e. Availability of Compensation clause in case of any data breach or incident resulting into any type of loss to SBI, due to vendor negligence.	
		f. No Sharing of data with any third party without explicit written permission from competent Information Owner of the Bank including the Law Enforcement Agencies.	

APPENDIX-T**BROAD SCOPE OF WORK****1. DESCRIPTION OF SERVICES**

Bank invites proposals from well experienced bidders for Supply, Installation, Integration, Implementation and Maintenance of Core and Network and related Software, and its integration with existing Bank's infrastructure, for Finacle Core Banking (Version 10.x), other applications at Bank's DC, DR and Near Site, for a period of 5 years.

(Bank and ITFO or department are interchangeable during RFP description)

Presently, Core Banking solution (CBS) of bank's is running on Finacle 10.2.13 along with country specific local and regulatory customizations, provided by OEM M/s. Infosys Ltd. Bank is also using other Finacle Suite of applications along with other applications hosted on HP/UX and AIX.

Based on the technical specifications as, the bidders are required to propose X86/RHEL architecture, necessary software/licenses to be included by the bidder as part of the solution as mentioned in RFP. All other necessary licenses, subscription, for ensuring smooth functioning of the application on the proposed hardware to be quoted by the bidder.

The bidder is required to deploy the Infrastructure at Bank's DC, DR and Near Site, until otherwise specified:

Scalability Requirements: To be scalable as per Bank's future requirement (vertical and horizontal scalability required). **Rate discovered will be valid for one year and if there are requirement Bank may place order for hardware upto 25% quantity for which RFP is floated.**

2. DETAILED SCOP OF WORK

1. The list of major activities in the scope, inter alia, is placed below:

Sr.No.	List of Activities to be Included (Details)
A	Virtualization Stack/ Cloud Deployment and Management
B	System Integration, Testing & User Acceptance testing
C	Security Review
D	Technical documentation
E	Training
F	DR Implementation
G	Facility Management services& Onsite Support
H	Service delivery and control requirements
I	Staffing guidelines

2. The proposed solution should be implemented at Production site and Disaster site as per specification – provided by the Bank. Tentatively the sites are :
 - Sify Rabale, Mumbai – Production (DC)
 - CBD Belapur - NDC
 - Gachibowli, Hyderabad– DR Centre/NDR
3. A dedicated on-site team required by the bidder at SBI Sites (PR/DR/NDC/NDR) to manage/maintain environment along with technical skill sets and role. Bank will provide workstations / infrastructure for the support team.
4. The Team Leader/Project Leader should be SPOC for entire project and certified with Project Management skills.
5. Integration and Implementation of the proposed solution would be the sole responsibility of bidder and respective OEMs.
6. The details of each activities mentioned in point no. (1) are placed below :

(A) Virtualization Stack/ Cloud Deployment and Management

Management Domain and Workload domain deployment across all Sites (DC, Near Sites, DR) as per best practices. Setting up cloud platform includes the following high-level steps but not exhaustive:

1. Management Domain(vSphere, vCenter,etc.) deployment across all the DC/DR/Near sites.
2. vSAN Deployment as part of Management Domain cluster across DC/DR/Near sites
3. Workload Domain - App and Web Clusters to be deployed with internal storage and VSAN architecture across Availability Zones (Rack) within each site. Database clusters to be deployed with external storage.
4. Software deployment(Aria Operations) across DC/DR/Near sites with infrastructure dashboards for monitoring.
5. Software Automation deployment (Aria Automation)across DC/DRs with Self Service Portal creation (custom form for operations team to enter details) and VM Creation workflow for Linux and Windows OS (Template Creation, VM creation through Template, Ip allocation, AD integration, host name customization etc.)
6. NSX host preparation for all servers. Application tagging with security tag based Microsegmentation.
7. NSX Advanced Load Balancer (AVI) controller deployment across DC/DR sites for App and Web VMs
8. Aria Operations for Network deployment across DC/DR with Network flow dashboards for ITFO application modules.
9. Provide SOP and Knowledge transfer for deployment steps to Operations Team
10. App, Web, and DB VMs to be created and deployed as per the application module requirement.
11. Creating Micro segmentation rules for enhanced security of ITFO Application modules
12. Updating software module for Network dashboards as per requirement
13. 24*7 management of VMware Private cloud platform or equivalent Cloud Platform , in case bank decide to move .

(B) System Integration, Testing & User Acceptance testing

- The Vendor should carry out thorough system integration testing with the existing systems and policies as per requirement of the Bank .

- The System integration testing will be followed by user acceptance test(UAT). The UAT plan needs to be submitted by the Vendor to the Bank. The UAT will include Functional tests, Resilience tests, Benchmark Comparisons, Operational tests, Load tests etc. SBI staff / third Party Vendor designated by the Bank will carry out the functional testing. This necessary on-site training for this purpose should be provided by the Vendor. Vendor should also carry out other testing like resiliency/benchmarking/load etc. Vendor should submit result log for all testing to the Bank.

(C) Security Review

- IS security review of the solution will be carried out as per Bank's policy and the Vendor should close the observations within stipulated time frame.

(D) Technical documentation

Following documents should be delivered by the bidder to the Bank for every component/software including third party component/software before solution become operational of the solution(as applicable) :

- User manuals
- Installation manuals
- Operation manuals
- Design/Architecture documents
- Process documents
- Technical manuals
- Functional specification
- Software requirement specification
- On-line tutorials/CBTs
- System configuration documents
- System/database administrative documents □ Debugging/diagnostics documents □ Test procedures etc.

The vendor should also provide documents related to Review Records/ Test Bug Reports/ Root Cause Analysis Report, list of all Product components, list of all dependent/external modules and list of all documents relating to traceability of the Product as and when applicable based on severity.

The Vendor should also provide the MIS reports as per requirement of the Bank. Any level/version changes and/or clarification or corrections or modifications in the above mentioned documentation should be supplied by the Vendor to the Bank free of cost in timely manner.

(E) Training

Vendor shall train designated SBI officials/partner as per (Appendix-E) for the items in scope for configuration, operation / functionalities, maintenance, support & administration, architecture and components, installation, troubleshooting processes, backup etc.

(i) Administration

Scope	Site	No of Trainees
1)Administering the entire stack of the solution 2)Proactive Monitoring of complete stack	Onsite, at ITFO or any other place decided by Bank	20

(ii) Technical/Operational

Scope	Site	No of Trainees
1)Handling all the technical issues across the stack 2) Proactive Monitoring of complete stack 3)All stack integration overview and Monitoring individual VM/FO	Onsite, at ITFO or any other place decided by Bank	40

(F) DR Implementation

Department is looking for setting up NDC (Near Site at DC) and NDR (Near Site at DR) to achieve the Zero RPO requirement. The Near Site may/mayn't be at different geographical locations. Vendor will implement the DR plan accordingly as per Bank's policy including time to time changes as applicable.

(G) Facility Management Services & Onsite support

The services will include Administration, Configuration, Maintenance, Performance Tuning, Monitoring, Troubleshooting and fixing issues with Hardware Infra / Operating Environments including coordination with OEMs for fixing Hardware level issues. Following are broad guidelines:

(a) Systems / Infrastructure Management: Installation, Administration, Configuration, maintenance, Performance tuning, monitoring, backup, restoration, troubleshooting and fixing issues for all solutions including, but not limited to, the following:

- User Account administration
- Coordination for installation in current / future upgrades of Hardware / Software
- Patch management and implementation
- Performance fine-tuning
- Performance monitoring
- Network / Patch Link termination
- Change Management Process
- Server Administration and Housekeeping
- Version Control
- Support for Audits
- Asset Management
- License management
- Logs Review and analysis
- Preventive maintenance
- Capacity management and planning: Support for proper/right sizing of future Infra based on historical analysis.
- Documentation & maintenance of Records
- Resolution of solution/equipment hung state issues with proper analysis and Root Cause Analysis(RCA) within timeline (Annexure-F).
- Fixing issues with virtual servers/machines/clients.
- Version upgrades to be taken up as and when required.

(b) Storage Management:

Resolve any issues relating to storage.

- Continuous monitoring
- Alert and resolve any performance issues and notify end-users.
- Performance tuning at the storage level
- Storage Allocation: Maintenance and Creation of LUNs / File system etc. and allocation to the respective server environment.
- Troubleshooting issues relating to Storage.
- Capacity management and planning
- Raising issues with the OEM vendor and arrange for resolution in case of Hardware level failure or any other such issues.

(c) System Monitoring:

- Services Monitoring (OS/DB/APP/WAS/IHS)
- Solution/Equipment Availability & Performance Monitoring
- Application/DB Monitoring

- Scheduled Jobs Monitoring
- Backup Monitoring
- Automated Custom notifications and Escalations
- Reporting on status
- Half Yearly Structured report on Capacity status/requirement(for each layer/server) is required for Short term/Long term capacity planning by department (1-3 year)

(d) OS/HW/Firmware/App updates: Periodic Planned updates for all the solution/equipment in consultation with the bank.

(e) Network management (Monitoring and Alerts):

- Management of IPs.
- Coordination with the Network Team.
- Management of SAN/NAS/LB equipment.

Raising issues with the OEM vendor and arrange for resolution in case of Hardware level failure or any other such issues.

(f) Administration configuration and Management of Load balancing systems:

- LB configuration as per the application requirement.
- Security configuration
- WAF configuration
- DoS Protection configuration
- Cluster configuration
- Deployment of AppWall Cluster + Node (Physical or Virtual)
- SSL, Compression, Fastview and other such configurations.

(g) Handling Data Centre Operations/Activities:

- Asset Management.
- Physical Health Check and Infrastructure Monitoring regularly.
- A semi-Annual report on Health-Check of Infrastructure is required.
- Cabling and labeling of equipment.
- Coordination with CDC/DC team for various activities.
- Installation/Movement of solution/equipment within/to and from datacenters

(h) Backup & Recovery Operations [including backup of all the components (OS, DB, App, Web, etc.)]

- Management and Administration of Backup solution (Drives/Libraries/D2D etc.)
- Management and Administration of Backup software (Server/Clients).
- Scheduled and ad hoc backups.
- Monitoring of backups and restart of failed backups
- Maintain proper backup schedule.
- Restore and recover data as requested.

- Conduct restoration drills at regular intervals
- Restoration of earlier backups as and when required for different kind of environments (Dev/UAT/Prod,etc).
- Facilitate onsite and off-site storage of tapes.
- Maintain and submit periodic and ad hoc Backup reports.

(i) DR Management

- Management of DR environment.
- Handle DR operations
- Participation in DR Drills
- Ensuring timely and proper DC – DR-Near Site replication
- Configuration/Customization/development of scripts for automated replication
- Ensuring consistency between DC, Failover and DR setups in coordination with application vendors.
- Managing Operation from DR, Near Site in case of associated incident/drills.

(j) Management and Administration of Help Desk/Service Desk.

(k) Maintenance of Dashboard/Command Centre (Covering support of all the components in scope)

(l) License Management

(m) SLA Monitoring

(n) Housekeeping and daily maintenance.

(H) Service delivery and control requirements:

(a) Information Security & Control Requirements for the entire setup in scope

In addition to obligations under this SOW, the following provisions apply in the event that if Bank makes Sensitive Personal Information and/or Business Sensitive Information available to the vendor, Vendor agrees to take appropriate security measures to protect the information:

"Sensitive Personal Information" (SPI) refers to an individual's name in conjunction with that individual's social security number, driver license number, state identification number, medical information, date of birth, electronic signature or mother's maiden name. BSI refers to Business Sensitive Information which if leaked may lead to the Business advantage to the competitors.

1. SPI or BSI requires additional security measures beyond those specified in this SOW, the Parties will mutually agree to them.
2. Vendor has to agree not to use or disclose SPI and/or BSI other than as permitted or required by this SOW or as required by laws and regulations ("Laws").
3. Vendor has to implement the security measures specified in this SOW, RFP, and security measures agreed pursuant to the point mentioned above, if any, which the

Party providing the information has determined are appropriate security measures to protect their information. The Bank's IT and IS policies to be adopted as reference points.

4. Vendor has to communicate, manage and mitigate risk by implementing the security measures to protect SPI and/or BSI specified in this SOW.
5. Vendor has to inform the bank in case where it learns that an unauthorized third party has accessed or acquired the other Party's SPI or BSI.
6. Vendor has to agree to promptly return to the Bank or destroy all SPI and/or BSI belonging to the Bank which is no longer necessary to fulfil the purpose(s) for which it was made available, unless otherwise instructed by the Bank or as required by Laws.

(b) Broad Guidelines, Process & Controls to be followed:

VENDOR has to ensure the following:

1. Security and access services activities will follow security standards that shall be as per Bank's IT/IS Policy.
2. Vendor has to comply with Bank's IT/IS policy for all the activities in scope.
3. **System Hardening:** All the systems have to be hardened (at all layers OS/DB/APP/NW/etc) as per the Bank's IT/IS policy, the Hardening documents might be updated periodically and has to be implemented accordingly.
4. **RBAC:** There should be role based access to all the different components of this infra. All such access rules should be implemented
5. Adequate consideration of access control & security administration should be there.
6. Vendor has to conduct all activities in compliance with Bank's IT/IS standards and policies and the prevailing legal and regulatory framework. The activities should be carried out with proper authorization from Bank.
7. For the services under scope, vendor has to maintain network access register and related documentations.
8. Vendor has to carry out all the necessary testing required for IS audits, SOC alerts, VA/PT on a periodic basis and has to cooperate in the process, adhere to the recommendations and arrange for closure of findings if any raised
9. Implementation of encryption/decryption mechanism for sensitive information (SPI/BSI) on all the layers of the implementation in consultation with the bank.
10. Access to information and Information Systems including applications, operating systems, database, and networking / security devices should be provided to users only after proper authentication. The allocation and use of privileges should be restricted and controlled.
11. Log Analysis: The server log analysis would encompass the real-time monitoring of the server, logs. These logs would play an important role in the detection of malicious activities. In case of a malicious activity the same should be alerted to the Bank and intrusion management procedure would be triggered.

12. Industry prevalent practices customized for Indian conditions for the complete implementation of the project must be proposed & implemented as per mutual discussion with the bank.
13. All systems (applications, OS, Databases etc.) should be configured as per the Banks security policy. Vendor should ensure against any deviations from the Bank's security policy during the currency of the contract.
14. Backup/restore of media should also comply with bank's information security policy
15. Vendor has to implement proper security & integrity controls regarding the OS, database, and application platforms (under the scope of this RFP), & all the related software. Bank may also consider Information technology - Security certifications like ISO/IEC or other for the entire setup, vendor has to follow necessary guidelines provided by the Bank.
16. There should be a continuous evaluation of performance, cost, user satisfaction & effectiveness.
17. Periodic reviews on quarterly basis on the actual production Infrastructure must be performed & the properly documented results must be published. A comparative summary report (Taking previous results) may also be presented for the use by project steering committee.
18. **Patch Management:** Recommending and updating the patches. Proper Processes has to be implemented and followed. Vendor has to ensure Patching as per Policy of the Bank.
19. **Version Management and Change management:** Patch management, change management & version control needs to implemented for all components and maintain necessary documentation.
20. **Business Continuity Management:** Proper BCM processes should be put in Place.
21. **Audit:** Vendor has to comply with all such guidelines in consultation with the bank.
 - Compliance to IS recommendations and regulatory requirements of Foreign Offices/ any other Auditing body as engaged directly or indirectly by the BANK.
 - Infrastructure will be subjected to security/performance audit from Bank and/or external agency appointed by the bank. It shall be responsibility of the vendor to co-operate and provide necessary information and support to the auditors.
 - Appropriate controls (Application controls, Controlled processes & procedures Audit trails) should be applied to reduce the risk on project assets.
 - Standard auditing functions as supported by the respective hardware, software, and database have to be enabled to ensure system audit ability.
 - Appropriate audit trails should be there in each process/application/OS of the Project. Audit trails should include the information like time, date, details of

change in fields; report along with the person who performed the modification, etc. with Proper Audit logs, Audit trails.

- Configuration of ITAM/SOC/DAM etc. as per the requirement of the bank.
- Assistance in closure of findings in above.

22. Vendor has to follow standard coding/development/ scripting/customization and practices/processes with proper documentation for automation/integration of any of the services in scope. Ownership for all such software will remain with the bank. All such developments should meet the functional, security, performance & regulatory requirements of the bank.

23. Segregation of duties in the support and administration of the Infrastructure is required to be implemented.

24. If some work is carried outside the bank premises (offsite), it should comply with banks confidentiality & information security requirements along with this bank will also have the right to carry out audit or appoint any third party to carry out audit of any such location/premises/work.

24. **IT Controls:** Proper controls should be maintained to ensure the security (Confidentiality Integrity & Availability) of the sensitive & critical data/information and operations, controls may be as follows:

PREVENTIVE :

- Classification of information.
- Segregation of duties.
- Control access to physical facilities
- Access control mechanism that allows only authorized users/personnel to access data/information.
- Use of encryption to prevent unauthorized disclosure of data (e.g. Password protected reports)

DETECTIVE :

- Hash totals.
- Error messages over tape labels.
- Internal audit functions.
- Automated Review of activity logs to detect unauthorized attempts. etc.

CORRECTIVE:

- Contingency plan.
- Backup procedure.
- DR Etc.

25. A benefit realization framework is to be designed to reflect the direct benefits of the engagement.

- Every quarter a presentation to be made on the benefits (to the bank) of the targets completed & the benefits to the Bank.

26. Vendor has to ensure appropriate protection of banks information as per the Bank's security policies & procedures.

27. Violation reports should be presented to the bank periodically: such reports are preferably required to be automated.
28. Unsuccessful & unauthorized access attempts should be reviewed daily; the report should include the terminal location, data & time of attempted access.
29. **Exception reports:** automated reports to identify all jobs/scripts/applications that did not successfully complete or otherwise malfunctioned. A proper documentation of all these should be maintained along with this a biannual compilation is also required to be released. Ex are as follows:
- Job rerun reports.
 - Operator problem reports.
 - Output distribution reports: Tracking lost delayed or misrouted reports.
 - Console log: An automated way to analyze and report exceptional behavior.
30. Detection, control, resolution & documentation of abnormal conditions (Program errors, System errors, Operator errors, Network errors, Hardware errors software errors etc.) should be built in to the system designed & developed by VENDOR/Partners for the entire infrastructure & implementation. A formal report is to be generated at an agreed frequency. Example parameters to be included in the report are:
- Error date.
 - Resolution description.
 - Error description.
 - Escalation date & time.
 - Source of error.
 - Error code.
 - Escalation date & time.
 - Initials of individual maintaining the log.
 - Initials of the individual closing the log.
 - Narrative of error resolution.

Copies of these reports should be maintained along with this a biannual compilation is also required to be released as a knowledge base document.

31. Vendor will be responsible for implementing the information security for project infrastructure which may include:
- Performing risk assessment of the information assets.
 - Performing BIA (Business Impact Analysis).
 - Implementing information security policy, procedures & standards.
 - Conducting self-security assessment on periodically and supporting and complying any such assessment as deemed necessary by the bank regularly.
 - Implementing a formal vulnerability management process.
 - Media sanitization for offsite tapes
 - Security awareness & education
 - Monitoring & compliance

Documentation for all the above is to be performed & regularly updated.

32. There has to be one project steering committee with senior management from the Bidder and the Bank as members to oversee activities, progress and improvement in operations.
33. Vendor should present & maintain an updated Inventory record of each Information asset (H/w or S/w) and maintain an exhaustive Asset register including but not limited to the following:
- Clear & distinct identification of the asset
 - Relative value
 - Location
 - Security/ risk classification
 - IT asset group
 - Owner
 - Last updated (Date)
 - Changes made
 - Timeline of the changes/updates made.
 - Designated custodian
 - Name of each server
 - Operating system
 - Make and model
 - Number of CPUs
 - Speeds,
 - Memory,
 - Disk capacity
 - NIC cards and speeds
34. There should be a continuous monitoring of the system activities including but not limited to the following:
- Turnaround time : Time taken to fix a problem
Response time: System response time.
- Throughput
 - Workload
 - Utilization
 - CPU queue
 - Jobs queue
 - Long running queues
 - Percentage used per CPU
 - Percentage used memory
 - Memory paging
 - Disk I/Os
 - Actual network speed
- A daily/weekly/Monthly report is to be produced, reviewed & properly documented exceptions to be reported immediately.

35. Problem Management and Incident Management:

- Responding to alerts and / or tickets that are either auto-generated or user raised
- Resolving the issue based on Incident and Problem Management guidelines
- Provide support, advice and guidance to bank users on server related issues
- Root Cause Analysis of each problem and minimize the adverse impact of these issues.
- Prepare and put-up RCA for approval.
- Coordinating with the OEMs for resolution and long term solution of the Issues
- A process has to be deployed for Problem/Incident Management.

36. DR Management

Maintenance of DR/Near sites.

Handle DR operations

- Participation in DR Drills
- Ensuring DR replication
- Ensuring consistency between DC, Failover and DR setups.
- Managing Operation from DR in case of an associated incident.
- Administration and Maintenance of near site (Full/partial) if bank desires to do so.

37. DC/DR Replication.

- Bidder has to ensure that the DC, Near Sites and DR are in sync as per policy decided by Bank. Near/DR site should be available and made live in the event of a disaster at the Primary site. And the operation has to be handled from the respective location.
- Bank shall ensure that necessary access to conduct the operations are made available in case of disaster.
- Bidder is also required to assist in the DR drills for the applications in scope or the application interfaced with the applications in scope as and when required by the bank.

38. Help Desk/Service Desk Maintenance of Command Centre

39. SLA Management

40. License management.

41. Documentation: Proper documentation has to be maintained and presented, for all the activities in scope.

42. Housekeeping and daily maintenance.

43. Periodically help the bank in taking insurance for the assets in scope.

44. Bank expects the bidder to follow the best industry standard practices and processes (customized to the needs of the bank) in the entire engagement

45. Maintain proper documentation for all the assets/services/processes.

46. Bank expects a continual improvement in the processes and the delivery of services in scope.

47. Bidder has to provide necessary training to the Bank Officials.

48. There has to be provision of proper knowledge transfer along with the handover of necessary documentation and Training material to the bank officials or the other third party appointed by the bank in the event of the completion or termination of the contract.

49. Vendor has to support all the solution in scope irrespective of the versions.

(I) Staffing Guidelines:

The staff's skills, experience, certification and competence in Hardware, OS, and all other components involved in the Solution and software product specialists will impact on quality of delivery for the services. It is desirable that suitable persons are deployed for Bank's requirements. Minimum qualifications for all the Professionals to be deployed in the project are as follows:

- A. The staff deployed on the project should have a good academic record and a professional degree in IT / Computer Science from any recognized university / Institute in India.
- B. Staff have to work in 24x7x365 environment and should be able to work in shifts and flexible working hours.
- C. Bank reserves the right to interview all of the staff to be deployed on the project and reject if not found suitable for the project.
- D. At a later stage also if any of the staff are found unsuitable or any of the staff violates any of the Bank guidelines, Bank may seek removal of all such staff.
- E. Bank expects to build a strong team and there should be no single point of dependency on any one individual. Bank's services should always remain immune to any such dependencies.
- F. Vendor is required to obtain permission from the Bank before removing any of the staff from the project.
- G. The vendor shall have the right to replace the specific person(s) who are equally competent and qualified, but Bank will retain the right to set reasonable conditions on its acceptance of such replacement(s).
- H. Bank expects staff to constantly keep upgrading their skills.
- I. As soon as Bank adopts a newer version of an existing technology or a new technology altogether Bank expects the existing staff working in the project to get certified on the same. Or the vendor should arrange for the additional resources with requisite qualifications/certifications.
- J. Proper on boarding and off boarding processes are required to be followed.
- K. All the staff are required to abide by the Bank's acceptable usage policy.
- L. The team should be adequate to ensure the unhindered 24x7x365 operations and support. Each shift team should have one team lead/shift in-charge, who could be a senior member from amongst the team.
- M. Project lead and Team Leads would be the single point of contact for the Bank.
- N. Bank should be provided with a dedicated and exclusive team.
- O. A detailed shift roster has to be published at the start of the month in consultation with the Bank.
