Page no. 10 and 11 of 39:

Stages of tendering process (Point No. i and j):

Existing	Revised
<p>Point No. (i) : In cases where 3 cars are to be hired on monthly rent, the Bank will shortlist two agencies based on the quotes received from the agencies. The L-I and L-II agencies will be allocated cars in the following proportion, subject to L-II agency matching the rates of L-I agency. The proportion of allocation of cars will be as under:</p> <p style="text-align: center;">L-I : L-II = 2:1</p> <p>i.e. in the requirement of Honda City VX MT R stated in this tender document, number of cars allotted will be as under :</p> <p style="text-align: center;">L1 – 2 cars L2 – 1 car</p> <p>In case L-II is not willing to match the rates with L-I agency, the next bidding agencies i.e. L-III and so on will be invited.</p> <p>In case L-I backs out, EMD amount will be forfeited, Bank may blacklist the applicant and may also initiate legal action before appropriate legal forums/regulators etc.</p> <p>If L-II, L-III and L-IV agencies etc. i.e., next bidding agencies are ready to supply cars on L-I rates, Bank may consider the offer and proceed further, otherwise the whole tender process will be cancelled.</p>	<p>Point No. (i) In cases where 3 cars are to be hired on monthly rent, the Bank will shortlist two agencies based on the quotes received from the agencies. Point No. (j) : In cases where more than 3 cars are to be hired on monthly rent, the Bank will shortlist three agencies based on the quotes received from the agencies. The L-I ,L-II and L-III agencies will be allocated cars in the following proportion, subject to L-II and L-III agencies matching the rates of L-I agency. The proportion of allocation of cars will be as under:

$$L-I:L-II:L-III = 3:2:1$$

i.e. in the requirement of Honda City ZX CVT R stated in this tender document, number of cars allotted will be as under :

L1 – 6 cars

L2 – 4 cars

L3 – 2 cars

In case L-II and L-III are not willing to match the rates with L-I agency, the next bidding agencies i.e. L-IV and so on will be invited.

In case L-I backs out, amount will be forfeited, Bank may blacklist the applicant and may also initiate action before appropriate legal forums/regulators etc.

If L-II, L-III and L-IV agencies etc. i.e., next bidding agencies are ready to supply cars on L-I rates, Bank may consider the offer and proceed further, otherwise the whole tender process will be cancelled.

Point No. (j) : In cases where more than 3 cars are to be hired on monthly rent, the Bank will shortlist three agencies based on the quotes received from the agencies. The L-I ,L-II and L-III agencies will be allocated cars in the following proportion, subject to L-II and L-III agencies matching the rates of L-I agency. The proportion of allocation of cars will be as under:

$$L-I:L-II:L-III = 3:2:1$$

i.e. in the requirement of **Honda City VX MT R** stated in this tender document, number of cars allotted will be as under :

L1 – 6 cars

L2 – 4 cars

L3 – 2 cars

In case L-II and L-III are not willing to match the rates with L-I agency, the next bidding agencies i.e. L-IV and so on will be invited.

In case L-I backs out, amount will be forfeited, Bank may blacklist the applicant and may also initiate action before appropriate legal forums/regulators etc.

If L-II, L-III and L-IV agencies etc. i.e., next bidding agencies are ready to supply cars on L-I rates, Bank may consider the offer and proceed further, otherwise the whole tender process will be cancelled.
